The Infinite Moment of Us Lauren Myracle,2013-08-27 For as long as she can remember, Wren Gray's goal has been to please her parents. But as high school graduation nears, so does an uncomfortable realization: Pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn't even know what they are? Charlie Parker, on the other hand, is painfully aware of his heart's desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a girl like Wren would never fall for a guy like Charlie—at least not the sort of guy Charlie believes himself to be. And yet certain things are written in the stars. And in the summer after high school, Wren and Charlie's souls will collide. But souls are complicated, as are the bodies that house them . . . Sexy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction's greatest writers. Praise for *The Infinite Moment of Us* **STARRED REVIEW** The scenes of sexual intimacy are described with innocently erotic frankness, offering an ideal (if not idealized) model for readers on the cusp; this is *Forever...* for a new generation, offering character depth Cath and Michael never achieved. Summer love has never been so good. —Kirkus Reviews, starred review In contrast to unhealthy depictions of sex and relationships that teenagers (and adults) are often exposed to in media and entertainment, Myracle offers up a passionate romance built on a bedrock of love, respect, and trust. And it's difficult to see that as a bad thing. —Publishers Weekly Two mature recent high school graduates fall in love and bring out the best in each other in Lauren Myracle's thoughtful exploration of an intimate relationship...the relationship between Wren and Charlie always remains realistic and involving. —Shelf Awareness This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love with the main characters. Myracle expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another. —School Library Journal The single-focus intensity of Wren and Charlie's feelings is spot-on for the age group... chapters move between both their perspectives as they grow into the relationship, offering readers of both sexes a rather compelling example of the how-to's of intimacy. —The Bulletin of The Center for Children's Books

There's No Place Like Home Mary Larmoyeux,Ethan Pope,2001 Some statistics show that as many as 70 percent of

working mothers want to be stay-at-home moms. Larmoyeux and Pope have written the book that can give the encouragement and financial advice to make the dream a reality. Each chapter includes a case study of a mother who desires to become a stay-at-home mom and addresses such topics as home schooling and home-based careers.

Stories of Great National Songs Nicholas Smith, 1899

In the Company of Others Nancy E. Snow, 1996 Political and public debate recently has centered on issues of community, family and culture. What are the boundaries of community, and why is community important? What constitutes a family, and is it the fundamental unit of a stable society? What difference does feminism make in our lives and in society? How do racial and cultural minorities affect culture as a whole? In the Company of Others brings together new and previously published essays by nine distinguished philosophers, who argue these questions from a variety of perspectives. Presenting traditional and non-traditional approaches, their essays challenge and refine recent thinking on issues of contemporary social and political importance.

Winchell Mink Steve Young, 2004-05-04 All he wanted was to experience life (whatever that means) -- and now he's trapped on a high and dangerous cliff with only his pet turtle, Hannibal, around to help! Fortunately, Hannibal is one of the Great Mystical Turtles of the Tortoiseaic Period. Thanks to Hannibal's bizarre powers, Winchell finds himself time-hopping and body-morphing with baseball-playing dinosaurs, on trial for his life in a courtroom full of dancing tortoises, and fighting off bullies along with the appropriately nicknamed Bobby Plungerbutt. Can Winchell survive all these encounters and still manage to get home in time for apple pie? Only author Steve Young knows for sure! But whatever happens, just don't expect

Winchell's story to be like any you've ever read before. Unless, of course, you've read Winchell's story before.
