Second-Chance Dogs Callie Smith Grant,2018-09-18 Everyone loves an underdog, and nothing gives us warmer feelings than seeing someone get a second chance in life. A problem pup who flourishes under the right kind of training. The struggling veteran who finds unconditional love wiggling around at the end of a leash. The lonely child who finds comfort in the steady breathing of the warm, furry friend at her side. Each of us needs to be rescued from something--and each of us has the capacity to rescue someone, or something, else. This collection of more than thirty contemporary, true, feel-good stories spotlights the beauty of being rescued--dogs rescued by people, people rescued by dogs, and even dogs who rescue other animals. It's the perfect companion--well, besides the four-legged, tail-wagging kind--for your morning cup of coffee or an evening curled up on the couch. Contributors include Susy Flory, Dusty Rainbolt, Lauraine Snelling, Melody Carlson, Wanda Dyson, Suzanne Woods Fisher, and many more.

The Tales of the Tails STEVE. KRAVETZ,2021-12-24 The book tells the endearing stories of rescued dogs and their forever families. The book gives first hand insight into the dog rescue business and about the dedicated volunteers who make so many dogs' lives better. It is written in testament to my dearly departed wife who put her whole heart and soul into our, 'For the Love of a Lhasa', 401-C non-profit dog rescue.

Sassi, the Smile Maker Pat Adams,2021-03-16 This is a mostly true story of Sassi, a mostly Yellow Lab, who was abandoned at a shelter as a tiny puppy. She was adopted by an airline pilot named Mark, but called Dad, and was raised by him and his live-in mother, Pat, known as Gramma. Recording Sassi's silent thoughts and words on her lucky life via unique transference (it's a secret!), Gramma wrote the book from Sassi's perspective. Have you ever walked through a dog shelter? If so, you saw the dogs rush to the front of their cages, bark, cry, wag their tails, and look at you with soulful eyes, hoping you will please choose me? Did you wonder about their stories? Sassi shares hers as a heartening example of the happiness to be found by homeless rescues adopted into welcoming forever homes. Eight-year-old Sassi learned very early that with her peppy personality, loving nature, and funny antics, she could make people smile, laugh, and feel good. That became her mission. For instance, as a trained and certified therapy dog, Sassi visits and entertains seniors in an assisted living home. She gives them high-fives. They give her big smiles. Her best buddy is a tennis ball she carries constantly, begging anyone and everyone to play catch. Her favorite times are fishing with Dad on his boat, swimming in Tampa Bay, walking with Gramma, watching TV, playing with her treasure trove of toys, and just hanging out with her family. Gramma tells Sassi about God and how blessed she is to enjoy such a good life. Sassi knows and is so thankful. For all rescued dogs in shelters and strays still out there trying to survive and be saved, Sassi prays all will get second chances for a happy life with loving humans, just like she did.

Happy as Harry Deana Luchia,2017-11-02 *Happy as Harry* is a positive, touching and uplifting book about happiness, written by the perfect life coach - Harry the one-eyed rescue dog, and his owner, Deana Luchia. Perfect for fans of Alfie and George, Haatchi & Little B and The Happiness Project. 'Dogs know how to be happy. It's what we do best. We cavort, careen, race and chase. Any day can be a good day, an amazing and fabulous day. You have the power to make an ordinary day extraordinary simply by deciding to make it so.' Harry the Dog Dogs are the happiest creatures in the world. They possess qualities that include their ability to live in the moment, their incredibly loving and playful natures and their innate

forgiveness and joie de vivre. So a dog is the perfect narrator for a book about how to be happy. If dogs could share their secrets on happiness, this book is what they would say. The book is divided into six life-coaching sections: How to be Happy Love Well and be Well Loved Happy Families A Balanced Life How to be Good Saying Goodbyes Harry, along with a group of his closest friends, shows us how dogs approach life in all of these areas, and shares his simple and practical top tips for how we, as humans, can learn from dogs in order to live better, happier lives ('After every bath dry your whole body with a hairdryer'). We may have to dodge some curveballs at times, but there are plenty of challenges that can be overcome and doubts that can be banished by looking at the world through Harry's eyes.
