Deviant King (Deluxe Edition) Rina Kent, 2026-08-11 The villain isn't supposed to be king. I have a simple plan. Finish Royal Elite School and get into my dream university. One glance from the school's king blows my plan up in smoke. One glance and he suffocates my air. One glance and he issues his death sentence. His first words spiral my life into irreparable chaos. I will destroy you. Everything about Aiden King is black. Black mind. Black heart. Black soul. I should've remained quiet and endured the time I have left. I didn't. I made the irrevocable mistake of provoking the king on his throne. The devil in his hell. And now, I'll pay the price. Being hated by Aiden King is dangerous. But being wanted by him is lethal. Deviant King is book one of Royal Elite Series. This is a dark high school bully romance, mature new adult, and contains dubious situations that some readers might find offensive. Aiden isn't the normal romance hero. In fact, he's not a hero at ALL. So please don't read this if any of that bothers you.

Ruthless Empire Rina Kent, 2021-11-24 She's off limits. He has none. There's a girl. Beautiful. Popular. Fake. And my obsession. My fall. Probably my damnation. Did that stop me? Do I care? No and no. There's a line between right and wrong. Moral and immoral. And then there's her. I cross every limit with blood-coated fingers. She says she hates me. I say I hate her too as I trap her, own her. Make her all mine. Ruthless Empire is part of Royal Elite Series but could be read on its own. For better understanding of the world, you might want to read the previous books first. This is a mature new adult and contains situations that some readers might find offensive.

Twisted Kingdom Rina Kent, 2021-11-24 The kingdom isn't supposed to fall. The truth screws you over before it sets you free. Masks drop. Secrets unravel. Elsa's race after the past blinds her from the present. I'll fight for her. I'll bring her back. I'll

protect her even if it's the last thing I do. We made a promise. She's mine. Are you ready for one final game, sweetheart? Twisted Kingdom is book three of Royal Elite Series and should be read after Deviant King & Steel Princess. This is a dark high school bully romance, mature new adult, and contains dubious situations that some readers might find offensive. This book is the final part of a trilogy and is NOT standalone.

The Authenticity of Sendai Kuji Hongi John Bentley, 2006-07-01 This reexamination of Sendai kuji hongî (Kujiki) convincingly leads the reader to new conclusions on its place within the history and historiography of early Japan. While the Sendai kuji hongî is generally considered as simply derivative, drawing on Kojiki, Nihon shoki, and Kogo shûi, John Bentley's careful textual analysis demonstrates that the work has actually drawn from drafts of Kojiki and Nihon shoki, but not Kogo shûi, which has quoted from Kujiki. Thus the work can not be seen as a product of the early Heian era, but must date from the early Nara era. It therewith offers a new look not only into Japanese early Japanese historiography, but also provides a window to a variant view of the Japanese imperial lineage. The first three chapters consist of an analysis of the text from a textual analytical and linguistic viewpoint. Sections only found in Kujiki are then examined and analyzed. With full translation of the ten books of Kujiki, and amply annotated text.

He's no fairy tale king. Levi Here, little princess. I'm your king. You have three rules. Bow. Break. Bend the knee. Fight me all you want, but soon enough, you'll be chanting long live the king. Astrid One day I'm Royal Elite School's small fly, the next I'm hunted and left to die. He doesn't only shred my life to parts, but he's also coming after my heart. He thinks he broke me, but the new princess will bring the king to his knees.

Relevant Reign Aleatha Romig, 2023-06-20 "Your greatest threat will always come from the inside. Never forget that." Omar Navarro, Ozark Molave's survival is at stake. The monarchy is faced with betrayal that could end Molave and remove the kingdom from the map. With so much on the line... What price is too high? Will the Godfrey monarchy go on? Don't miss this dramatic conclusion of the Royal Reflections series as the bonds of family are tested and family itself is reevaluated. The prince and princess must decide if Molave is worth the risk or if returning to America is in their future. Have you been Aleatha'd? Comic Connections Sandra Eckard,2018-12-28 Comic Connections: Building Character and Theme is designed to help teachers from middle school through college find exciting new strategies to help students develop their literacy skills. Each chapter has three pieces: comic relevance, classroom connections, and concluding thoughts; this format allows a reader to pick-and-choose where to start. Some readers might want to delve into the history of a comic to better understand characters and their usefulness, while other readers might want to pick up an activity, presentation, or project that they can fold into that day's lesson. This volume in Comic Connections series focuses on two literary elements—character and theme—that instructors can use to build a foundation for advanced literary studies. By connecting comics and pop culture with these elements, students and teachers can be more energized and invested in the ELA curriculum.

Archaeology at El Perú-Waka' Olivia C. Navarro-Farr,Michelle Rich,2015-08-15 Archaeology at El Perú-Waka' is the first book to summarize long-term research at this major Maya site. The results of fieldwork and subsequent analyses conducted

by members of the El Perú-Waka' Regional Archaeological Project are coupled with theoretical approaches treating the topics of ritual, memory, and power as deciphered through material remains discovered at Waka'. The book is site-centered, yet the fifteen wide-ranging contributions offer readers greater insight to the richness and complexity of Classic-period Maya culture, as well as to the ways in which archaeologists believe ancient peoples negotiated their ritual lives and comprehended their own pasts. El Perú-Waka' is an ancient Maya city located in present-day northwestern Petén, Guatemala. Rediscovered by petroleum exploration workers in the mid-1960s, it is the largest known archaeological site in the Laguna del Tigre National Park in Guatemala's Maya Biosphere Reserve. The El Perú-Waka' Regional Archaeological Project initiated scientific investigations in 2003, and through excavation and survey, researchers established that Waka' was a key political and economic center well integrated into Classic-period lowland Maya civilization, and reconstructed many aspects of Maya life and ritual activity in this ancient community. The research detailed in this volume provides a wealth of new, substantive, and scientifically excavated data, which contributors approach with fresh theoretical insights. In the process, they lay out sound strategies for understanding the ritual manipulation of monuments, landscapes, buildings, objects, and memories, as well as related topics encompassing the performance and negotiation of power throughout the city's extensive sociopolitical history.
