**Bounds of Blackness** Christopher Tounsel, 2024-06-15 Bounds of Blackness explores the history of Black America's intellectual and cultural engagement with the modern state of Sudan. Ancient Sudan occupies a central place in the Black American imaginary as an exemplar of Black glory, pride, and civilization, while contemporary Sudan, often categorized as part of Arab Africa rather than Black Africa, is often sidelined and overlooked. In this pathbreaking book, Christopher Tounsel unpacks the vacillating approaches of Black Americans to the Sudanese state and its multiethnic populace through

periods defined by colonialism, postcolonial civil wars, genocide in Darfur, and South Sudanese independence. By exploring the work of African American intellectuals, diplomats, organizations, and media outlets, Tounsel shows how this transnational relationship reflects the robust yet capricious terms of racial consciousness in the African Diaspora.

*The Next President of the United States*, R.A.W., 2023-01-02 This great country was founded on Christian principles and ideologies to escape a tyrannical government and pave the pathway to freedom for its citizens. However, there are those in power who are desperately trying to take away our freedoms through force, coercion, deception, and indoctrination. As a result, American democracy is on the verge of collapse. This should not come as a surprise as great civilizations of the past have followed the same predictable sequence. Measures must be taken to stop this sequence if we care for our way of life. Fixing the problem is not a task reserved for the select elite in power. We the people can implement common sense solutions to save our beloved country. If democracy is lost in America, then it will be lost to the world. This book was created by a concerned citizen and gifted to those willing to open their eyes to the truth. Join me on this journey to salvation. Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on to them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free (Ronald Reagan).

Racial Inequity in an Age of Interconnectedness Niklas Richter, 2025-05-21 Academic Paper from the year 2020 in the subject American Studies - Culture and Applied Geography, University of Potsdam (Institut für Anglistik und Amerikanistik), course: Cultures of Violence, language: English, abstract: While it has already been established that police officers in the U.S. still discriminate against people of colour by enacting police brutality, thus enabling institutional racism to flourish, mainstream media contribute in a similar manner by perpetuating depictions of the criminal black male and with that supporting the idea of racial profiling. To make it easier for the reader to identify my stance, providing the necessary explanations for the terminology, as well as clarifying the historical context through which racism is enrooted in the history of the U.S. will guide the reader along the mass racial violence that will be discussed. In the main part, a thorough analysis of two incidents of police brutality, one being the case of Martin, the other one being Brown's case, shall be established. Finally yet importantly, examining the influence of media shall help to either justify or falsify my thesis on this matter, before I end with my conclusion.

**Reflecting Malcom X** Sreechinth C, Malcom X the activist and outspoken public voice of the Black Muslim faith challenged the mainstream civil rights movement and the nonviolent pursuit of integration championed by Martin Luther

King Jr. He urged followers to defend themselves against white aggression “by any means necessary”. For many years he was a major proponent of the Nation of Islam, espousing black supremacy and the separation of black and white Americans. To his admirers he was a courageous advocate for the rights of blacks, a man who indicated white America in the hardest terms for its crime against black Americans. This book aims to throw light towards his life and express the best collection of his inspiring quotes.

Malcolm X Speaks Malcolm X,1990 Selection of speeches by Malcolm X.

Quotes by Malcolm X Lilith Regan,2020-04 Education is the passport to the future, for tomorrow belongs to those who prepare for it today.The future belongs to those who prepare for it today.Nobody can give you freedom. Nobody can give you equality or justice or anything. If you're a man, you take it.You can't separate peace from freedom because no one can be at peace unless he has his freedom.Be peaceful, be courteous, obey the law, respect everyone; but if someone puts his hand on you, send him to the cemetery.If you're not careful, the newspapers will have you hating the people who are being oppressed, and loving the people who are doing the oppressing.You're not to be so blind with patriotism that you can't face reality. Wrong is wrong, no matter who does it or says it.I'm for truth, no matter who tells it. I'm for justice, no matter who it's for or against.I believe in human beings, and that all human beings should be respected as such, regardless of their color.We didn't land on Plymouth Rock, my brothers and sisters-Plymouth Rock landed on us.

*Malcolm X* Patrick Onwe,2024-04-18 In the vast American history, few figures shine as brightly or resonate as deeply as Malcolm X. Emerging from humble beginnings marked by adversity, his journey was one of profound transformation and unwavering dedication to the pursuit of justice. From his early encounters with the harsh realities of life to his time behind bars, Malcolm X's path was fraught with challenges. Yet, it was within the confines of the prison walls that Malcolm X underwent a spiritual awakening, embracing the teachings of Islam and embarking on a journey of self-discovery that would shape the course of his life and the destiny of nations. As he emerged from the shadows of his past, Malcolm X became a powerful voice for change, fearlessly challenging the status quo and advocating for the rights and dignity of the African-Americans and marginalized people. Malcolm's electrifying speeches drew crowds by the thousands, as he captivated audiences with his eloquence, passion, and unwavering commitment to truth. Through his words, Malcolm X spoke not only to the hearts and minds of his contemporaries but also to generations yet unborn. His insights into the human condition and the quest for liberation remain as relevant today as they were during his lifetime. This compilation of Malcolm X quotes, gathered from his speeches, interviews, writings, and other literary works, stands as a testament to his enduring legacy. Every quote acts as a guiding light of hope and inspiration, encouraging readers to contemplate their personal journey, accept their identity, and participate in the ongoing quest for justice, equality, freedom, and peace for humanity. unwavering belief in the possibility of a better world. Like Malcolm X, let us strive to create a society where all are valued, all are heard, and all are free to pursue their dreams.
