

Quotes About One In A Million

L Manion

One in a Million Janet Dailey,2024-01-23 Yellowstone meets Dallas against the backdrop of Texas horse country, as the death of a patriarch leaves his rich and powerful ranching family dynasty at odds, a high-stakes reining competition in the balance, and forbidden attractions in the mix. Fans of Linda Lael Miller, Danielle Steel, and Diana Palmer will devour this soapy saga filled to the brim with Texas-style drama, corruption, money, and sizzling affairs. Frank Culhane may be the wealthy patriarch of one of Texas' most prestigious families, but his party girl daughter, Jasmine, is only interested in the money the ranch brings in—and the cowboys. Until the day she heads to the stables in search of their hot horse trainer and instead discovers her daddy's body in their prize stallion's box stall. Roper's rodeo career was cut short by an injury. Now, he's hungry to compete in reining events, like the prized forthcoming Run for a Million. In the meantime, until his family can afford their own breeding business, he's got to work for the rich ranchers who snub them—including the Culhanes. But when an autopsy reveals Frank was murdered, Roper lands on the list of possible suspects. A city outsider, Detective Sam Rafferty's investigation propels him into a tangle of simmering rivalries. For the ranch is now in the hands of an explosive partnership: Frank's young, glamorous second wife, Lila, and his scorned first wife, Madeline. Lila has a genuine passion for ranching. Madeline is determined to destroy her. Through Sam's interviews, more tensions surface—there are Madeline's grown children who've been bypassed for control of the ranch, the socially dismissed McKennas, and the breeders, politicians, and gangsters ready to profit from Frank's death. But tricky alliances are also brewing. While Lila and Roper clash, they discover a fire beneath their sparring. And with a killer still at large, the heat between Jasmine and Sam could put the case, and all their futures, on the line . . .

Her One in a Million Rachelle Paige Campbell,2025-02-12 While renovating the MacKinnon mansion, Samantha Sam Holt discovers three prized ceramics in a wall. The one in a million find could provide much needed funds for the restoration—and her family's struggling auction business. She calls a Chicago expert for a second opinion. Zachary Reynolds arrives with his five-year-old daughter in tow, intending to leave with the vases immediately. Partly because the pottery won't reach its six-figure potential in a small-town sale, but mostly because the ceramics will secure his job in an impending merger with a larger firm—and he needs that guaranteed stability for his daughter. Sam and Zach both need the pottery for very personal reasons, but only one can emerge victorious. As they research the history of the pieces and the mansion, however, the best

choice isn't clear-cut. Add in romantic feelings neither of them expected and things become even more complicated. With the odds stacked against them, can they both achieve the financial and personal success they crave?
