Ferrari International

The Greenwood Encyclopedia of LGBT Issues Worldwide Chuck Stewart,2009-12-18 This set has an ambitious scope with the goal of offering the most up-to-date international overview of key issues in the lives of lesbian, gay, bisexual, and transgender individuals. HIV/AIDS has been a major media focus, but this set fosters a broader understanding of the status of LGBT individuals in their society. More than 70 countries are represented. The clear, accessible prose is appropriate for high school student research on up. The material is especially needed in a cultural climate that increasingly supports and requires information about LGBT populations. The content is useful for a paper on a hot topic, health classes, discussion groups, and gay-straight alliance groups.

Everyday Life in the Balkans David W. Montgomery,2018-11-26 Everyday Life in the Balkans gathers the work of leading scholars across disciplines to provide a broad overview of the countries of Albania, Bosnia and Herzegovina, Bulgaria, Croatia, Greece, Kosovo, Macedonia, Romania, Serbia, and Turkey. This region has long been characterized as a place of instability and political turmoil, from World War I, through the Yugoslav Wars, and even today as debate continues over issues such as the influx of refugees or the expansion of the European Union. However, the work gathered here moves beyond the images of war and post-socialist stagnation which dominate Western media coverage of the region to instead focus on the lived experiences of the people in these countries. Contributors consider a wide range of issues including family

dynamics, gay rights, war memory, religion, cinema, fashion, and politics. Using clear language and engaging examples, *Everyday Life in the Balkans* provides the background context necessary for an enlightened conversation about the policies, economics, and culture of the region.

De-Centring Western Sexualities Robert Kulpa, Joanna Mizielińska, 2016-04-08 De-Centring Western Sexualities critically assesses the current state of knowledge about sexualities outside the framings of 'The West', by focusing on gender and sexuality within the context of Central and Eastern Europe. Providing rich case studies drawn from a range of post-communist countries, this interdisciplinary volume brings together the latest research on the formation of sexualities in Central and Eastern Europe, alongside analyses of the sexual and national identity politics of the region. Engaged with current debates within queer studies surrounding temporality and knowledge production, and inspired by post-colonial critique, the book problematises the Western hegemony that often characterises sexuality studies, and presents local theoretical insights better attuned to their geo-temporal realities. As such, it offers a cultural and social re-evaluation of everyday life experiences, and will be of interest to sociologists, queer studies scholars, geographers and anthropologists.

Women's Travel in Your Pocket M. Ferrari, Ferrari International, 1999-04 Women's Travel in Your Pocket is a lifeline to women's hotels, restaurants, discos, bars, feminist bookstores, lesbian centers, and lesbian hotlines across the globe, but that's just part of the story. The book's Calendar section lists hundreds of women's events, women's festivals, and mixed gaylesbian events worldwide, as well as departure dates for women's tours, resort vacations, and outdoor adventure trips. A special section describes the tour companies in detail, and a mail-order section includes a listing of all kinds of companies that tailor their products and services to women and lesbians. Compact enough to fit in a pocket or -- for lipstick lesbians -- a purse, it features unique national gay-lesbian symbols that provide important details about bars and other business. Thoroughly revised, this 19th edition of Women's Travel in Your Pocket is astonishingly up-to-date, with listings added and/or revised as little as two weeks before press time.
