**D Kirk**

*Dear Henry, Love Edith* Becca Kinzer, 2023 After a short and difficult marriage, recently widowed Edith Sherman has learned her lesson. Forget love. Forget marriage. She plans to fill her thirties with adventure. As she awaits the final paperwork for a humanitarian trip to South Africa, she accepts a short-term nursing position in a small Midwestern town. Henry Hobbes only accepts Edith as a houseguest for the summer for the sake of his niece. He works days and Edith works nights, so most of their communication is through notes. By the time Henry realizes that Edith is the brown-eyed beauty he keeps bumping into around town, her departure is rapidly approaching. -- adapted from back cover

**Love in Tandem** Becca Kinzer, 2024-04 After a failed engagement and her mother's battle with cancer, Charlotte Carter's life is finally turning around now that she's landed a dream job teaching music. What she didn't see coming was the imminent closure of the school's music program. She's determined to save it, even if it means getting creative. There's no way she's chalking this up as just another failure in her book of recent embarrassments. Zach Bryant is back in town just long enough to see his brother Ben get married and then he's off traveling the world again. He never imagined he'd run into Charlotte Carter, his brother's ex-fiancée, or that everyone would believe he and Charlotte are an item. He certainly didn't dream he'd end up riding a tandem bicycle hundreds of miles with her in an attempt to raise funds for a defunct music program, but how can he say no when the prize money would help him out of his financial predicament too? Charlotte is sure she can set aside her differences with Zach long enough to cross the finish line and win the giant cash prize... can't she? A few hundred miles in, she's questioning her deeply held assumptions about Zach and wondering if maybe tandem biking is only the start of their biggest adventure yet--

*First Love, Second Draft* Becca Kinzer, 2025-04-15 She's a romance writer burned out on love. He's her famous baseball star ex-husband. The last man she wants to be forced to work with is the one who broke her heart. Rom-com writer Gracie Parker hasn't written a bestseller since she and her husband, a major league baseball star, divorced five years ago. On thin ice with her publisher--and with a looming deadline--Gracie couldn't have picked a worse time for a painful injury that has her flat on her back. At this point, she'd accept help from anybody . . . except her first love and ex-husband, Noah Parker. The baseball season has just ended in massive disappointment for Noah. He's facing the stark reality that he gave up everything for a career that's let him down and that it might be too late to get back the one person he should've held on to. So when

Gracie's nephew calls, saying Gracie's looking for a tenant for her next-door rental, it feels like it's meant to be. All Gracie cares about is turning in her manuscript on time, which is directly at odds with Noah's attempts to win her back, even if she is slightly charmed by his kindness. But can people ever really change? Then Noah throws a curveball that could give Gracie the extension she needs, but it will mean working directly with Noah, something she's not sure she can face. With no other choice, and everything on the line, Gracie must decide if it is too late for a second draft of their own love story. Sweet second chance romantic comedy Clean, stand-alone sports romance novel Themes of redemption Bookish heroine Baseball star hero Includes discussion questions for book clubs

**Fiancé Finale** Angela Ruth Strong, 2024-10-22 Charlie Newberg is sure about one thing: Nicole Lemaire is the woman God wants him to marry. There's a slight problem, though—he's already left her once. The day before their wedding. To make a documentary. But he's got a plan. The marketing firm she works for is the ideal choice for promoting his new film. Collaborating will give him the perfect chance to propose again, so he conspires with her boss to make sure she runs the campaign for the same kind of documentary Charlie left her—basically at the altar—for. Despite Nicole's resistance, the two work well together. But Charlie's going to need more than teamwork to convince the jilted bride to give him a second chance. In fact, he might need to fall in love in a way he's never really understood.

Hero Debut Angela Ruth Strong, 2023-08-29 Another sparkling feel-good romance, brimming with perfect doses of heart and heat!-- Bethany Turner, award-winning author of *The Do-Over* Gemma Bennett is the leading lady of her own life, and her true love is writing screenplays. With her trusty pink notebook in hand, she signs up for the Citizen's Safety Academy to research her newest blockbuster hope, a rom-com with a police officer as the hero. And the fact that the handsome and heroic Lieutenant Karson Zellner is the one leading the training? Well, who can blame her for wanting to spend evenings with the man she swooned over months ago when he responded to a call at her apartment? Karson already has his fair share of problems before Gemma shows up, and he's not exactly a fan of the ditzy blonde who can't seem to stay out of trouble. The last thing he needs is a damsel in distress to rescue; there are plenty of people in real need of his help. The fact that she seems to think his job makes him a superhero is just one more strike against her. This isn't a movie, and he feels like the furthest thing from a leading man. Gemma can't seem to stop doing the worst, most embarrassing things at just the wrong time. And as time goes on, Gemma begins to realize that the scripts for a perfect screenplay and a real-life happily-ever-after are two very different things. Can she step out of her own way to find the hero her story needs?

Loyally, Luke Pepper Basham, 2024-05-14 In this hilarious, sweet, low-spice rom-com, opposites attract when a princess falls for a flannel-wearing carpenter. Perfect for fans of Sarah Adams and Emma St. Clair. Sometimes love means embracing the good, the bad . . . and even the impossible. Dear Reader, My name is Luke Edgewood, and there are few things in life that I require. Mainly black coffee. And flannel. And lots of solitude. And my dogs, Chewy and Indie. What I don't need is romance,

so I have no plans to change my thirty-year-old-bachelor status anytime soon. But my youngest sister thinks that by accepting a short-term construction job in the small European country of Skymar, I'm going to follow along in her footsteps and discover my own romantic adventure. Nope. Bah humbug. The End. This time, her rom-com-movie senses are totally wrong. Or maybe not. Because I've met a Grace Kelly look-alike who is annoying . . . until she isn't. But she is impossible. As in, nothing can happen between us because she is a literal princess. Even though that's easy to forget when we're working together to restore a castle-like orphanage in a secluded mountain town and forced proximity includes a small closet, a secret one-hundred-year-old journal, and the tactile memory of an off-limits royal in my arms. Basically, the whole situation has turned into an ooey gooey magical snow globe of romantic tropes complete with cute kids and an actual ball. Even my sentences are starting to sound like mush. Ugh. Send high levels of testosterone my way--I'm going to need it. Loyally, Luke Set on a fictional European island, Loyally, Luke is a heartwarming and delightfully fun clean romance featuring the exciting royalty trope. Experience the joy of a romance filled with plenty of swoonworthy tension but none of the spice. Join Luke on his quest for love in this stand-alone novel that's sure to captivate you from the very first page. Escape into the charming world of Loyally, Luke now! Readers, you are in for a pure delight! Luke Edgewood is, in a word, dreamy. --Emma St. Clair, USA TODAY bestselling author
