Touched by Cancer... Loved by God Maybelline Hicks-Samuel,2025-03-20 Touched by Cancer...Loved by God was written to address the shame and stigma associated with the disease of breast cancer. Hopefully, it will help empower women to deal with the disease of breast cancer in a more enlightening way. Further, it speaks to the fear surrounding the disease, the psychological and sociological issues that impact women, fear being a key component. This book provides a great deal of information about the disease based on medical and scientific research backed by notable institutions and organizations. It offers hope and encouragement to women living with this disease through testimonials about women living purposeful lives well into super senior hood. The focus of this book is centric to the importance of mammogram screenings in order for early detection and proactive treatment. Touched by Cancer...Loved by God offers inspiration and a pathway for individuals to build faith when they find themselves in a dark place. My story demonstrates how it's possible for women to emerge better and stronger after going through the ordeal of breast cancer. It's my testimony of what God is capable of doing when we have faith and trust Him. I have tried to speak with candor and remain optimistic by providing a window into my life that will give you a view of what to expect if you or someone you know is diagnosed with breast cancer, a disease with many facets.

The Voice of Hope Eric Otieno Olweny,2016-01-29 "Within every soul,there is a story to tell .some make sense ,some do notbut this is not just anotherstory .This is a testimony ." That was the opening statement by Evangelist Steve Omodecx the first time he read the Book The Voice of Hope . A real life experince of a young man who knows exactly what it means to

have hope . THE VOICE OF HOPE is a testimony , a real life experience , a story of a young man who decided to hold on Gods hope and not give up regardless of the circumstances, The voice of Hope is my story . . . the defining moments that have truly brought me to my knees, the times when I've questioned to my core my very existence, and the experiences I've had that have shown me who I really am and who my Heavenly Father still needs me to become. The two consecutive years of my parents' death were my darkest hour, but also the very moment when I saw firsthand that my Heavenly Father sent Angels on errands for me. He carried me. It was the hour when all my fears and all the pain of this world collided together and He was there . . . putting back together all the pieces, one step at a time I HOPE IT BLESSES YOU AND TRIGGER YOU TO ACTION
