Michael Walker

Endings in the Cinema Michael Walker, 2020-03-13 This book offers a new way of thinking about film endings. Whereas existing works on the subject concentrate on narrative resolution, this book explores the way film endings blend together a complex of motifs, tropes and other elements to create the sense of an ending—that is, it looks at ‘endings as endings’. Drawing on a wide range of examples taken from films of different periods and national cinemas, the author identifies three key features which structure the work: thresholds and boundaries, water, and, above all, the beach. The beach combines water and a boundary and is the most resonant of the key sites to which film endings gravitate. Although beach endings go back to at least 1910, they have increased markedly in post-classical cinema, and can be found across all genres and in films from many different countries. As the leading example of the book’s argument, they illustrate both the aesthetic richness and the structural complexity of film endings.

Girl at the End of the World Elizabeth Esther, 2014-03-18 I was raised in a homegrown, fundamentalist Christian group—which is just a shorthand way of saying I’m classically trained in apocalyptic stockpiling, street preaching, and the King James Version of the Bible. I know hundreds of obscure nineteenth-century hymns by heart and have such razor sharp “modesty vision” that I can spot a miniskirt a mile away. Verily, verily I say unto thee, none of these highly specialized skills ever got me a job, but at least I’m all set for the end of the world. Selah. A story of mind control, the Apocalypse, and modest attire. Elizabeth Esther grew up in love with Jesus but in fear of daily spankings (to “break her will”). Trained in her family-run church to confess sins real and imagined, she knew her parents loved her and God probably hated her. Not until she was grown and married did she find the courage to attempt the unthinkable. To leave. In her memoir, readers will recognize questions every believer faces: When is spiritual zeal a gift, and when is it a trap? What happens when a pastor holds unchecked sway over his followers? And how can we leave behind the harm inflicted in the name of God without losing God in the process? By turns hilarious and heartbreaking, *Girl at the End of the World* is a story of the lingering effects of spiritual abuse and the growing hope that God can still be good when His people fail. Includes reading group discussion guide and interview with the author

At the End of the Day Suzetta Perkins, 2014-02-25 Beautiful Denise Thomas is going to finally marry the love of her life - the man she should have married in the first place. Harold is the cousin of her ex-husband, Marvin Thomas, and he's also the

father of her child. Everyone comes together for the wedding of Denise and Harold - including her ex-husband - but what no one knows is that Denise has breast cancer and the happy couple's new life together may be short-lived. Emotions run high in this exhilarating, heart-pounding novel of love and friendship.

Peripheral Visions Ian A. Bell,1995 Throughout contemporary British writing, the question of national identity recurs. By means of its testimony to lived experience, the novel seems to offer the possibility of exploring local communities and marginalized identities in various elaborate ways. However, by its very metropolitanism, and as a result of the material circumstances of publishing and the cosmopolitan nature of the audience, the British novel inevitably conglomerates around London, and its exploration of the remainder of Britain has tended to be patchy and touristy.
