With their proven method, the coaches of the Hansons-Brooks Distance Project will show you how to break down the 26.2 miles into achievable daily workouts. By race day, you'll feel strong and confident of a race experience you'll be proud of. The Hansons-Brooks Distance Project has an

amazing track record of turning normal runners into marathoners through their acclaimed Hansons Marathon Method. Now they have made the marathon not just something to check off your bucket list, but also an enjoyable, inspiring, and life-changing experience. Hansons First Marathon is for anyone who has decided to step up to the marathon. Whether you're a totally new runner who has never run a race, a recreational runner who enjoys occasional races, or even a competitive runner who is ready to go all the way—you'll find the right marathon training schedule for you in Hansons First Marathon. Author and coach Luke Humphrey starts you off on the right foot with a simple survey about your running experience, race goals, and your natural strengths and weaknesses. Then he guides you to the right plan to prepare you for the miles ahead. Hansons First Marathon covers everything you need to know: Finding your foot type and a good shoe for marathon training The types of workouts and how (and why) to do them Choosing your race wisely Training around travel, illness, and navigating injuries How to stretch and strength train for marathon Ways to recover from daily runs and after your race Science-based nutrition and hydration guidelines for workouts and race day What to do differently during the crucial final 6 weeks before your race How to get to the start line feeling confident, stress-free, and ready Setting an ideal marathon race strategy that puts you in control Marathons are an exciting, rewarding challenge for runners of all abilities, but how you get to the start line matters as much as how you finish. Choose Hansons First Marathon to start your marathon adventure and you'll set yourself up for success.

Hansons Marathon Method Humphrey, 2016 Now with a Just Finish plan for new runners!--Front cover.

Hansons Marathon Method, 2nd Edition Luke Humphrey, Kevin Hanson, 2025-11-04 Run your first marathon or your fastest with Hansons Marathon Method, the revolutionary training program from one of the best running teams in the world, the Hansons-Brooks Distance Project. In Hansons Marathon Method, the coaches of the Hansons-Brooks Distance Project reveal their innovative marathon training program that has helped thousands of runners become true marathoners and smash their personal bests. Hansons Marathon Method tosses out mega-long runs and high-mileage weekends--two old-fashioned running traditions that often injure and discourage runners. Runners using the Hansons method will gradually build up to the moderate-high mileage required for marathon success, spreading those miles more sensibly throughout the week. Running easy days mixed with precisely paced speed, strength, and tempo workouts, runners will steel their bodies and minds to run the hardest final miles of the marathon--and finish strong. In this new second edition, the Hansons program welcomes newer runners with a new Just Finish program featuring a simple schedule of easier running and lower mileage. The Just Finish program sets up first-time marathoners for an enjoyable marathon and a lifetime of strong, healthy running. Hansons Marathon Method will prepare you for your best marathon: Sensible weekly mileage based on science, not outdated traditions Effective Hansons speed, strength, and tempo workouts paced to achieve your goal Crucial nutrition and hydration guidelines to run strong for the whole race A smart and simple Just Finish program for new runners and marathon first-

timers
Detailed training schedules for experienced and advanced marathoners
This revised second edition answers frequently asked questions, shows how to integrate flexibility and strength work into your training week, and shares the most effective recovery methods. Using the Hansons' innovative approach, you will mold real marathon muscles, train your body to avoid the wall, and finish strong. Hansons Marathon Method lays out the smartest marathon training program available from one of the most accomplished running groups in the world. Using their innovative approach, runners will mold real marathon muscles, train their body to never hit the wall, and prepare to run their fastest marathon. You might expect a training program devised by the Hanson brothers to be a little different than the usual rehashing of principles and schedules. Given the success of athletes from the Hansons-Brooks Distance Project, you wouldn't be surprised if it was effective, too. --

The Marathon Method Tom Holland, 2007-04-01 Get Ready to Run! A complete guide to training for a half or full marathon in sixteen weeks, this book follows the format of Tom's previous book *The 12-Week Triathlete* with simply the best advice on how to run your fastest race while staying injury-free. Whether you are a first-time marathoner, trying to set a new PR or looking to qualify for Boston, this book is for you. TRAIN LESS AND RUN YOUR BEST Some worry that running a marathon will involve hours upon hours of training each week. Others fear that they will become injured. Some veteran marathoners have followed other training plans and experienced both, but Tom's approach is much different. His philosophy of train less, run your best will amaze you whether you are running your first marathon or fiftieth. Exercise physiologist and sports performance coach Tom Holland -- an elite endurance athlete himself and sub-3 hour marathoner who has run in more than fifty marathons, three ultramarathons, and a dozen Ironman triathlons around the world will teach you how to properly gear up and train in the sixteen weeks prior to your half or full marathon. So when that starting gun sounds, you'll be equipped with invaluable tips and techniques that will put you in position to run the best race of your life. The Marathon Method provides you with everything you need to know including: Easy-to-understand advice on nutrition, hydration, and gear Customized training plans for beginner, intermediate, and advanced runners Advice on the mental side of running and how to make your mind go that extra mile Strategies to avoid hitting the infamous 'wall' Tips on pacing, injury prevention, strength training, flexibility, and much more!
