Identitti Mithu Sanyal,2022-09-01 THE SELLOUT meets INTERIOR CHINATOWN in this satirical debut about race, sexuality and truth. German-Polish-Indian student Nivedita's world is upended when she discovers that her beloved professor who passed for Indian was born white. Nivedita (a.k.a. Identitti), a doctoral student who blogs about race with the help of Hindu goddess Kali, is in awe of Saraswati, her outrageous superstar post-colonial and race studies tutor. But Nivedita's life and sense of self begin to unravel when it emerges that Saraswati is actually white. Hours before she learns the truth Nivedita praises her tutor in a radio interview, jeopardising her own reputation and igniting an angry backlash among her peers and online community. Dumped by her boyfriend and disowned by her friends in the uproar, Nivedita is drawn to her supervisor in search of answers not only about Saraswati's identity, but also around her own. In her thought-provoking, complex and genre-bending debut, Mithu Sanyal collages commentary from real-life intellectuals, blogs, articles, race theory and academic warfare, combining campus novel and coming-of-age drama. A darkly comedic tour de force astutely translated by Alta L. Price, *Identitti* showcases the outsized power of social media in the current debates around identity politics and the power of claiming your own voice.

The Downfall of America Jake Klausner,2022-07-20 Far too often, people are introduced to a caricature of the conservative movement before they've actually heard what the average conservative has to say. In *The Downfall of America* , Jake Klausner presents a conservative perspective on the forces currently working to tear down long-standing American traditions and institutions. The book outlines the ways in which the Left has waged war against traditional American values and even reality itself. In an age of emotional appeals, it makes the conservative argument using logic and statistics. The challenge conveyed to the reader is simple, but critical: "Don't let freedom be extinguished in your lifetime; make sure that it's still there for your kids and theirs."

From Character to Color Ernest J. Zarra III,2022-05-06 *From Character to Color* was written to explore Critical Race Theory from logical, moral, and educational standpoints, as these relate to history, people and racial groups. This book is also written to explain reasons why it is a bad choice to allow the Critical Race Theory to grow unabated and continue to infect the nation.

A Darkly Radiant Vision Gary Dorrien,2023-01-01 The third and final volume in the first comprehensive history of Black

social Christianity, by the greatest theological ethicist of the twenty-first century (Michael Eric Dyson) The Black social gospel is a tradition of unsurpassed and ongoing importance in American life, argues Gary Dorrien in his groundbreaking trilogy on the history of Black social Christianity. This concluding volume, an interpretation of the tradition since the early 1970s, follows Dorrien's award-winning *The New Abolition: W. E. B. Du Bois and the Black Social Gospel* and *Breaking White Supremacy: Martin Luther King Jr. and the Black Social Gospel*. Beginning in the shadow of Martin Luther King Jr., Dorrien examines the past fifty years of this intellectual and activist tradition, interpreting its politics, theology, ethics, social criticism, and social justice organizing. He argues that Black social Christianity is today an intersectional tradition of discourse and activist religion that interrelates liberation theology, womanist theology, antiracist politics, LGBTQ+ theory, cultural criticism, progressive religion, broad-based interfaith organizing, and global solidarity politics. *A Darkly Radiant Vision* features in-depth discussions of Andrew Young, Jesse Jackson, Samuel DeWitt Proctor, Gayraud Wilmore, James Cone, Cornel West, Katie Geneva Cannon, Stacey Floyd-Thomas, Traci Blackmon, William J. Barber II, Raphael G. Warnock, and many others.

Confronting Injustice without Compromising Truth Study Guide Thaddeus J. Williams, 2022-06-28 Enacting social justice is essential to the Christian faith. But the Bible's call to seek justice is not a call to superficial activism. True justice requires biblical wisdom and communal discernment. Maybe you're frustrated with a version of Christianity that doesn't seem to take justice seriously. Perhaps you've witnessed the rise of ideologies that brand themselves as 'social justice,' but you have a sense that something is off about them. Maybe you have a hunch that God offers a better way to do justice than what's offered by the snarky memes on our news feeds. In this 14-session, video-based study guide, teacher and lecturer Thaddeus Williams furthers the case he made in his book, taking study groups and individuals deeper into complex question of how to pursue a path of justice without compromising the truth of the gospel. Participants will watch video segments (DVD/streaming video sold separately), hear from a diverse range of experts, interact in group discussions, and answer personal reflection questions to discover what the Bible and the example of Jesus have to teach us about justice. Williams confronts religious and political tribalism and challenges participants to discover a compelling vision of justice for all God's image-bearers that offers hopeful answers to life's biggest questions and a way forward. Sessions Include: What is Social Justice The God Question The Imago Question The Idolatry Question The Collective Question The Splintering Question The Fruit Question The Disparity Question The Color Question The Gospel Question The Tunnel Vision Question The Suffering Question The Standpoint Question Conclusion
