The Art of Living Foundation Stephen Jacobs,2016-03-09 The Hindu-derived meditation movement, The Art of Living (AOL), founded in 1981 by Sri Sri Ravi Shankar in Bangalore, has grown into a global organization which claims presence in more than 150 countries. Stephen Jacobs presents the first comprehensive study of AOL as an important transnational movement and an alternative global spirituality. Exploring the nature and characteristics of spirituality in the contemporary global context, Jacobs considers whether alternative spiritualities are primarily concerned with individual wellbeing and can simply be regarded as another consumer product. The book concludes that involvement in movements such as AOL is not necessarily narcissistic but can foster a sense of community and inspire altruistic activity.

Naturally Miraculous Peter Stilla,2023-11-30 Can Christianity experience a twenty-first-century renaissance? Can it again serve as a welcoming home for authentic Truth seekers who aspire to genuine spiritual and mystical experience? *Naturally Miraculous* describes the path of bringing this long-sought objective into being. First, it contains a strong refutation of today's sectarian, orthodox Christianity and argues for a return to what Christianity originally was before the rise of Roman Catholicism, when it was the more mystical, Universalist religion Jesus intended it to be. Second, it examines mysticism and cosmic consciousness from the theological, philosophical, and psychological perspectives and how it has been a part of humanity's spiritual quest and religious cultures, particularly Christianity, throughout history. It ultimately describes a new way of being Christian, a way in which we are to follow the example of Jesus and take the path he describes to the kingdom of God, which is the attainment of Christ consciousness or mystical realization. In *Naturally Miraculous*, we see how achieving the consciousness of Christ has been humanity's ultimate purpose all along.

Be Love Now Ram Dass, Rameshwar Das, 2010-11-02 “May Ram Dass’s intimate and heartfelt account inspire others to find their own path of true love, compassion, and joyful service.” —Thich Nhat Hanh, author of *The Heart of Buddha’s Teaching* Ram Dass’s long-awaited *Be Love Now* is the transformational teaching of a forty-year journey to the heart. The author of the two-million-copy classic *Be Here Now* and its influential sequel *Still Here*, Dass is joined once more by Rameshwar Das—a collaborator from the *Love Serve Remember* audio recordings—to offer this intimate and inspiring exploration of the human soul. Like Deepak Chopra’s *Book of Secrets*, the Dalai Lama’s *Art of Happiness*, and Jon Kabat-Zinn’s *Coming to Our Senses*, Ram Dass’s *Be Love Now* will serve as a lodestar for anyone seeking to enhance their spiritual awareness and improve their capacity to serve—and love—the world around them. “*Be Love Now*, like *Be Here Now*, is equal parts memoir and manual of meditation. It’s hard to believe the two books are separated by more than thirty years. The writing in *Be Love Now* is as fresh and charged with insight as the earlier one.” —Los Angeles Times “If the West even approaches enlightenment in the Twenty-first Century, there’s no way to overestimate the role of Ram Dass in making it happen. He planted seeds that turned into a million trees; if and when they blossom, they will exude the fragrance of his teaching forever.” —Marianne Williamson “*Be Love Now* reveals the true meaning of yoga, the union of the open heart—this is required reading for anyone who follows a path of devotion.” —Daniel Goleman, New York Times–bestselling author of *Emotional Intelligence*

Grist for the Mill Ram Dass, Stephen Levine, 2014-02-11 From the bestselling author of *Be Here Now*. “A challenging and enlightening collection of speeches and lectures by Ram Dass on his spiritual journey.” —*Spirituality & Practice* From Ram Dass, one of America’s most beloved spiritual figures and bestselling author of *Be Here Now* and *Be Love Now*, comes this timeless classic about the experience of being and the risks and rewards of our spiritual path. Originally published in 1976, *Grist for the Mill* offers a deep spiritual journey of self-discovery, and a universal understanding of what it means to “be” and to grow as human beings. The book is fully revised with a new introduction. As Ram Dass puts it, “When the faith is strong enough it is sufficient just to be. It’s a journey towards simplicity, towards quietness, towards a kind of joy that is not in time. It’s a journey that has taken us from primary identification with our body and our psyche, on to an identification with God, and ultimately beyond identification.” Praise for Ram Dass “One of our greatest teachers.” —Deepak Chopra “There’s no way to overestimate the role of Ram Dass.” —Marianne Williamson “May Ram Dass inspire others to find their own path of true love, compassion, and joyful service.” —Thich Nhat Hanh

Handbook of Multicultural Counseling Joseph G. Ponterotto, 2010 This handbook is considered a classic text in American counselling and is the world's most often-cited scholarly work on multicultural counselling.

Paths to God Ram Dass, 2007-12-18 For centuries, readers have turned to the Bhagavad Gita for inspiration and guidance

as they chart their own spiritual paths. As profound and powerful as this classic text has been for generations of seekers, integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach. Now, in a fascinating series of reflections, anecdotes, stories, and exercises, Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life. In the engaging, conversational style that has made his teachings so popular for decades, Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism's most sacred texts. The Gita teaches a system of yogas, or "paths for coming to union with God." In *Paths to God*, Ram Dass brings the heart of that system to light for a Western audience and translates the Gita's principles into the manual for living the yoga of contemporary life. While being a guide to the wisdom of the Bhagavad Gita, *Paths to God* is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives.

Compassion in Action Ram Dass, 2011-04-27 Featuring an eye-catching new cover, this classic guide is for those ready to commit time and energy to relieving suffering in the world. No two people are better qualified to help us along this path than Ram Dass, who has spent more than 25 years teaching and writing on the subject of living consciously, and Mirabi Bush, who succeeded him as chairperson of the Seva Foundation.

Miracle of Love - Stories about Neem Karoli Baba Ram Dass, The material in this volume is culled from over two thousand stories about Maharajji gathered during five years from more than one hundred devotees. To these devotees who shared their treasured memories, I wish to express my deep love and appreciation. Some of them felt that no book could or should be written about a being with qualities as vast, formless, and subtle as Maharajji's, and yet they contributed their stories nevertheless. I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who were not fortunate enough to have met him, I have not misused their trust. Some devotees tell me that stories told by other devotees are not factually accurate. I have no way of ascertaining the authenticity of any single story. All I can report is that those of us who gathered the stories were impressed by the credibility of those of us who told the stories. Though the responsibility for this manuscript lies solely with me, I am delighted to acknowledge a lot of loving help from my friends:
