Green Cleaning Success. A Business Plan for TopGreen's Sustainable Growth and Financial Triumph in the Pandemic Era
Bandar Hezam, 2023-11-29 Project Report from the year 2022 in the subject Business economics - Company formation, Business Plans, grade: A, National University of Malaysia (Cyberjaya), course: MBA, language: English, abstract: The assignment within this paper is based on developing a business plan for a new company whereby adequate information is reviewed for further analysis on the organization's financial issues and the implementation of strategic decision-making in terms of analyzing the issues and coming up with financial projections by also looking into the strengths, weaknesses, opportunities, and threats. TopGreen is a green cleaning company still at its initial launching stage where the four founding partners grouped together based on their experiences, skills, and the passion for green services. Certainly, they could have evolved into different fields other than janitorial services. However, after careful consideration of all the ideas they could brainstorm and considering the importance of sanitization and hygiene pertaining from the Covid-19 pandemic, Green cleaning topped their list based on how motivated they were to expand their knowledge of green concept into realizing an idea which would not only help them financially but also be contributing to saving the planet. The business plan comprises listing the company's products and services as well as the marketing plan in place set by the team which consists of the chief executive officer, the chief operations officer, the chief finance officer, and the chief marketing officer. It is to be noted that TopGreen also has an employee headcount of around 10 members. The business plan also comprises a thorough analysis whereby the strengths, weaknesses, opportunities, and threats for and against the company have been evaluated, and

financial challenges have also been reviewed with possible solutions and implementations. The latter has also been backed by financial projections such as Income Statement, Balance sheets and Cash Flows such that it can be further demonstrated as to how TopGreen plans to strive in the competitive market.

The commercial cleaning business can be profitable, flexible, and can grow quickly, making it a great home business preference, if you key into the right path. Professional Cleaning Business has the tendency of lower up-front costs than other businesses, and this is one of the few businesses you can begin working on immediately with little capital investment and start making profit. This means that companies and other businesses need the service regularly, which brings in steady business for you as well as a secure, regular income. iv. Entry-Level Workforce: The good thing about it is that your employees don't need formal education or training, so you don't have to spend money on expensive training or recruiting costs. v. How to Start, Run and Grow a Successful Residential and Commercial Cleaning Busine Maria Carmen,2016-11-04 How to Start, Run and Grow a Successful Residential & Commercial Cleaning Business Hello, my name is Maria Carmen, and I have something important to tell you. I know you've probably heard these types of success stories

before and are a little skeptical, but I'm telling you this is true and can really happen for you. Ten years ago, after my divorce, I needed to find a way to support myself. I was one of those individuals that never went to college or had a trade skill, so there weren't a lot of job choices for me. What was I to do? I started looking into entry-level jobs that didn't require specialized training or skills. Unfortunately, I wasn't keen on the idea of working at a fast-food restaurant for minimum wage with limited potential for advancement or better pay. Then, I learned about house cleaning from a friend of mine. She used house cleaning as a way to supplement their family income. However, I realized the potential to grow this into something more. So I started taking on a few residential cleaning jobs, getting my name out there, and increasing my client list. I took the time to do some research and found a way to offer some specialized services that got me paid a little extra. Before I knew it, my client list was growing beyond what I could do by myself. So I started hiring employees. Then, I realized the importance of branching out and started to take on commercial contracts. Commercial cleaning turned out to be even more beneficial to my income than residential cleaning. Not only was I able to support myself with this work, but I was able to grow and thrive. Today, I have a company of my own with 22 employees. We take on both residential and commercial cleaning contracts. My income has grown to over \$250,000 a year now. I never dreamed a simple job to help pay the bills would grow into this, but it has. It takes a little bit of work, but the benefits are there to be had if you know what to do. I'm here to tell you what you need to do so you can have success, just like I did. In This Book, I Show You: How To Start on a Budget Should You Go With a Franchise or Independent The Basics of the Residential Cleaning Business The Basics of the Commercial Cleaning Business Skill You Will Need Your Income Potential for Residential Cleaning The Income Potential for Commercial Cleaning Specialized Cleaning Income Potential 12 Guided Steps to Getting Started With Residential Cleaning 10 Guided Steps to Getting Started With Commercial Cleaning Equipment You Will Need Safety First Considerations 11 Steps to Choosing the Right Cleaning Products 5 Types of Cleaners To Use Where to Buy Your Cleaning Supplies How to Form A Legal Entity for Your New Business How to Get Certified How to Set a Rate Structure How to offer Competitive Pricing How to Bid and Win Job Contracts How to Write a Commercial Job Proposal How to Get Your First Client How to Market Your New Business 6 Quickest Ways to Gain New Contracts Top 10 Safety Concerns How to Run and Grow Your Business A Day in the Life Inside a Cleaning Business Important Forms and Formats Included In This Book: A Sample Cleaning Service Agreement Contract Sample LLC Operating Agreement A Sample Business Plan Sample Employee Warning Letter Good luck!
