Tranceformers Shamans of the 21st Century John Jay Harper, 2009 Tranceformers: Shamans of the 21st Century is the true story of this author's contact with a dead optics physicist colleague and the telepathic communication that sent him searching for scientific answers to his spiritual questions. Harper draws from this deep well of wisdom: astrology, biology, near-death experiences, paranormal psychology, quantum physics as well as Egyptian and Mayan cosmology overall. He does an excellent job of synthesizing massive amounts of information, making this shift of the ages comprehensible to the general reader. Clearly this is a necessary primer to understand the coming apocalypse of biblical proportions in consciousness, climate, culture, and civilization. However, the theme of this book is that by learning to use trance- the techniques employed by mystics, prophets, and shamans- one can unlock the mysteries of existence for themselves. Indeed this is the big idea behind the Eternal Return of the Sun of God in 2012: Self-Empowerment.

Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death Gabriel Ansley, 2010 Let me ask you a question you probably never pondered: WHY did God create the world in 6 days? Do you think God had NO logic, motive, or purpose behind using that specific number of days? Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one? Or do you think the cosmos required that number of days to be completed, as if God could not have created it in 2, 3, 5, 9, 12, 23 or however many days? Friend, you should know better...God can DO ANYTHING-which brings us back to the original question. The answer to this mystery is contained in the Bible, and its gradual (albeit, secret) uncovering in story after story leads to the stunning title of this book: Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2,000 Years After The Year Of His Death. But FAR more important than merely discovering that fact, this book will fully elucidate and crush all confusion concerning what a person (soul) MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories. So sit back and hold on, because this book's message is going to be a life-changing ride!

The Intense Reality of Eternity John Carpenter, 2020-11-20 Mankind has pondered the existence of life beyond death for centuries. Religions propose a variety of interesting but differing beliefs. So what does actually happen? Initially, science

assumed it was some kind of neurological process sparking memory fragments at the moment of death. Having studied thousands of firsthand experiences, science now finds undeniable credibility and fascinating patterns of details that cannot be easily dismissed. These witnesses are from various cultures and countries around the world—yet they report the same types of visual, auditory, and sensory details. People, blind since birth, are seeing and testifying to the same sights that sighted people are also reporting. Preschool children are claiming the same experiences as mature, educated, worldly individuals. Atheists are stunned into becoming devoted to God. What is going on? Author John Carpenter returns with his third book, providing the reader with a breath-taking and inspirational journey through three realms of the afterlife. Instead of recounting hundreds of individual tales as in other books, he constructs a unique experience by orchestrating one composite journey, illustrated by hundreds of firsthand witnesses. Crafting the fascinating pieces of their testimonies into a masterful flowing collection creates an unforgettable journey for the reader. Masterminding this jigsaw puzzle of credible experiences takes the reader where no other book has gone before! But it can be intense—in its joy, love, and beauty—or its nightmarish and dark terrors. Be not afraid. Learn the truth of what people are reporting so that you can navigate your own spiritual journey wisely toward your future place in eternity.
