Call Me Babagbose Damola Taiwo, 2013-05-23 My new book tells us how the animal affects one's nature (atmospheric condition). These animals are the termites, insects, bees, ants, spiders, etc. The actual name I used for my main character is known as Baba Bose. However, I decided to combine the words together and I added the letter G to the name to make it more unique. It's a great native African name if not changed or combined. It's a masculine name: Baba. Baba means father or a big man (Baba O). Bose is a feminine name. For example: Baba Bose (The Father of Bose). However, it varies on how it is used. ABOUT THE CHARACTER: Babagbose has that characteristics of having pride and appreciation towards whatever comes around him. Although, he went through so many consequences and that made him stronger to withstand what was around him. However, he wasn't able to face everything that he encountered. He was getting familiar with the creative

environment.
