*Summary of It starts with Us* Alexander Cooper,2023-01-03 It starts with Us - A Comprehensive Summary Since January 2012, when we first started, I've been a member. I was a housewife by then in my life and had really rediscovered my companionship for examining. After reading the Beaten article on Amazon, I purchased the book right away. I went completely gaga for her association and starting there on, I was a subsequent fan. I bought the next installments of Pounded, Hopeless, and everything else since I discovered her through virtual amusement. I joined her Facebook fan groups (Individual Accomplice and WEBLICH) because, like many others, I wanted a place to show how much I love her organization and meet others who did the same. I was fortunate enough to meet her at a book signing in 2014; she was unquestionably the person she portrays herself to be, RBF and all. The most remarkable quality of the author is her capacity to flawlessly discover every human trait. I know she says she doesn't keep secrets, so maybe it's normal for her to make herself feel so good.
