

How Hard Can It Be

Yi-Tong Ma

How Hard Can It Be? Allison Pearson, 2018-06-05 A woman approaching fifty must rejoin the workforce as she juggles motherhood and her husband's midlife crisis in this "brilliant, funny, and tender" novel (Booklist, starred review). Kate Reddy had it all: a nice home, two adorable kids, a good husband. Then her kids became teenagers (read: monsters). Richard, her husband, quit his job, taking up bicycling and therapeutic counseling: drinking green potions, dressing head to toe in Lycra, and spending his time—and their money—on his own therapy. Since Richard no longer sees a regular income as part of the path to enlightenment, it's left to Kate to go back to work. Companies aren't necessarily keen on hiring forty-nine-year-old mothers, so Kate does what she must: knocks a few years off her age, hires a trainer, joins a Women Returners group, and prepares a new resume that has a shot at a literary prize for experimental fiction. When Kate manages to secure a job at the very hedge fund she founded, she finds herself in an impossible juggling act: proving herself (again) at work, dealing with teen drama, and trying to look after increasingly frail parents as the clock keeps ticking toward her fiftieth birthday. Then, of course, an old flame shows up out of the blue, and Kate finds herself facing off with everyone from Russian mobsters to a literal stallion. Surely it will all work out in the end. After all, how hard can it be?

How Hard Can It Be? Jeremy Clarkson, 2010-09-30 *How Hard Can it Be?* is the fourth hilarious volume in Jeremy Clarkson's *The World According to Clarkson* series. How hard can it be... To build a power station without upsetting the environmentalists? To seek world domination if you've been hit the ugly stick? For the Met Office to get yesterday's weather right? In volume four of *The World According to Clarkson*, Jeremy Clarkson pours scorn on the nonsensical, the dumb, the idiotic and the plain foolish in his continuing quest to discover where exactly we've all gone wrong. Along the way he ponders: • Whether conquering France might solve the immigration problem • What happened when you ignore proper warning labels • What would happen if we turned the internet off Often controversial, frequently scathing but always funnier than James May, Jeremy Clarkson shows us how we could so easily make the world a better place. Praise for Jeremy Clarkson: 'Brilliant . . . laugh-out-loud' Daily Telegraph 'Outrageously funny . . . will have you in stitches' Time Out Number-one bestseller Jeremy Clarkson writes on cars, current affairs and anything else that annoys him in his sharp and funny collections. *Born To Be Riled*, *Clarkson On Cars*, *Don't Stop Me Now*, *Driven To Distraction*, *Round the Bend*, *Motorworld*, and *I Know You Got Soul* are also available as Penguin paperbacks; the Penguin App *iClarkson: The Book of Cars* can be downloaded on the App Store.

Jeremy Clarkson because his writing career on the Rotherham Advertiser. Since then he has written for the Sun and the Sunday Times. Today he is the tallest person working in British television, and is the presenter of the hugely popular Top Gear.

How Hard Can It Be? Mag Ruffman,2011-10-04 You can pay big money for a self-esteem seminar, or you can buy yourself a cordless drill. I recommend the drill. Only the ToolGirl can make unplugging a blocked drain entertaining! Mag Ruffman, with characteristic flair and attitude, encourages readers to confront their terror of household maintenance and accomplish those nagging home repairs and improvements. Whether you're a rank beginner, first-time homeowner, or an apartment-dweller who's fed up with a lazy super, you'll find the know-how in this book to accomplish your goals.

How Hard Can It Be? Robyn Peterman,2013-01-01 An "outrageous, profane, hilarious, sexy and all kinds of wacky" romantic comedy from the New York Times bestselling author of Size Matters (Michelle Rowen, national bestselling author). What happens when an accountant decides to grab life by the horns and try something new? Apparently a pirate named Dave, a lot of pastel fleece, and blackmail—just to start with . . . Visualize and succeed, Oprah said. I was sure as hell trying, even if my campaign to score a job as the local weather girl had ended in a restraining order. Okay, TV was not my strength. But a lack of talent has never stopped me before. Which is why I've embarked on a writing career. I mean, how hard can it be to come up with a sexy romance? Leave it to me to wind up in a group of porno writing grannies who discuss sex toys and apple cobbler in the same breath. Also leave it to me to leak an outlandish plot idea to a bestselling author with the morals of a rabid squirrel. And only I could get arrested for a jewelry heist I didn't commit—by a hunky cop whose handcuffs just might tempt me to sign up for a life of crime. Maybe I've found my calling after all . . . "A zany over-the-top rompfest."—Lexi George, author of Demon Hunting with a Sexy Ex "The most f*cked-up bag of wonderful crazy ever."—Dear Author "If readers are in the mood for hilarious kinkiness woven through a fun romance, then this is the book to try."—Long and Short Reviews (4 stars)

How hard can love be? Holly Bourne,2016-02-01 All Amber wants is a little bit of love. Her mum has never been the caring type, even before she moved to America. But Amber's hoping that spending the summer with her can change all that. And then there's Prom King Kyle, the serial heartbreaker. Can Amber really be falling for him? Even with best friends Evie and Lottie's advice, there's no escaping the fact: love is hard.
