Chekhov, 2017-08-07 Musaicum Books presents to you ANTON CHEKHOV - The Man Behind The Books: Letters, Diary, Memoirs & Biography. This eBook edition has been formatted to the highest digital standards and adjusted for readability on all devices. Excerpt: DEAR BROTHER MISHA, I got your letter when I was fearfully bored and was sitting at the gate yawning, and so you can judge how welcome that immense letter was. Your writing is good, and in the whole letter I have not found one mistake in spelling. But one thing I don't like: why do you style yourself your worthless and insignificant brother? You recognize your insignificance? ... Recognize it before God; perhaps, too, in the presence of beauty, intelligence, nature, but not before men. Among men you must be conscious of your dignity. Why, you are not a rascal, you are an honest man, aren't you? Well, respect yourself as an honest man and know that an honest man is not something worthless. Don't confound being humble with recognizing one's worthlessness. ... (Letters of Anton Chekhov To His Family and Friends) Anton Chekhov (1860 -1904) was a Russian physician, dramaturge and author who is considered to be among the greatest writers of short stories in history. Chekhov practised as a medical doctor throughout most of his literary career. Along with Henrik Ibsen and August Strindberg, Chekhov is often referred to as one of the three seminal figures in the birth of early modernism in the theatre. He made no apologies for the difficulties this posed to readers, insisting that the role of an artist was to ask questions, not to answer them. Contents: Biography by Constance Garnett Autobiographical Writings: Letters of Anton Chekhov to his Family and Friends Notebook of Anton Chekhov Reminiscences of Anton Chekhov: Fragments of Recollections by Maxim Gorky A. P. Chekhov by Ivan Bunin To Chekhov's Memory by Alexander Kuprin

**The Man Who Wanted to Smell Books** Elspeth Davie, 2020-01-16 Twenty-eight short stories by the Katherine Mansfield Prize-winning author: a most impressive collection, a work of genuine imagination ( Observer, UK). Elspeth Davie is one of Scotland's finest and most unjustly overlooked short-story writers. Her prose style is as clear and occasionally unnerving as that of Muriel Spark, yet her work reveals a gentler and more compassionate, but no less penetrating eye for the beauty and the strangeness of the human condition. In The Man Who Wanted to Smell Books and Other Stories, readers

will discover Davie's wry humor, her ear for the cadences of daily life, and her innate understanding of the depths and absurdities hidden just beneath the surface. With an introduction by Giles Gordon, this wide-ranging collection of the very best of Davie's short fiction offers an important reassessment of a wonderful writer. Mrs. Davie commands a beautifully clear prose style that she can intensify when necessary to touch the hem of poetry. — Edinburgh Evening News
