The Opposite of Settling Case Kenny,2025-08-19 Forget settling or “settling down”—you deserve a love that upgrades every aspect of your life. A love that empowers you to get hotter, happier, and more fulfilled . . . together. The host of the podcast New Mindset, Who Dis? helps you find a partnership that fills your life with “can you believe we did that?” moments, where “let’s book a flight and go” is as common as “I love you.” Are you looking for a love that offers you clarity, not confusion? Does it feel like love has gotten too complicated? Does the sea of dating rules and expectations make you feel overwhelmed? Case Kenny, host of the New Mindset, Who Dis? podcast and author of That’s Bold of You, brings you The Opposite of Settling—a blend of practical mindfulness, evidence-based research, and undiluted optimism—to help you find a love that expands your world. Case guides you toward finding and building a relationship that empowers you to be independent, vibrant, and in love. The book offers you the tools to: Navigate the complexities of modern dating with confidence and an unbothered mindset Find a connection that feels like home yet pushes you toward a fuller and more vibrant life Recognize and attract relationships that elevate your life instead of weighing or “settling” you down Let go of fear-based dating habits and find a love that enhances your sense of independence The Opposite of Settling isn’t just about finding someone; it's about finding more of yourself in the process. Case’s concept of “settling up” (the opposite of “settling down”) offers an energizing affirmation of love, leaving you feeling lighter, unburdened of rules and expectations, and on the path to finding a relationship where you both look at each other and think, Yup, that's my kind of weird.”

Comedy Quotes from the Movies Larry Langman,Paul Gold,2001-05-29 Clever repartee, double entendres, punch lines and many other variations of humor have been a staple of movie dialogue since the advent of talkies. Collected here are over 4,000 of the best comedic lines from the movies. The compilers of this book have tried to bring together some of the funniest, wittiest and most outrageous snatches of dialogue on film over a sixty year time period. For each entry the authors set the quotation in context, provide the name of the actor or actress, the name of the movie and the year of release. The quotations are arranged by a broad range of categories, such as politics, food and eating, gambling, and many others. A title index and a name index follow the body of the book..

Broken Object Chérissa Iradukunda,2023-03-31 The contents of this book are dear to me. They represent a part of my life that I have had to live and deal with. We are a broken object. We are all broken in different ways. Some of us in a small

piece, some in a big piece, and some in several pieces all over. As the author of this book, I was looking for those pieces I had lost, trying to puzzle over where they belonged and where they should be. It felt like I was picking up pieces of broken glass: it cut me every time I picked up one of the pieces. In the end, though, I found a way to merge them with a little bit of gold.

And I Quote Ashton Applewhite, Tripp Evans, Andrew Frothingham, 1992-01-15 Collection of quotes for the successful writer and speechmaker.

Just A Reminder Divine D., 2020-09-15 "Being a teenage girl is hard in today's society." This is the message Divine D. has heard from her students. One student told Divine, "If only there was a book on how to be a teenage, it would make my life easier!" So Divine decided to do just that for her students. By using her twenty years in the field of education, personal life experiences and wealth of knowledge that came from her 46 years on this earth, she wrote *40 Things Every Teenage Girl Needs to Know Before She Becomes an Adult*. This book is a wonderful gift for any teenage girl. It has a very positive message that would benefit teenagers going through difficulties or just needing a little reminder of how wonderful they are. Divine uses her expertise as a Catholic school administrator, to bring a Christian twist to all of life's adventures and bumps in the road. Each chapter ends with a song recommendation message to listen to. One of Divine's students named the book, *Just a Reminder*, because all girls need a reminder of how wonderfully awesome they have been made even in times when they forget. In the hopes of improving girls mental health, this is a joyful, happy and positive book sharing delightful and inspiring stories of life in the hopes of making girls lives easier. Believe in yourselves, Girls! With sections including: Mental Health and Well-Being, Body Image and Self-Esteem, Building Foundational Skills for Your Future, Taboo Topics and Getting Help, and Finding Joy in Your Daily Life, teenage girls will be inspired to go out and live their dreams.
