**Under a Gilded Moon** Joy Jordan-Lake, 2020-10-27 *Crawdads* meets the *Crawleys*... Threaded through with a meticulously researched, well-crafted mystery, this is historical fiction at its best. --Fiona Davis, nationally bestselling author of *The Lions of Fifth Avenue* From the bestselling author of *A Tangled Mercy* comes an enthralling novel of secrets, a tumultuous war of ideas, and murder as classes collide in the shadow of Biltmore House. Biltmore House, a palatial mansion being built by the Vanderbilts, American royalty, is in its final stages of construction in North Carolina. The country's grandest example of privilege, it symbolizes the aspirations of its owner and the dreams of a girl, just as driven, who lives in its shadow. Kerry MacGregor's future is derailed when, after two years in college in New York City, family obligations call her home to the beautiful Appalachians. She is determined to distance herself from the opulence she sees rising in the Blue Ridge Mountains, however close its reach. Her family's land is among the last pieces required to complete the Biltmore Estate. But something more powerful than an ambitious Vanderbilt heir could change Kerry's fate as, one by one, more outsiders descend on the changing landscape--a fugitive from Sicily, a reporter chasing a groundbreaking story, a debutante tainted by scandal, and a conservationist prepared to put anyone at risk to stoke the resentment of the locals. As Kerry finds herself caught in a war between wealth and poverty, innocence and corruption, she must navigate not only her own pride and desperation to survive but also the temptations of fortune and the men who control it.

**A Bend of Light** Joy Jordan-Lake, 2022-09-06 A quiet coastal village in post-World War II America is shaken when the secrets of the past and present collide in a riveting novel by the bestselling author of *Under a Gilded Moon*. Five years after the war, Amie Stilwell, a photo interpreter for an Allied unit in England, returns to her hometown in Maine. Jobless and discouraged but stubbornly resourceful, she's starting over in the same coastal village where her life once went so wrong. Waiting for her is Shibby Travis, the surrogate mother with whom Amie never lost touch. But the unexpected also awaits... A silent, abandoned boy is found with a note from a stranger pleading that he be watched over. Amie and Shibby take him in, but the mysteries multiply when a Boston socialite is found dead in a nearby barn and an old friend, believed to be a casualty of war, suddenly reappears. Trained to see what others cannot, to scan for clues, and to expose enemies, Amie uses her skills to protect a child, solve a crime, and find the motive behind a veteran's masquerade. But through the hazy filter of a town's secrets, Amie must also confront her own painful past.

**Under the Moonlit Masquerade** OJ LEIGH, 2023-09-14 In the enchanting world of Regency-era England, where the opulence of high society entwines with the constraints of societal roles, lies a tale of hidden desires and forbidden romance. Welcome to 'Under the Moonlit Masquerade,' a captivating story that unfolds against the backdrop of an elegant masked ball, where secrets are cloaked beneath elaborate disguises and true identities remain shrouded in mystery. Our protagonist, Lady Elora, is a reluctant debutante weighed down by the expectations of her aristocratic lineage. Longing for a taste of freedom beyond her gilded cage, Elora finds herself drawn to a tantalizing proposition: a masked ball, an event that promises to whisk her away from the suffocating confines of her societal role. As she steps into the realm of anonymity, Elora transforms into an alluring stranger, liberated from the stifling expectations of her family and the watchful eyes of high society. Under the magical moonlit sky, she encounters a mysterious masked stranger equally determined to keep his true identity veiled from the world. Amidst the swirling dance of masks and emotions, a forbidden romance blooms, blurring the lines between duty and desire. As Elora and her masked companion share stolen moments under the moon's tender gaze, they find themselves irresistibly drawn to each other, their connection deepening with each passing heartbeat. But society's watchful eye is unyielding, and the risks they take threaten to expose their clandestine love, subjecting them to judgment, scandal, and shattered expectations. Faced with the disapproval of family, the whispering censure of gossiping elites, and the persistent pursuit of a jealous suitor, Elora and her masked love must navigate treacherous waters to keep their forbidden romance alive. As the clock strikes midnight, the masquerade draws to a close, and Elora must make a choice: abandon her heart's desires and return to the confines of society's expectations, or take a daring leap and embrace love, no matter the

consequences. Join us on this mesmerizing journey as we delve into the delicate dance between duty and desire, the beauty of love's unyielding spirit, and the transformative power of the moonlit masquerade. Will Elora and her masked stranger find the strength to defy norms and seize their chance at happiness, or will they be forever bound by the constraints of society's dictates? Find out as the pages turn, revealing a tale that captures your heart and leaves you yearning for love under the moonlit masquerade.

Echoes of Us Joy Jordan-Lake,2024-10-08 From the bestselling author of *Under a Gilded Moon* comes the soaring story of an unlikely friendship of three men and one extraordinary woman and the legacy they built--if their own secrets don't destroy it. In the midst of World War II, a Tennessee farm boy, a Jewish Cambridge student, and a German POW forge a connection that endures--against all odds. But now everything that Will Dobbins, Dov Silverberg, and Hans Hessler fought for is at risk as their descendants clash for control of the corporation they founded together. In an attempt to remake its tattered corporate image, the firm hires event planner Hadley Jacks and her sister Kitzie to organize a reunion for the families on St. Simons Island, Georgia, the place that changed all three men's lives forever. As Hadley and her sister delve into the friends' past, they uncover the life of the courageous young woman who links them all together...and the old wounds that could tear everything apart. Told in dual timelines spanning World War II and the present, *Echoes of Us* follows the ripple effects of war, the bonds that outlast it, and the hope that ultimately carries us forward.

**With the Kama Sutra Under My Arm** Trisha Bernard,2008 What do you do when your boyfriend dumps you and you're nursing a broken heart? For Trisha Bernard, the answer's clear: escape to India, armed with a copy of the Kama Sutra. That way you'll be ready should love (or lust) strike. But, as Bernard explains in her uproarious account of that madcap adventure, not everything goes quite as planned. At the last minute, she's joined by her long-lost friend Sally--an eccentric shopaholic who travels with a jam-packed monster suitcase. Then, there's India itself, where the two women end up almost marooned in the Thar Desert, practically camel-napped in Rajasthan, and attacked by an amorous monkey in Delhi. And that's just the beginning.... With her ardor for architecture and history, and her Kama Sutra to inspire passion, Trisha Bernard leads us on a wacky, witty, and wonderful romp through one of the world's most fascinating cultures.
