**There Are Moms Way Worse Than You** Glenn Boozan, 2022-03-29 A hilarious and reassuring gift for every mom: because we're all doing the best we can, and the natural world is filled with moms worse than you! A mom giraffe is pretty nice until the fetus drops. She'll birth a newborn baby calf, then kick him 'til he walks. Whenever you feel guilty that you haven't cleaned the house: Sexton beetles raise their kids in a decomposing mouse. A koala mom will feed her kids her own poop. Yes, poop. Panda moms will abandon one twin because raising two is, well, just too much. And every now and then a cuddly little hamster mom will —yup— eat her newborn pups. These and other true facts from the animal kingdom offer a hilarious reality check on what constitutes “good parenting.” So, human mother, time to stop worrying about the job you're doing —because you're a great mom.

Vader, for instance: Oops! Forgot their bath time? Mess up a mid-day snack? Better than a cauterizing light saber attack. **Instagram Moms are Full of Sh\*t** Lesley Prosko,2024-05-27 Are you done with reels that show moms who make it look so easy when some mornings you don't even manage to get your hair brushed before taking your kids to school? Have you ever been mom-shamed for something you've done or haven't done for your children? Or have you—even unintentionally—mom shamed someone else? Are you tired of the unrealistic expectations of motherhood that is portrayed all over social media? The truth is, momming isn't about having it all figured out. No mom has it all figured out. Instagram Moms are Full of Sh!t, To Hell With Mom Shaming shows the honest, often chaotic, realities of being a mom, and knowing that in all the wonderful craziness, they are doing a great job! Writing from personal experience and input from other moms, Lesley Prosko, mother of two little ones, takes an in-depth look at some of the most common mom-shaming themes, considering cultural, generational, historical, and parenting style differences, including: • birth plans • breastfeeding vs formula • vaccinations • child sleep habits • working mom vs stay-at-home mom • exercising while pregnant • navigating screen time • and more Told with insight, humour, and sporadic sarcasm, this practical resource is designed to help real moms stop comparing themselves to other moms who want the world to think that every day is a great one—because those moms are full of sh!t.

**Map to the Stars** Jen Malone,2015-07-14 Can one down-to-earth girl plus a very famous boy and a whole lot of paparazzi ever add up to a perfect Hollywood ending? Seventeen-year-old Annie Shelton isn't sure why her mom thinks moving to Hollywood will allow them to escape the drama of their small-time life in Georgia, but she's along for the ride. When Annie's mom snags a gig as makeup artist to a teen movie idol and finagles a spot for Annie to accompany her on his European promotional tour, Annie's pretty sure she'll be fangirling over architectural sights rather than teen heartthrob Graham Cabot. But then of course she actually meets him. As Graham and Annie fall for each other in the most romantic cities in the world, Annie realizes that this turn of events may not be quite as glamorous as she thought. Instead of red carpets and celebrity couple names, they are navigating a minefield of keeping secrets from Graham's fans, overprotective assistant, stage

momager, and beefy bodyguard. And when the paparazzi make an appearance, Annie has to decide whether their love is worth the harsh glare of the flashbulb. Author Jen Malone draws on her real-life experiences as a movie studio publicist to bring you an insider peek at love, Hollywood-style. **Women and Gender** Janice D. Yoder, 1999 Well-grounded in research, this accessible book presents psychology as it has been transformed and is being transformed by women. It discusses the changes that a feminist vision of psychology has made in everything from the methods used to the topics studied. With its solid grounding in contemporary feminist scholarship, this book focuses on important issues such as violence against women, health psychology, work-family balance, development across the life-course, and sexist discrimination. Written to be reader-friendly, the book weaves a cohesive story that delivers its main points in a clear and straightforward manner. And, rather than separating women's experiences by stereotyped subgroups, this book integrates the diversity of women's experiences to present as inclusive a picture as possible of women and women's lives. An essential reference on feminist influence in psychology for every professional in psychology and sociology.

**Dating Dr. Dil** Nisha Sharma, 2022-03-15 Nisha Sharma's *Dating Dr. Dil* is what would happen if you put all my favorite romantic comedy tropes into a blender: a frothy, snarky, hilarious treat with a gooey, heartwarming center. The perfect addition to any rom-com lover's shelf. —Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation* Nisha Sharma's new romantic comedy features enemies to lovers, a cast of best friends, and a gaggle of aunties determined to make a match. Hi! I'm Kareena Mann. As cheesy as it sounds, I'm looking for my soulmate. In four months. And he must gain the approval of my meddling aunties. Kareena dreams of having a perfect love story like her parents did. That's why on the morning of her thirtieth birthday, she's decided to suit up and enter the dating arena. When her widowed father announces he's retiring and selling their home after her sister's engagement party, Kareena makes a deal with him. If she can find her soulmate by the date of the party, he'll gift her the house, and she'll be able to keep her mother's legacy alive. Hi, I'm Dr. Prem Verma, host of the *Dr. Dil Show*. Prem means love, Dil means heart, and I'm a cardiologist. Don't let my name fool you. I only fix broken hearts in the literal sense. Prem doesn't have time for romance, which is why it's no surprise when his first meeting with Kareena goes awry. Their second encounter is worse when their on-air debate about love goes viral. Now Prem's largest community center donor is backing out because Prem's reputation as a heart-health expert is at risk. To get back in his donor's good graces, he needs to fix his image fast, and dating Kareena is his only option. Even though they have warring interests, the more time Prem spends with Kareena, the more he thinks she's might actually be the woman he wants to spend the rest of his life with. In this *Taming of the Shrew* re-imagination, for Prem and Kareena to find their happily ever after, they must admit that hate has turned into fate. "Bursting with character, spicy tension and laughs, *Dating Dr. Dil* is the enemies to lovers dream book!" —Tessa Bailey, New York Times bestselling author of *It Happened One Summer*

**There Are Dads Way Worse Than You** Glenn Boozan, 2024-04-02 Remind dad that he's doing a great job (at least compared to the likes of pop culture and historical dads, like Darth Vader and Pharaoh Akhenaten) with this perfect gift for every father from the New York Times bestselling author of *There Are Moms Way Worse Than You*. Following up on the success of Glenn Boozan's viral gift book, *There Are Moms Way Worse Than You: Irrefutable Proof that You Are Indeed a Fantastic Parent*, the dad's companion book sets out to prove to dads all over the world that, however bad they think they are at parenting, there are dads way worse. While *Moms Way Worse* highlighted creatures across the animal kingdom who are terrible at parenting, *Dads Way Worse* showcases fictional dads (and their parenting failures) across history and in popular culture. What dad would think he's doing poorly when compared to Jack from *The Shining*, Tywin Lannister from *Game of Thrones*, or...Walter White from *Breaking Bad*? It's fine if at a barbecue, your "Grill Dad" skills are green As long as what you're cooking isn't methamphetamine! Or Darth Vader: Oops! Forgot their bathtime? Mess up a mid-day snack? Better than

a cauterizing light saber attack. The pages include plenty of Easter eggs for the true pop-culture nerds and history buffs, plus an informative and hilarious appendix that expands on the faults and foibles of the dads featured within. Boozan's rhymed couplets, paired with Witte's clever illustrations, make *There Are Dads Way Worse Than You* the perfect gift for fathers with a great sense of humor and a penchant for pop culture. You might not make the Guinness Book for parenting the best— But even so, your kid believes you're better than the rest.

**The Real Life Diary of a Boomtown Girl** David Breskin,1989 Randi Bruce, narrator and heroine of this raw, sometimes raunchy, first novel, works in a coal mine in Gillette, Wyo. She can drive a truck or work a drilling rig as well as any man, and her true grit helps her endure sexual harassment from co-workers, whiplash caused by an on-the-job accident, a jealous husband and her combative parents, who may be breaking up. When the pressures become too great, she goes on a vengeful bulldozer rampage through town, but basically, she's cool, resourceful, plucky and nobody's fool. Written in a highly colloquial, slangy style, this boomtown tale of the recession-hit heartland evokes a world of saloons, cocaine snorting, hot tubs, waterbeds, rock 'n' roll dances and pinball. The early chapters sketch in Randi's girlhood in a trailer camp and as a water-skiing champ. Diary entries from her three work-shifts, intermixed with the narrative, record her bizarre dreams, a barometer of her anxieties and wishes--Publishers Weekly.
