Practical and Inspirational Guidelines for Winning J. David Irwin, 2021-05-27 This book contains a compilation of lessons learned over a lifetime of study in the school of hard knocks through a wide spectrum of activities that range from family interactions on the one hand to complex business/professional involvements on the other. As a result, numerous personal examples, coupled with biblically and spiritually based inspirational material, are provided that serve to illustrate the ideas and concepts that have been applied to achieve a winning outcome in these environments. Within the context of this book, winning refers to the attainment of a successful outcome, regardless of the context, and although many of the concepts and ideas discussed will be confined primarily to the interpersonal relationships among individuals and presented in the framework of a business or family environment, they are also applicable when dealing with members of a civic organization, a church group, a professional organization, or any other group where people interact or work together for some common goal. Although the achievement of successful personal interactions in any endeavor can be difficult and the optimum path unknown, when the effort is systematically performed in concert with Almighty God, winning can become a way of life.

Helen Keller's Little Book of Selected Quotes Reflections Quill, 2023-04-22 Deep, solemn optimism, it seems to me, should spring from this firm belief in the presence of God in the individual; not a remote, unapproachable governor of the universe, but a God who is very near every one of us, who is present not only in earth, sea and sky, but also in every pure and noble impulse of our hearts. - Helen Keller -- Journey into Helen Keller's profound reflections with this carefully curated selection of quotes Each page invites you to pause and ponder, and explore the intricacies of the human experience Ideal for reading on-the-go or gifting to someone special A great choice for both kids and adults -- I wonder what becomes of lost opportunities? Perhaps our guardian angel gathers them up as we drop them, and will give them back to us in the beautiful sometime when we have grown wiser, and learned how to use them rightly. - Helen Keller -- The highest result of education is tolerance. Long ago men fought and died for their faith; but it took ages to teach them the other kind of courage, - the courage to recognize the faiths of their brethren and their rights of conscience. Tolerance is the first principle of community; it is the spirit which conserves the best that all men think. - Helen Keller

Enter into your own destiny and make your dreams come true. Overcome doubt and despair in the midst of hopeless circumstances. Quotes by Helen Keller Lilith Regan,2020-03-19 Alone we can do so little; together we can do so much. Life is either a daring adventure, or nothing. The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart. Keep your face to the sunshine and you cannot see the shadows. Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence. Although the world is full of suffering, it is also full of the overcoming of it. When one door of happiness closes, another opens; but often we look so long at the closed door that we do not see the one which has been opened for us. The only thing worse than being blind is having sight but no vision. What we have once enjoyed we can never lose. All that we love deeply becomes a part of us. Everything has its wonders, even darkness and silence, and I learn, whatever state I may be in, therein to be content.
