Emily Garside

Best Wishes, Warmest Regards Daniel Levy, 2021

Time Being Oni Buchanan, 2020-10-15 As time beings, what we have is the time being, the present moment, however compromised, however shattered. Buchanan's characteristic combination of wry humor, nerve, empathy, wisdom, and outrage exposes the laughably absurd and the evisceratingly tragic all at once.

You Are My Happy Ending Emily Garside, 2024-01-15 From the show's modest beginnings to its massive Emmy sweep, *You Are My Happy Ending* tells the story of how *Schitt's Creek* became the surprise hit that changed the way we think about LGBTQ relationships. Cultural analyst Emily Garside shows how this series fused classic romcom and sitcom tropes to create a world with a queer love story at its core, starting with Daniel Levy, the co-creator who plays David. She examines the show's Canadian identity and its diverse incorporation of references from literature (*Brideshead Revisited*) to cinema (Hitchcock's *The Birds*), as well as numerous romantic comedy texts. *Schitt's Creek* is an homage to all these elements of the past literary and cinematic canon while also creating an important contemporary narrative of its own. Most importantly, Garside delves into the references to queer icons and culture—from Cabaret to drag. How did this supposedly light comedy embrace an activist perspective? And how does it use (and subvert) its romantic-comedy genre in order to make that activism even more powerful? Combining a fan's affection with a scholar's insight, Garside explains how this “little show that could” is the product of a long history of queer activism, breaking down barriers and marking a turning point in future representation of LGBTQ stories.

Best Wishes, Warmest Regards Williams Patrick, 2021

Class, Identity, and Finding the Right Wine in Schitt's Creek Nikki Anderson, Kellie Deys, James Deys, 2024-04-08 Following its meteoric rise, the Emmy award-winning series *Schitt's Creek* (2015-2020) has become a cultural force with its catchphrases and meme-able moments. In *Class, Identity, and Finding the Right Wine in Schitt's Creek: A Place To Love*, contributors focus on three central themes explored in the series: love, place, and identity. While considering the intersections of these themes, chapters analyze the representation of class, sexuality, community, self-growth, fashion, and fans, putting the show in dialogue with classic literature from Thomas Hardy and Charles Dickens, as well as contextualizing it alongside its television peers and predecessors. The book argues that *Schitt's Creek*, at its core, derives its power and

impact from telling the story of a family whose members reconnect with each other while discovering their own individual selfhoods in the process. Employing philosophical and psychological interpretations, engaging with fan studies, trauma theory, and place studies, and applying feminist and queer readings, chapters offer a variety of lenses through which to read the show. Ultimately, the book argues that Schitt's Creek's inclusive ideologies and strongly formed characters encourage a process of self-growth and acceptance with an emotional and intellectual depth that recognizes the value of self and community.

With graduation quickly approaching Lily is worried that she's somehow missed out on the fun of being in high school. So, when she receives a mysterious note inviting her to join the anonymous senior class Jester in executing the end-of-year prank, Lily sees her chance to put her goody-two-shoes reputation behind her. When Lily realizes the Jester is none other than Taggart Swell, her ex-boyfriend, she's already in too deep to back out. Lily might've dumped Tag, but she still has major feelings. Plus, his brilliant plan to steal the school's yearbooks, targets none other than Lily's prom date: the Senior Class President, Daniel. As the group of pranksters hide cryptic clues across campus

for Daniel to find, Lily and Tag find themselves in close quarters. As the exes dodge Campus Safety guards, night owl teachers, a troop of freshmen, and even Daniel himself, new sparks fly.
