**The Art of Academic Writing** Mike Peterson, Ph.D.,2018-10-17 An affordable college-composition textbook that covers the writing process, rhetorical modes, and common academic genres--such as literacy narratives, profile essays, issue-analysis reports, and argument essays--with dozens of student writing samples.

**Keep Christianity Weird** Michael Frost,2018-09-04 Jesus is different. Go and do likewise. Many Christians have become comfortable letting the world mold them instead of being set apart by God. And many churches have traded in their biblical roots for complacent conventionality. But Jesus and the church are anything but conventional. The hallmark of our faith is that it sees the world differently than the world sees itself. We are called to be eccentric—off center, unique, different; not conformed to the patterns of the world but transformed by the renewing of our minds. By the grace of God we are not only dissatisfied by sin but increasingly uncompelled by conventionality. So resist the allure of acceptability. Get back to the unsafe roots of our faith. Be equipped to surprise the world with the Good News it didn't even know it was waiting for. Challenge the way things are by living a life that has been truly set free by Christ.

*Tradition as Resource or Constraint for Strategic Action* Gino Cattani,Simone Ferriani,Innan Sasaki,2025-08-27 Spanning industries from fashion to sports and from gastronomy to design, the researchers present a meticulously curated anthology of research discussing the dual role of tradition—as both a stabilizing anchor, and a springboard for strategic change.

**Doing the Right Thing for Children** Maurice Sykes,2014-09-22 Maurice Sykes has made advocating for and advancing high-quality early childhood education his life's work. Through mentorships, presentations, and personal example, Maurice challenges and inspires educators to become effective leaders who make a difference in children's lives. He does the same in this book as he shares stories of the hills and valleys of his personal and professional journeys throughout the presentation of eight core leadership values: human potential, knowledge, social justice, competence, fun and enjoyment, personal renewal, perseverance, and courage. Use this book to develop the skills, knowledge, and habits of mind you need to be a successful leader—and do the right thing for children, whether you serve at the individual, organizational, or classroom level. Maurice Sykes directs the Early Childhood Leadership Institute at the University of the District of Columbia's National Center for Urban Education.

*Teaching Myself to See* Tito Mukhopadhyay,2021 Teaching Myself to See deals with Tito's struggles to participate in a world full of visual details. As a person with autism, Tito is visually selective, processing the myriad of details seeping in through the eye rather than the whole. Tracing Tito's experiences to learn to see in his own, hyper-visual way, through art, through magazines, through everyday life, Teaching Myself to See is a work of auto-anthropology, capturing in words, sentences, paragraphs, poems, a way of seeing that might seem so bewildering that doctors and psychologists told his mother he wouldn't be able to think. This book proves otherwise. By teaching us to look through his eyes, Tito shows us the miracle and immense complexity of sight, of neuro-atypicals and neuro-typicals alike--Page 4 of cover.

The 5AM Club Robin Sharma,2018-12-04 Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize

their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, *The 5am Club* will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, *The 5am Club* is a work that will transform your life. Forever.

*I Am Bunny* Alexis Devine,2023-11-14 Social media stars of @WhatAboutBunny, Alexis Devine and Bunny the talking dog, deliver a memoir loaded with wit and passion for animals, as well as the vulnerability and authenticity of a woman who learned to take care of herself by learning to talk to her dog When Bunny, a fluffy, black-and-white sheepadoodle, was eight

weeks old, her guardian Alexis presented her with an odd gift: a button programed to say “outside” when pressed. Within a few weeks, Bunny was using it all the time and Alexis, encouraged by Bunny’s progress, continued to introduce more buttons and more words . . . Three years later, Bunny can now communicate using over one hundred buttons, stringing together important, relatable, philosophical phrases such as “Love you Mom,” “Dad went poop,” and “Ugh why?” In *I Am Bunny*, a memoir in essays and beautiful, full-color photographs, Alexis chronicles not only how Bunny learned to “talk,” but also the profound impact their journey has had on her life. Caring for Bunny has revealed to Alexis a path to self-acceptance, if not complete self-love, and as their relationship developed and their ability to communicate deepened, Alexis was able to reflect on and reframe her past traumas in a newly vulnerable and healing way. Helping Bunny through her fear and reactivity allowed Alexis to examine these qualities in herself, and as she created a safe space for Bunny, she too found space for her own healing. Through charming anecdotes about day-to-day life with Bunny, explorations into prior animal language studies, and plenty of irreverent humor, daring, and heart, Alexis tells the story of how she and Bunny have become so inspiringly close, and explores the ancient and unique bond between dog and guardian that so many of us know leads to a deeper, more meaningful life.
