

La Vida Privada De Las Estrellas

Gabriela Fabbro

Historia mundial del cine I Gian Piero Brunetta, 2011-03-25 Los conjuntos a los que he procurado dar más valor y en torno a los que he hecho trabajar a mis colaboradores han sido los siguientes: los géneros, fundamento y estructura portante del cine estadounidense. los ritos y divos y el papel de Hollywood como fábrica de sueños. la leyenda como patrimonio y fuente de inspiración constante. la contribución fundacional de las minorías étnicas y de las múltiples raíces culturales a la construcción de una identidad sujeta a diversas transformaciones. el papel del paisaje. la interferencia de la política y las formas de presión y de control ideológico y cultural, y, por último, [...] el desarrollo de la economía, el mercado y las transformaciones de los modos de consumo desde los nickelodeones hasta la llegada de la era televisiva y los grandes éxitos de las últimas décadas.» Con estas palabras sintetiza Gian Piero Brunetta el contenido y la orientación del primero de los dos volúmenes que dedica al estudio del cine norteamericano. Un empeño difícil, dada la envergadura y complejidad de la empresa, pero con un resultado incuestionable: el lector tiene entre sus manos una de las visiones de conjunto más completas y ambiciosas publicadas hasta la fecha sobre la cinematografía de los Estados Unidos, cuya consulta será ineludible para cualquiera que quiera penetrar o profundizar en la realidad de una industria que, para muchos, es sinónimo de cine.

Mujeres en la publicidad del Ecuador Jenny Pontón, 2019 El libro contiene un estudio crítico de la industria publicitaria en Ecuador desde una doble mirada: cómo la publicidad representa el cuerpo femenino y cómo las mujeres de distintas clases sociales aceptan o rechazan esas imágenes, que las inducen a disciplinar sus cuerpos en busca de una imposible

perfección física. --

Vida de Lord Byron. [With a preface by J. Roman Leal.] Emilio CASTELAR Y. RIPOLL (President of the Spanish Republic.),1873

Meditaciones, Tomo III Marino Restrepo,2011-07-18 Este es el tercer tomo de una experiencia que no termina si la vemos desde el vientre de lo que aconteció en lo espiritual, pues cada instante de mi experiencia tras las rejas podría llamarlo como vivir caminando sobre el techo del infierno contemplando la experiencia de la salvación al otro lado de una puerta que, cerrada con cadenas y candados, me desafiaba a concebirla abierta un día invitándome a vivir la plenitud de una verdadera libertad. Para el lector que no haya leído los dos primeros tomos le comparto que esta experiencia a que me refiero, aconteció tras las rejas en varios centros carcelarios del sur de California, Estados Unidos. Todo lo que va a leer en este libro hace parte de una vida sobrenatural en medio de las circunstancias más naturales y sobretodo más absurdas. El contenido de este libro hace parte de lo que la Iglesia llama una revelación privada, que no puede en ningún momento insinuarle al lector que sea un depósito de la fe o una verdad sobre la cual deba vivir por encima de las enseñanzas de la Iglesia.

Latin American Dramatists since 1945 Tony A. Harvell,2003-09-30 This resource compiles and locates biographical and bibliographical information of over 700 prominent Latin American dramatists of the late 20th century and their plays in 20 different countries, and it lists over 7,000 plays arranged by country and by author. Author biographies consist of year and place of birth, education, careers, other literary genres, and awards and prizes. The bibliographic listings include various editions of plays, followed by references to the plays in anthologies, collections, or periodicals. Latin American theater is rooted in the rich historical traditions of both the indigenous cultures of the region and those of Spain. In the second half of the 20th century, immigration to Latin America from Europe, the Middle East, Africa, and Asia also proved influential, and theater became a means of social protest. The military and political dictatorships of the late 20th century often censored plays and persecuted playwrights.
