Crazy Horse Kingsley M. Bray,2006 Crazy Horse: A Lakota Life corrects older, idealized accounts—and draws on a greater variety of sources than other recent biographies—to expose the real Crazy Horse: not the brash Sioux warrior we have come to expect but a modest, reflective man whose courage was anchored in Lakota piety. Kingsley M. Bray has plumbed interviews of Crazy Horse's contemporaries and consulted modern Lakotas to fill in vital details of Crazy Horse's inner and public life. To this day, Crazy Horse remains a compelling symbol of resistance for modern Lakotas. Crazy Horse: A Lakota Life is a singular achievement, scholarly and authoritative, offering a complete portrait of the man and a fuller understanding of his place in American Indian and United States history.

Out of Place Jennifer Blecher,2019-06-04 When twelve-year-old Cove Bernstein becomes the target of a school-wide bullying campaign, she sets out to find a way to leave her home on Martha's Vineyard for New York City, where her best friend lives. But Cove discovers that friends can appear in the unlikeliest places, and maybe home isn't the worst place to be after all. Jennifer Blecher's debut novel is a voice-driven story about bullying, friendship, and self-reliance that hits the sweet spot for fans of Ali Benjamin's *The Thing About Jellyfish* and Erin Entrada Kelly's *You Go First*. Twelve-year-old Cove Bernstein's year has gone from bad to worse. First, her best friend, Nina, moved from Martha's Vineyard to New York City. Then, without Nina around, Cove became the target of a bullying campaign at school. Escape seems impossible. But opportunities can appear when you least expect them. Cove's visit to a secondhand clothing store leads her to a surprising chance to visit Nina, but only if she can win a coveted place in a kids-only design competition. Cove doesn't know how to sew, but her friend at the retirement home, Anna, has promised to teach her. And things start really looking up when a new kid at school, Jack, begins appearing everywhere Cove goes. Then Cove makes a big mistake. One that could ruin every good thing that has happened to her this year. One that she doesn't know how to undo. Jennifer Blecher's accessible and beautifully written debut novel explores actions and consequences, loneliness, bullying, and finding your voice. This voice-driven friendship story is for fans of Rebecca Stead's *Goodbye Stranger* and Jodi Kendall's *The Unlikely Story of a Pig in the City*. Includes black-and-white spot art throughout.
