Love to Eat, Hate to Eat Elyse Fitzpatrick, 2004-08-15 More than 80 percent of all Americans have been on a diet at some point in their lives. Low fat, low carb, high protein—you name it—they've tried it. Isn't there a better way to break the cycle in the battle of the bulge? After years of futile dieting, readers know there's more to weight control than what they eat. Having discovered the power that food has over their lives, counselor Elyse Fitzpatrick, author of *Overcoming Fear, Worry, and Anxiety*, helps them: identify destructive eating habits break the vicious cycle of emotional eating develop a flexible plan suited to unique situations God knows everything about us...where we've been and where we're going. Because He knows us so well, He can deeply transform us, giving us the contentment we long for.

Experiencing Spiritual Growth Focus on the Family,2005-03-01 One of the greatest joys of being a child of God is that He asks us to grow in Him! When we nurture a deeper relationship with our Father, we cultivate the spiritual fruit described in Galatians 5:22-23: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. These attributes are what make stronger women, stronger Christians and stronger testaments to the grace and glory of God. The Focus on the Family Women's Series is exactly what women's ministries are looking for a complete program designed to meet the needs of women of all ages.

Witness and Existence Philip E. Devenish,George L. Goodwin,1989-06-05 For over thirty years Schubert Ogden has championed and exemplified a particular understanding of the task and content of Christian theology. The task of theology is to examine the meaning and truth of Christian faith in terms of human experience. All theological claims, therefore, are assessable by two criteria: their appropriateness to the normative Christian witness and their credibility in terms of human existence. The content of Christian theology may be accurately and succinctly stated in two words: radical monotheism. The point of all theological doctrines, from christology to ethics, is to reflect on the gift and demand of God's love. It may be said, then, that Ogden's entire theological project consists in the attempt to show that radical monotheism, which is the essential point of the Christian witness, is also the inclusive end of human existence. *Witness and Existence* pays tribute to Ogden by bringing together essays by eminent scholars in New Testament studies and philosophical theology, two fields which directly reflect his methodological concerns and his substantive contributions. The book honors Ogden precisely by engaging the fundamental issues which Ogden himself has taken so seriously. The first group of essays presents careful analyses of issues basic to the early Christian witness; the second group examines the credibility of the Christian claim about God in terms of human experience. The editors' introductory essay provides the first comprehensive analysis yet to appear of Ogden's theology. A complete bibliography of his published writings is included as an appendix.
