A fantasy like you've never read before. —#1 New York Times bestselling author Jennifer L. Armentrout Enter the brutal and elite world of a war college for dragon riders from #1 New York Times bestselling author Rebecca Yarros Twenty-year-old Violet Sorrengail was supposed to enter the Scribe Quadrant, living a quiet life among books and history. Now, the commanding general—also known as her tough-as-talons mother—has ordered Violet to join the hundreds of candidates striving to become the elite of Navarre: dragon riders. But when you're smaller than everyone else and your body is brittle, death is only a heartbeat away...because dragons don't bond to "fragile" humans. They incinerate them. With fewer dragons willing to bond than cadets, most would kill Violet to better their own chances of success. The rest would kill her just for being her mother's daughter—like Xaden Riorson, the most powerful and ruthless wingleader in the Riders Quadrant. She'll need every edge her wits can give her just to see the next sunrise. Yet, with every day that passes, the war outside grows more deadly, the kingdom's protective wards are failing, and the death toll continues to rise. Even worse, Violet begins to suspect leadership is hiding a terrible secret. Friends, enemies, lovers. Everyone at Basgiath War College has an agenda—because once you enter, there are only two ways out: graduate or die. The Empyrean series is best enjoyed in order. After nearly eighteen months at Basgiath War College, Violet Sorrengail knows there's no more time for lessons. No more time for uncertainty. Because the battle has truly begun, and with enemies closing in from outside their walls and within their ranks, it's impossible to know who to trust. Now Violet must journey beyond the failing Aretian wards to seek allies from unfamiliar lands to stand with Navarre. The trip will test every bit of her wit, luck, and strength, but she will do anything to save what she loves—her dragons, her family, her home, and him. Even if it means keeping a secret so big, it could destroy everything. They need an army. They need power. They need magic. And they need the one thing only Violet can find—the truth. But a storm is coming...and not everyone can survive its wrath. The Emphyrean series is best enjoyed in order. Reading Order: Book #1 Fourth Wing Book #2 Iron Flame Book #3 Onyx Storm
