**Blood of My Brother** James Lepore, 2010 When Jay Cassio's best friend is murdered in a job clearly done by professionals, the walls that he has built to protect himself from the world of others begin to shatter. Dan Del Colliano had been his confidante and protector since the men were children on the savage streets of Newark, New Jersey. When Dan supports and revives Jay after Jay's parents die in a plane crash, their bond deepens to something beyond brotherhood, beyond blood. Now Jay, a successful lawyer, must find out why Dan died and find a way to seek justice for his murder. Isabel Perez has lived a life both tainted and charmed since she was a teenager in Mexico. She holds powerful sway over men and has even more powerful alliances with people no one should ever try to cross. She desperately wants her freedom from the chains these people have placed on her. When Jay catapults into her world, their connection is electric, their alliance is lethal, and their future is anything but certain. Once again, James LePore has given us a novel of passions, intense moral complexities, and irresistible thrills. Filled with characters you will embrace and characters you will fear, Blood of My Brother is a story about a quest for revenge and redemption you won't soon forget.

Blood of My Brother 5 Yusuf T woods, Isha fell to her knees knowing that he would call again for her even with the sound of his last breath still echoing in her ears. She thought there was no way her hero, husband, child's father and best friend could be gone. But he's so strong. she whispered when nothing came but the reality of his death she yelled. Soon you will all be deaaadd!!! The tears streaming down her face and shrills from her cries began to quiet for a brief moment as she uttered, I define Dro! So Roc without a doubt you will surely meet the definition of a man! 'Many chronicles of war are never told, for they are trapped within the minds of the dead men who carried them; but few to none there are some people who are strong enough to pick up where the dead left off to give the definition to what words could no longer explain...Vengeance.

Definitions of a Man picks up right where the Blood of My Brother IV ended with its own spin off Series (New Blood) as Isha plots the Destruction of an Empire.

**The Voice of My Brother's Blood** David Charles Craley,2014-07-01 A young man in despair cries out: Why cant I be gay and still be loved by God? And God replies: Yes you can! Yes you are! Once in a generation there comes a story so rare and beautiful that it changes peoples lives. The Voice of My Brothers Blood is such a story. David Shepherd is a picture of the perfect sonhandsome young teacher in an evangelical Christian ministry. Once caught up in the hedonistic gay lifestyle in San Francisco, David is convinced he has been changed by the will of God. Summoned to counsel a student who refuses to accept traditional Bible teaching on homosexuality, David knew from the moment he looked into the compelling brown eyes of Mark Ward that this defiant young man with the face of an angel would challenge everything he thought he believed. Together David and Mark find themselves swept up in a struggle for justice, searching for the strength to stand against a Goliath of religious bigotry. Liberally referencing the Bible as a weapon for truth, The Voice of My Brothers Blood is a story of adoration and conviction that jerks the sanctimonious foundation out from under religious intolerance.

David Charles Craley is a writer, editor and, for more than four decades, a researcher and teacher of the Bible. The Voice of My Brothers Blood: A Love Story is his third book. The first was The Hope of Glory: In Search of the Light (1979), and the second: The Secret to Holy Spirit Authority: In the Power of the Spirit (2011). He lives in Austin TX.

**In the Shadow of My Brother's Cold Blood** Walter David Hickock, Linda LeBert-Corbello, PhD, 2010-04-13 Dave Hickock never pulled the trigger of a gun or held a knife to murder another person, but he was sentenced to a lifetime of shame, ostracism, guilt, and psychological anguish because of the actions of one man his brother. On November 15, 1959, Richard Hickock drove to a bus station in Kansas City and picked up Perry Smith, a prison buddy. Together, they drove to Emporia, Kansas, and purchased rubber gloves, nylon cord, and black stockings. Before days end, four innocent members of the Clutter family in a town across the state of Kansas would have their throats slashed and Richard and his buddy would be arrested and charged with one of the most brutal and infamous murders ever. As the brother of a cold-blooded killer, Dave's life would never be the same. In this compelling narrative told to Linda LeBert-Corbello, Dave shares his journey from the depths of a family tragedy to how he eventually found the kind of inner-peace that accompanies acceptance of the truth and forgiveness. I do not just want to forget and live happily ever after. I want to be forgiven. David Hickock
