

# Leonardo Da Vinci Salai

**Alex LaFollette**

Angel in the flesh & Salai Carlo Pedretti, 2009 Leonardo's Angel in the Flesh went on display for the first time in the great exhibition on Leonardo's Bridges organised by Sweden in order to celebrate its entrance into the European Community in 1993 and 1994. It received much attention by the media, making numerous newspaper headlines. And since it was all too easy to recognize the appearance of the demoniacal Salai - the handsome boy, object of Leonardo's presumed homosexual attentions - in this singular blasphemous image in the nude, the Swedish exhibition was to include another novelty, the counterpart of the same character in the painting of a Dressed-up Salai in the Alos Foundation.

**Leonardo Da Vinci** Maurice Henry Goldblatt, 1961

Leonardo Da Vinci, Selected Scholarship: Leonardo's projects, c. 1500-1519 Claire J. Farago, 1999 Also available as the third book in a five volume set (ISBN#0815329334)

**Leonardo Da Vinci** Eugène Müntz, 1898

**Chiaroscuro** Pat McGreal, David Rawson, 2005 It looks at Leonardo from the view-point of his ne'er-do-well apprentice and servant Giacomo, known forever to history as Salai, whom Leonardo describes as lying, thieving, gluttonous, but who none the less spends most of his life in a complex relationship with the Maestro. Along the way we encounter Machievelli, Cesare Borgia, Michelangelo, Katerina (a dwarf with a unique talent!) and the model for the painting Mona Lisa.

Holy Ghost Alex LaFollette, 2025-06-09 Leonardo da Vinci's final painting, Saint John the Baptist, has baffled art historians for centuries. At first glance, it is a devotional portrait of a beloved Catholic saint. Yet its provocative depiction defies convention, eluding all attempts at interpretation--until now. Through meticulous research spanning centuries, a groundbreaking discovery unveils the painting's hidden meaning. From the baptism of Christ and the suppressed Gnostic Gospels to its reverberations in modern times, this enigmatic work redefines our understanding of art, history, and power. Holy Ghost is the gripping true story behind da Vinci's most mysterious masterpiece.

**The Second Mrs. Gioconda** E.L. Konigsburg,2011-06-28 Why did Leonardo da Vinci lavish three years on painting the second wife of an unimportant merchant when all the nobles of Europe were begging for a portrait by his hand? In E. L. Konigsburg's intriguing novel, the answer lies with the complex relationship between the genius, his morally questionable young apprentice, and a young duchess whose plain features belie the sensitivity of her soul.

**The Life of Leonardo Da Vinci** Giorgio Vasari,1903

*Leonardo da Vinci* Anna Abraham,2016-03-25 Leonardo da Vinci personified the Renaissance, the extraordinary age in which he lived. Best known as one of the world's greatest painters, he sketched the foundations for inventions that would not come to fruition for centuries. Born a bastard in a hillside village in northern Italy, Leonardo became the protégé of princes, popes, and kings. He mastered so many branches of science that scholars still debate whether he was greater as an anatomist, botanist, cartographer, engineer, geographer, or naturalist. Nevertheless, he died unhappy, believing he had failed to work the miracles of which he had dreamed. Here is his extraordinary story.

*Leonardo Da Vinci* Leonardo (da Vinci),Wilhelm Reinhold Valentiner,Los Angeles County Museum,1949

*Leonardo Da Vinci* Charles Nicholl,2005-04-07 Leonardo is the greatest, most multi-faceted and most mysterious of all Renaissance artists, but extraordinarily, considering his enormous reputation, this is the first full-length biography in English for several decades. Prize-winning author Charles Nicholl has immersed himself for five years in all the manuscripts, paintings and artefacts to produce an 'intimate portrait' of Leonardo. He uses these contemporary materials - his notebooks and sketchbooks, eye witnesses and early biographies, etc - as a way into the mental tone and physical texture of his life and has made myriad small discoveries about him and his work and his circle of associates. Among much else, the book identifies what Nicholl argues is an unknown portrait of the artist hanging in a church near Lodi in northern Italy. It also contains new material on his eccentric assistant Tomasso Masini, on his homosexual affairs in Florence, and on his curious relationship with a female model and/or prostitute from Cremona. A masterpiece of modern biography.
