Overcoming Crystal Meth Addiction Steven J. Lee,2009-03-25 In Overcoming Crystal Methamphetamine Addiction, one of the few books to address the topic for a general audience, Dr. Steven Lee, MD, a psychiatrist who specializes in crystal meth addiction, offers a complete guide to the drug, its effects, and how to overcome it. Based on extensive scientific and social research and drawing from his professional experience, he covers everything from the definition and history of crystal meth

to the physical and psychological effects; from dealing with the addictive personality to helping a friend or family member cope with it. He focuses on understanding rather than outright condemnation of the drug, and empathetically covers all of the crucial questions: What is crystal meth? How is it made? How does it affect the body? How do you know if you're addicted to it? How do you stop using it? What if you don't want to stop? If you are going to use CM anyway, how can you minimize the damage? What if you quit but slipped and used again?

How to Be Sad Helen Russell, 2021-10-05 In any human life there are going to be periods of unhappiness. That is part of the human experience. Learning how to be sad is a natural first step in how to be happier.—Meik Wiking, CEO of the Happiness Research Institute *How to Be Sad* is a poignant, funny, and deeply practical guide to better navigating one of our most misunderstood human emotions. It's a must-read for anyone looking to improve their happiness by befriending the full range of their own feelings. - Laurie Santos, Chandrika and Ranjan Tandon Professor of Psychology at Yale University and host of The Happiness Lab podcast An expert on the pursuit of happiness combines her powerful personal story with surprising research and expert advice to reveal the secret of finding joy: allowing sadness to enrich your life and relationships. Helen Russell has researched sadness from the inside out for her entire life. Her earliest memory is of the day her sister died. Her parents divorced soon after, and her mother didn't receive the help she needed to grieve. Coping with her own emotional turmoil—including struggles with body image and infertility—she's endured professional and personal setbacks as well as relationships that have imploded in truly spectacular ways. Even the things that brought her the greatest joy—like eventually becoming a parent—are fraught with challenges. While devoting a career to writing books on happiness, Helen discovered just how many people are terrified of sadness. But the key to happiness is unhappiness—by allowing ourselves to experience pain, we learn to truly appreciate and embrace joy. *How to Be Sad* is a memoir about living with sadness, as well as an upbeat manifesto for change that encourages us to accept and express our emotions, both good and bad. Interweaving Helen's personal testimony with the latest research on sadness—from psychologists, geneticists, neuroscientists and historians—as well as the experiences of writers, comics, athletes and change-makers from around the world, this vital and inspiring guide explores why we get sad, what makes us feel this way, and how it can be a force for good. Timely and essential, *How to Be Sad* is about how we can better look after ourselves and each other, simply by getting smarter about sadness.

Buddha Failed: 25 Reasons Kevin Everett FitzMaurice, 2021-07-01 Discover Why and How Buddha Failed • Expose Buddha's self-esteem games and strategies. Discern the difference between material and spiritual ego. • Explore how Buddhism can be harmful in spiritual areas. Recognize how merit alone cannot save you. • Understand the true cause of suffering. Expose Buddha's Path of Superiority • One can make the case that the primary purpose of Buddha's legends, myths, and stories is to present Buddha as superior to others. • Other considerations, such as teaching, are secondary. • We

do not care about Buddha or his reputation one way or the other. However, we care if people take the false path of putting spiritual ego over material ego. Avoid Spiritual Mistakes • Learn not to make the spiritual mistakes that Buddha made. • The book's message is simple: use Buddhism to help get rid of your material ego and reject the false path of spiritual ego Buddhism promotes. Discover the True Path to Enlightenment • See how Buddhism can be helpful in material areas. • We suggest you take the need for getting rid of the material ego from Buddhism and the need for getting rid of the spiritual ego from Taoism and Christianity. • Combine the two, and you will be close to the right spiritual path. Much More • Uncover and examine Buddha's contradictions. • Avoid five spiritual failures. • Avoid false spirituality. • Find true humility, goodness, and spirituality. • Learn about the right path and how to stay on it. • Explore how self-esteem will lead you astray as it did Buddha. • Learn to commit to non-doing instead of claiming. • Refuse to worship Buddha in any way or form. • Refuse to follow Buddha's bad example. • Recognize why God is important and pantheism is to be rejected. • Recognize that Buddha was about spiritual self-esteem and pride. • Discover your true and false human natures. • Discover more than twenty-five reasons why Buddha failed. • Finally, understand idols and idolatry. • Finally, understand oneness and how it exists in life. Don't Fail at Life as Buddha Failed!

How to Become a Miracle-Worker with Your Life Dr. Bruno R. Cignacco, 2015-11-27 How to Become a Miracle-Worker with Your Life is about a powerful ancient technique to solve any kind of problem in a permanent way. This technique, called Ho'oponopono became well-known worldwide when it was used by a doctor to cure a ward of deranged dangerous prisoners without him having any type of personal contact with them. This tool is based on the principles of repentance, forgiveness, love and gratitude. This almighty technique has a very wide application; it can be used to resolve all types of difficulties in different areas, such as relationships, health conditions, financial challenges and career problems. The simplicity and effortlessness regarding the use of this problem-solving tool makes it suitable to be used by anybody on any occasion. The effects of the use of this technique are long-lasting, for this technique focuses on the causes of problems instead of their consequences. This book provides the reader with a stepwise process to apply this powerful technique, with countless practical exercises. With the frequent use of this technique the reader will gradually become healthier, wealthier and more fulfilled regarding career, business, relationships, and other relevant areas.
