**Raymond Sturgis**

**Act Like a Lady, Think Like a Man LP** Steve Harvey, 2010-06-01 Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the Strawberry Letters segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships.

*Act Like a Lady, Think Like a Man: a Summary of Steve Harvey's Book* Steve Harvey, 2014-01-09 Time Saving Summaries Presents Steve Harvey's *Act Like a Lady, Think Like a Man* In Steve Harvey's years on the radio talking to women, he discovered that women didn't really know what makes a man tick. Sometimes it's best to go to the source to get the answers behind relationships from a real man instead of getting it from your girlfriends. After all only men can tell you what they actually think about love and want out of relationships and marriage. Steve Harvey compiled his insights from his years on his radio show answering women's questions and talking to his many male friends. These insights include... \* Knowing a man's game plan, maybe even better than they do. \* Know how men think, and what men really want and need. \* The 3 things every man needs. \* How to make sure you are a keeper, not a sports fish that he will just throw back. \* Why men cheat. \* The 5 questions every woman should ask before she gets in too deep. \* The 90 day rule. \* How to get the ring. \* And much more... With this time saving book summary of Steve Harvey's *Act Like a Lady, Think Like a Man* you will understand men better, and how they think when it comes to relationships.

**Act Like a Lady, Think Like a Man, Expanded Edition** Steve Harvey, 2014-06-03 The #1 New York Times smash bestseller Revised and expanded with new material. With over two million copies sold, *Act Like a Lady, Think Like a Man* has become a bestseller around the world. In conjunction with its second movie sequel to be released this summer, Steve Harvey has updated his classic with new advice and insights. Whether it's why women should enforce a "90-Day Probation Period"

before they give their men sexual “benefits”—the way Ford motor company withholds medical and dental benefits until an employee has been on the job for 3 months—or explaining to women why men would rather “fix it” than talk about it, Steve Harvey’s advice is always spot-on and laden with warmth and humor. But behind the laughter is his sincere desire to help women understand men. Now, Steve shares even more relationship wisdom. Does it feel like your man’s friends are against you? What should you know about being a wife, before you say “I Do”? Steve provides the answers to these questions and more, and offers new insights including: How to put spice into your relationship 8 sure-fire ways to keep your cool when his “ex” shows up A test for you and your partner, to see if you’re actually ready for marriage. . . or need more time A 90-day abstinence calendar, and tips for making it through this important trial period With liberal use of his own adventures in love and courtship, *Act Like a Lady, Think Like a Man* is an honest, compelling, and realistic examination of how men think about love and sex and what women need to know so that they can set realistic expectations of the men in their life.

**ACT Like a Gentleman, Think Like a Woman** Maria Bustillos, 2009-08-24 Writing in response to Steve Harvey's 'Act Like a Lady, Think Like a Man,' author Maria Bustillos reveals the secrets of women in order that men, too, can get what they

want from women--which is to get them into bed. An absurdist meditation on the battle of the sexes--and required reading for would-be Lotharios as well as parents of teenage girls--from the author of *Dorkismo: the Macho of the Dork*.

Think Like a Man Linda Porter Harrison, 2011-06-09 Think Like a Man and here's a thought: Start Acting Like a Man The 25 mistakes men make that prevent them from finding and keeping true love This is the perfect companion book to Steve Harvey's book *Act Like a Lady*. There are hundreds of books written for women on how to find a man. Yet, very few books that address the critical things that men do or don't do that prevent relationships from thriving and going to the next level. One of my personal goals is to promote marriage, and to help people stay in love. When Steve Harvey wrote the book *Act Like a Lady*, *Think Like a Man*, millions of women flocked to purchase a book that was going to show them how to get a man. To be perfectly honest with you, I didn't realize the magnitude of how naive we were as women when it came to men. However, I was equally disturbed by the fact that no one was addressing what men needed to do to rectify this relationship thing. Relationships don't simply fail because of women; men play a vital role too. I could have easily written one hundred mistakes that men make, but I chose to focus on the twenty-five mistakes that I hear repeatedly from married and single women. It is my hope, that this book will cultivate a more balanced conversation between men and women. More importantly, that this book will shed some light for men on their own relationships and that they will begin to take the necessary steps to foster and create the ultimate love.

*Act Like a Man , Think Like a Lady* Prophet - King Muhammad, 2016-11-18 This book is the sequel to comedian Steve Harvey's Bestseller *Act Like A Lady , Think Like A Man* . But unlike Steve Harvey's book , this book gives a male interpretation of a female perspective on life , love , pain and relationships.

**Act Like a Man** Cedrick Brown, 2013-10 The book *Act Like a Man: Woman, Can You Help Me?* by Cedrick Brown unmistakably and intimately reiterates in a fresh way the words of the Apostle Paul found in 1 Corinthians 16:13-14 Be on the alert, stand firm in the faith, act like men, be strong. Let all that you do be done in love. The three words: act like men found in the above passage of Scripture are strong, weighty, and pack a potentially offensive statement. Nevertheless, these explosive words could, should ignite a sense of responsibility within the heart of every man across the planet, or at least in the heart of you, the reader. *Act Like a Man: Woman, Can You Help Me?* like the three words: act like men was not written to scold the men of this age or to reprimand the American male or to shame men around the world into action. May I say, that it was inspired by God, put to paper through the pen called man to perpetually communicate an intentional message to men alone. This book will be guaranteed to sound an alarm within the heart of every man that reverberates throughout generations.

**Act Like a Lady, Do Not Think Like a Man** Raymond Sturgis, 2011-12-20 (REVISED EDITION ) Love is a beautiful gift that many people search for a lifetime to experience. However, the hardship and disappointment in relationships and marriage lead them down roads that stymie their ability to attain love. The fame comedian Steve Harvey wrote the book *ACT LIKE A LADY, THINK LIKE A MAN*, and his book and movie did not prove why women should think like men. However, it revealed the obvious, that when women tried to think like men, they lost their individuality and wisdom, which invigorate their quality. This book is not a direct attack of the validity of the fame comedian; however, it is Raymond Sturgis continuation of the conversation, why should women think like a man? Moreover, women success in education, medicine and entrepreneurship is a valid indication that they achieve their success independent of what men think of them. Therefore, I

submit to you, realistic analogies of why women should ACT LIKE LADY, and continue to make the world respect them for their intelligence and ability to transform this world. From faith, self-esteem, and intimacy, marriages and relationships can and will be empowered by the information in this book that evoke quality reasons why women would not be thought of inferior if they continue to think like themselves.

Act Like a Man, Think Like a Lady Should April Joy Smith, 2017-06-22 *Act Like a Man, Think like a Lady Should*, is everything men need to know about the thoughts, feelings, and desires of women.
