101 Weapons of Spiritual Warfare Dr. D. K. Olukoya,2013-12-10 101 Weapons of Spiritual Warfare Never in the history of the world has there been an era of war, both physical and spiritual, like this era. This is a tougher era of warfare. More people are under bondage now, more than in any other period of human history. There are cases of deep bondage, uncommon attacks against the family and horrendous occurrences in the lives of individuals. The devil has wreaked a lot of havoc upon humanity. The bible has described in vivid terms that God is aware of the high state of demonic hostilities. Hence the Holy Spirit has released the prophetic revelations in this book in order to place us in good stead for a unique role in this end times. This manual is the first of its kind. This is the apex of deliverance. We are the threshold of a revival of spiritual warfare. The sweeping and the far reaching effect shall be best described as awesome!

Bridging Over with Guidance Nancy Wiltgen,2012-04 Like many of us, author Nancy Wiltgen learned to recite prayers as a child, prayers that stayed with her into adulthood. Then one day, worried about her daughter, Nancy prayed, unaware that she was about to start an amazing journey that would change her life forever. Mary began coming to her in beautiful visions

and calling her name even as Nancy worked her factory job. Confused, yet drawn to the images and Mary's voice, Nancy started reading the Bible, where she discovered that although she had talked to God, she'd never learned to be still and listen to him. Written as a dialogue between herself and God, *Bridging Over with Guidance* is the story of Nancy's spiritual transformation, with insights that will speak to the heart of anyone seeking a deeper relationship with God. She is unafraid to ask him questions: Why did she have visions of Mary, and why did she stop having them? Why were certain people in her life? What was the reason behind some of the painful circumstances in the prayer group she attended? What's more, she has learned to listen to his answers. From her newfound awareness of Satan's attempts to interfere with her life to learning to cope with people's discomfort with and disapproval of her new spirituality, Nancy's path has led her to places she never anticipated. *Bridging Over with Guidance* is about the experience of one woman's discovery of the bridge between the spiritual world and everyday life.

50+: The Emerging Joshua and Caleb Generation John Boneck, 2013-04-01 You're 50 or more. You were ignited by God years ago. And you're not about to give up. You are like Joshua and Caleb who declared that with God's help they could conquer God's enemies and enter the Promised Land, even when others didn't. God has placed promises in your heart. You know there is more. Even if you've walked through wilderness experiences, you will not die in the wilderness. This book is written with you in mind. Our generation is about to step into the fullness of God's time. Like Caleb, we will get our mountain. Like Joshua, we as spiritual fathers and mothers (whether married or single) will lead others, including the next generation, into the land of God's promise. This book will reignite and equip you for your future. Walk out God's powerful purposes for you. Your best years are ahead.

War and the Making of Medieval Monastic Culture Katherine Allen Smith, 2013-09-19 Finalist for AAH First Book Prize The monastic life, traditionally considered as an area of withdrawal from the world, is here shown to be shaped by metaphors of war, and to be actively engaged with battle in the world outside. An extremely interesting and important book... makes an important contribution to the history of medieval monastic spirituality in a formative period, whilst also fitting into wider debates on the origins, development and impact of ideas on crusading and holy war. Dr William Purkis, University of Birmingham Monastic culture has generally been seen as set apart from the medieval battlefield, as those who prayed were set apart from those who fought. However, in this first study of the place of war within medieval monastic culture, the author shows the limitations of this division. Through a wide reading of Latin sermons, letters, and hagiography, she identifies a monastic language of war that presented the monk as the archetypal soldier of Christ and his life of prayer as a continuous

combat with the devil: indeed, monks' claims to supremacy on the spiritual battlefield grew even louder as Church leaders extended the title of soldier of Christ to lay knights and crusaders. So, while medieval monasteries have traditionally been portrayed as peaceful sanctuaries in a violent world, here the author demonstrates that monastic identity was negotiated through real and imaginary encounters with war, and that the concept of spiritual warfare informed virtually every aspect of life in the cloister. It thus breaks new ground in the history of European attitudes toward warfare and warriors in the age of the papal reform movement and the early crusades. Katherine Allen Smith is Assistant Professor of History, University of Puget Sound.

The Warrior's Weapons Uwakwe Christian Chukwu, 2019-06-20 Never in the history of mankind has there been an era of war like ours. We could smell war in the air. While the media reminds us of physical wars, the struggles we go through every day remind us of spiritual wars. We live in a spiritually hostile environment that desires to make the earth a planet of death. In a sense, it seems that there is an outbreak of demonic hostilities. The enemy's weapons are spiritual. These spiritual weapons are highly advanced weapons, and their apocalyptic capabilities are beyond human imagination! Now that we know that we are at war, so what? What are we going to do about it? If we are to survive these trying times in which we live, it is imperative that we learn how to effectively use the weapons of warfare against the devil and his companions. The enemy's weapons are no match at all to the weapons of God's Warriors. Our God-given weapons of warfare are infinitely more powerful than the enemy's. Unfortunately, one of the tragedies of our time is that so many Christians either don't know their weapons of spiritual warfare or have dropped those weapons of warfare. In this book, *The Warrior's Weapons*, you have everything you need to become armed and dangerous against every adversary that threatens you, your destiny, and the destinies of your loved ones. The book presents strategic weapons in our spiritual arsenal and how they are to be used against the kingdom of darkness. The book is a pack of spiritual knowledge and warfare prayers needed to keep you from drowning in the sea of affliction. Get this book for yourself, your children, and your friends!

WEAPONS OF SPIRITUAL WARFARE: Walking in Spiritual Victory Emmanuel Manyeza,2012-01-13 Our Father in Heaven, has given us many weapons to fight the enemy with. It is up to us then, to pick up these weapons and learn how to use them effectively. If we, however follow our natural tendency and wait for a crisis to pick up our weapons, our lack of skill is likely to be exposed in great defeat. Our enemy is a highly skilled adversary. Satan and his demons are experienced veterans, having waged war on mankind for thousands of years. They surely know our weaknesses and how best to exploit them. God calls us to be good warriors, trained and skillful in using the weapons He has given us. This book is designed to give you a godly perspective on the spiritual war that is being waged around us - The battle between God and Satan, (good & evil), and the whole armor of God at our disposal, that we can use to fight back and win. Evil can only be resisted through the power and authority of the Cross, which is the central call of the gospel. You will never go the same way you came, after reading this book.

Show Them No Mercy C. S. Cowles,Eugene H. Merrill,Daniel L. Gard,Tremper Longman III,2010-06-01 Did God condone genocide in the Old Testament? How do Christians harmonize the warrior God of Israel with the God of love incarnate in Jesus? Christians are often shocked to read that Yahweh, the God of the Israelites, commanded the total destruction--all men, women, and children--of the ethnic group known as the Canaanites. This seems to contradict Jesus' command in the New Testament to love your enemies and do good to all people. How can Yahweh be the same God as the Father of our Lord Jesus Christ? What does genocide in the Bible have to do with the politics of the 21st century? *Show Them No Mercy* explores the Old Testament command of God to exterminate the Canaanite population and what that implies about continuity between the Old and New Testaments. The four views presented are: Strong Discontinuity - emphasizes the strong tension, regarding violence, between the two main texts of the Bible (C.S. Cowles) Moderate Discontinuity - provides a justification of God's actions in the Old Testament with strong emphasis on exegesis (Eugene H. Merrill) Eschatological Continuity - a reading of the warfare narratives that ties them contextually to the book of Revelation and the Second Coming (Daniel L. Gard) Spiritual

Continuity – incorporates the genocidal account into the full picture of the Old and New Testaments (Tremper Longman III) The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.
