**Pianists Guide to Standard Teaching and Performance Literature** Jane Magrath, This reference book is an invaluable resource for teachers, students and performers for evaluating and selecting piano solo literature. Concise and thoroughly researched, thousands of works, from the Baroque through the Contemporary periods, have been graded and evaluated in detail. Includes an alphabetical list of composers, explanations of works and much more.

Notes Become Music Walter Fleischmann, 2019-06-17 Notes Become Music: A Guidebook from the Viennese Piano Tradition addresses the many unwritten nuances of dynamics, articulation and agogics as an expression of fundamental principles of a common European musical language. It treats the score as an incomplete musical shorthand that outlines the compositional and interpretive imperatives implicit within it, drawing on historical records from the eighteenth and nineteenth centuries and detailed comparisons of works to underline the author's presentation of Viennese tradition. This book is not primarily concerned with questions of style or interpretation. Rather, it explains the many facets of musical notation that were taken for granted by composers who assumed a knowledge of the piano tradition of their day. Notes Become Music informs not only those students in countries where the central European music tradition is still unfamiliar, but also a younger generation of Europeans who have grown up without a living connection to their musical past.

**Sonatina Album** Allan Small, 2004-12 Originally compiled and edited by Louis Kehler, this edition contains some of the most popular keyboard sonatinas, rondos and other works (including symphonic transcriptions) of Beethoven, Clementi, Haydn, Kuhlau and Mozart, among others. In clarifying this edition, editor Allan Small has removed impractical fingerings and unnecessary accidentals found in other editions. The Alfred Masterwork CD Editions conveniently combine each exceptional volume with a professionally recorded CD that is sure to inspire artistic performances. Pianist Kim O'Reilly Newman holds a Master of Music degree from the University of Illinois. She has performed throughout North America and Europe with the Hambro Quartet of Pianos and was an editor and recording pianist for Alfred Publishing. Kim is a brain tumor survivor and now specializes in performing music for the left hand.
