

Lyrics To Chandelier Sia

New York Public Library. Reference Department

Interpreting Music Video Brad Osborn, 2021-03-17 Interpreting Music Video introduces students to the musical, visual, and sociological aspects of music videos, enabling them to critically analyze a multimedia form with a central place in popular culture. With highly relevant examples drawn from recent music videos across many different genres, this concise and accessible book brings together tools from musical analysis, film and media studies, gender and sexuality studies, and critical race studies, requiring no previous knowledge. Exploring the multiple dimensions of music videos, this book is the perfect introduction to critical analysis for music, media studies, communications, and popular culture.

The Routledge Research Companion to Popular Music and Gender Stan Hawkins, 2017-03-16 Why is gender inseparable from pop songs? What can gender representations in musical performances mean? Why are there strong links between gender, sexuality and popular music? The sound of the voice, the mix, the arrangement, the lyrics and images, all link our impressions of gender to music. Numerous scholars writing about gender in popular music to date are concerned with the music industry's impact on fans, and how tastes and preferences become associated with gender. This is the first collection of its kind to develop and present new theories and methods in the analysis of popular music and gender. The contributors are drawn from a range of disciplines including musicology, sociology, anthropology, gender studies, philosophy, and media studies, providing new reference points for studies in this interdisciplinary field. Stan Hawkins's introduction sets out to situate a variety of debates that prompts ways of thinking and working, where the focus falls primarily on gender roles. Amongst the innovative approaches taken up in this collection are: queer performativity, gender theory, gay and lesbian agency, the female pop celebrity, masculinities, transculturalism, queering, transgenderism and androgyny. This Research Companion is required reading for scholars and teachers of popular music, whatever their disciplinary background.

Switched on Pop Nate Sloan, Charlie Harding, 2020 Based on the critically acclaimed podcast that has broken down hundreds of Top 40 songs, Switched On Pop dives in into eighteen hit songs drawn from pop of the last twenty years--ranging from Britney to Beyoncé, Kelly Clarkson to Kendrick Lamar--uncovering the musical explanations for why and how certain tracks climb to the top of the charts. In the process, authors Charlie Harding and Nate Sloan reveal the timeless techniques that animate music across time and space.
