M K Devidasan

A PRACTICAL COURSE IN SPOKEN ENGLISH GANGAL, J. K.,2012-09-11 This well-established and highly successful book, now in its Second Edition, builds on the strength of the previous edition, retaining many of the topics and incorporating some new topics in consonance with the present-day needs. The accompanying CD contains all the attributes of a good speech—proper stress, intonation and correct pronunciation—to enable better comprehension of the topics. Some of the conversations and Words Often Mispronounced are also included in the CD to emphasize on the correctness of learning and enrich the learners in language skills. Primarily intended for students and learners who wish to enhance their spoken English skills, this book will be useful also for those who have long-felt need to communicate in English. It has all the rich ingredients to facilitate the learners talk effectively and confidently: □ About 50 real-life conversations to improve one's speech □ Extensive list of vocabulary to aid in group discussions □ Several useful language tips to pursue the global quest for personal and academic excellence NEW TO THIS EDITION □ Discusses the need of the body language □ Gives dos and don'ts for an effective communicator □ Provides a list of a few non-verbal behaviours and their universal interpretation KEY FEATURES □ Application of idioms for effective and creative speaking □ Learning of expressions and phrases for better practical presentation □ Numerous word meanings to clarify doubts □ Grammar and usage in almost all the chapters to grasp the correct syntax □ Activity to instill confidence in public speaking

Let's Speak English K. Frazier,B. Hoskins,Ritsuko Nakata,Carolyn Graham,1994

Talk English Ken Xiao,2016-09-19 You have studied English for years, yet you still don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English.The good news is, this is very normal.You have simply used ineffective methods to learn to speak English.Ken has been in your situation before, but now he can speak English like a native, and he accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just like a native speaker, and he'll teach you how to accomplish that in just six months.In this book, you'll: *learn to speak like a native in six months or less*learn to do that on a busy schedule*learn to speak English without translating it first*learn grammar without memorizing grammar rules*learn to build a vocabulary that lasts*learn to pronounce English words like native American or

native British*learn to speak English fluently, correctly, naturally, effectively, effortlessly*and more... to speak English like a native speaker.You have studied English for years, yet you still can't speak English well. The reason is simply: The methods you used were ineffective.Change your approach now. Learn from the success who has walked in your shoes before and is getting the result you want. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to help you speak English like a native speaker.Add to Cart

English Ken Xiao,2018-03-09 Learn to speak English fast. Learn to speak English correctly. Learn from an English teacher who was like you and can now speak English like a native. Learn with over 9 hours of audio. Get this lesson now.

A Practical Guide to Spoken English Dr P.N. Gupta,2014-10-14 Teaching of English in India has been traditionally grammar based. The teacher teaches a good deal of grammar; assigns exercises in class or as homework and makes a lot of corrections. Such painstaking efforts on the part of the teacher are, of course, helpful in learning the language but does not much help the student to use the language in day-to-day conversation. Leaving aside the traditional method of dealing with grammar as an isolated subject, the present book offers a specific course in spoken English that focuses on the language of interaction and social exchanges. Its main emphasis is on developing communicative ability of the learner.

English Ken Xiao,2018 This book contains Lessons 1, 2, 3, 4, and 5 of English: Speak Like a Native in 5 Lessons For Busy People You want to learn to speak English, but you think it seems too big of a job to do, you think it seems too much to learn, and you think it takes too long to learn. In addition, you already know some English, yet you don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English. In addition to that, if you already know how to speak English and you think you're speaking it right, trust me, you are speaking it wrong. I have been in your shoes before, and I know you are speaking it wrong. The good news is, these are all normal. You haven't used an effective methods to learn to speak English yet. My name is Ken Xiao. I didn't speak English when I came to the United States as a young man, but now I can speak English like a native, and I did that in six months. In this course, I will teach you how to speak English like a native speaker. If you have been learning English in classrooms, ask yourself this, why don't I speak English like a native? That's because classrooms are designed for you to learn to read and write, not to speak. In this course, I'll show you step-by-step instructions on how to completely get rid of your accent and speak English like a native speaker in six months. Scroll up and get this course now.

How to Speak English Fluently M K Devidasan,2025-10-07 How to Speak English Fluently by M K Devidasan is a practical, inspiring, and experience-based guide for anyone who wants to master English-the global language of opportunity. Unlike grammar-heavy textbooks that focus only on rules, this book takes a real-world approach to help readers speak English naturally, confidently, and effectively in everyday situations. Drawing from the author's personal experience of

overcoming hesitation and language barriers, it offers simple yet powerful methods to transform your spoken English. Step by step, the book breaks down the journey to fluency-starting from vocabulary, pronunciation, and sentence-building, and moving toward advanced communication skills such as storytelling, public speaking, and professional conversation. With motivational tips, real-life examples, and interactive techniques, this book makes learning English enjoyable and achievable for everyone-whether you're a student, job seeker, professional, or homemaker. By the end, you'll realize that fluency is not about speaking perfect grammar-it's about speaking with confidence, clarity, and connection. This book will become your lifelong companion on the path to English fluency and personal growth.

Easy English Vocabulary and Conversation Lingobloom Academy,2024-11-29 This book is your ultimate companion for learning essential English courtesy expressions in a fun and easy way. Designed specifically for beginners and young learners, it introduces polite phrases like Hello, Goodbye, Please, and many more. Whether you're a complete beginner or someone looking to improve your basics, this resource helps you build a strong foundation in English. Learn Essential English Courtesy Phrases: This book focuses on teaching the most common and polite expressions in English, such as greetings, farewells, and requests. Perfect for Beginners and Young Learners: Tailored for beginners of all ages, especially kids aged 6-15, this book introduces English in a simple and approachable way, helping learners build a solid foundation. Engaging Illustrations: Each phrase is accompanied by vibrant and relatable illustrations to make learning both fun and visually engaging, ideal for visual learners. Practical Everyday Language: Covers phrases and expressions that are frequently used in daily conversations, such as Good morning, Please, and Good night, ensuring learners can start communicating right away. Encourages Natural Conversation Skills: Helps readers practice polite interactions and expressions for common social situations, fostering confidence in real-life conversations. Cultural Context Included: Phrases come with contextual examples in both languages, such as How are you? and Have a good day, helping learners understand when and how to use them appropriately. Ideal for Home, School, or Self-Study: Whether you're studying on your own, teaching your kids, or incorporating this into classroom lessons, the book is versatile and adaptable for various learning environments. Develop Language Confidence: The structured and easy-to-follow approach makes it possible to quickly memorize phrases and apply them in real-world scenarios. A Great Resource for Travelers: If you're planning a trip to an English-speaking country, this book equips you with the basic polite expressions to navigate interactions smoothly. Bonus: Build Vocabulary Along the Way: While focusing on courtesy expressions, the book also helps readers build a broader vocabulary naturally and intuitively.

Fearless Fluency Julian Northbrook,2019-07-23 Do you speak English confidently? Or are you paralysed by fear? It's hard enough to learn English. But when you're not confident? It's even harder. This book will take you through the confident English speaking mindset and will show you how to speak with confidence next time (and every time) you speak English. I

was never confident... When I was younger I was shy and not confident in front of people. And this held me back and made improving my second language hard. I never took the opportunities I had to really use my Japanese... because I was afraid. Fearless Fluency will show you how to speak English confidently and fluently Yes, I've been there. And this is why I know you CAN overcome your fear of speaking English if you want to. If you want to speak English confidently and be more confident in your everyday life, it's likely you're going to need to make changes to the way that you think and behave. But pay attention, apply the lessons I share, and your confidence will grow. Here's just some of what you'll learn Why some people succeed in English, and others fail (make your YOU succeed). what confidence REALLY is (hint: it's probably not what you think, and this is making it hard for you to overcome your fear). A lesson from the film Jurassic World that could help you speak confident English (and be happier in life in general). How to stand out as confident in English, and gain the respect of everyone around you. The Three Fears of speaking English as a second language (and how to overcome them easily, by yourself). The evolutionary reason you feel nervous and afraid when you have to speak English (and the shocking truth about human beings... but just knowing this is enough to break the bad habit). How the most famous, successful people in the world became successful... and how you can (and should) copy what they did with your English. The true meaning of failure that you won't find in any dictionary. The unconventional secret to doing any interview confidently in English. How to eliminate embarrassment from your life quickly and easily. A lesson from one of the world's most successful beer brands that you can (and should) apply to everything you do. One simple habit that has nothing to do with speaking English... BUT can help you to be much more confident in English. WHO is Julian? Julian Northbrook is an unconventional punk of the business English learning world. A leading expert in English education and direct response marketing, he's fully equipped to drag you kicking and screaming from English-mediocracy to speaking at an outstanding level. After being turned down for his dream job in the art industry, Julian suffered three long years as a crap Japanese speaker. He understands exactly what it's like to feel like a total idiot every time you speak. But Julian overcame his language problems, mastered the language, and went on to work first as a freelance translator, then as an executive member of a Japanese company. But he soon grew sick of the corporate world and left to do something more satisfying - teaching people how to speak English at an extraordinary level.

Easy English Vocabulary and Conversation Lingobloom Academy, 2024-11-29 This book is your ultimate companion for learning essential English courtesy expressions in a fun and easy way. Designed specifically for beginners and young learners, it introduces polite phrases like Hello, Goodbye, Please, and many more. Bonus: Build Vocabulary Along the Way: While focusing on courtesy expressions, the book also helps readers build a broader vocabulary naturally and intuitively.

The Nutshell Guide to Fluent English Bill McCann, Li Zi Chuang, 2015-08-19 This book is part of a series which aims to help English Language Learners to become fluent in Spoken English. It is the first in a planned series of three and caters for those Learners who are ready to move up to the ESL (English as a Second Language) Pre-Intermediate level in Spoken English. We begin here because, in terms of the spoken language, the leap from the Elementary to the Pre-Intermediate level is one of the biggest hurdles faced by English Language Learners. It is one of the greatest hurdles because it is at this stage that the Learner must move from simple spoken forms to a degree of fluency that begins to use more complex forms of the language. It is the first major hurdle that very many Learners cannot get over. As a result, it is at this point that a Learner can become stuck and either give up trying to become fluent in Spoken English or fail to make any real progress in comparison to their writing and reading skills. There are two main reasons why this happens. The first is that native English speakers do not speak the language in the same way that they write it. The spoken word very often bears little or no resemblance to the written word. The second is that a Spoken language must be learnt - it cannot be taught. By this we mean that, while all learning is a two-way process between the instructor and the learner, when it comes to learning to speak a language, something more than 80% of the work must be done by the Learner on their own. One of the obvious areas where this is true is in the need to learn vocabulary. To become fluent in a spoken language, a great many new words must be learnt - and only the Learner can do that. The instructor cannot learn them for him. How that vocabulary is learnt is a large issue. By far, the vast majority of Learners try to do this by memorising list of English words and their equivalent meanings in their native language. This does not. In this book you will discover a new way to learn the vocabulary that you need, and how to make it fun to learn. The emphasis in this book is on practical use of the language. In each Unit, Learners are given the

opportunity to extend their vocabulary and to practice speaking the language of the native speakers. We have called this Idiomatic Spoken English, or everyday English. All of the examples and dialogues in this book use this language. It is not slang (or street language) but a language that uses all the shortcuts and tricks that native speakers use to keep a fluent and rhythmic flow of words when they speak. Successfully reproducing the rhythm of English (Enunciation) is one of the main secrets of being able to speak the language fluently. In this book we describe how that rhythm is actually built up and use the work of some of the great English poets to help the Learner to get a feel for the very beautiful cadences that English is capable of. Each Unit includes a full poem (or occasionally an extract from a very long poem) with notes about the rhythm (metre) of the poem together with its meaning and background. Of no less importance than Enunciation is Pronunciation. All Learners, no matter what their native language might be, have some difficulty in pronouncing English correctly. For this reason, great emphasis is placed on the Sounds of English, and each Unit includes examples and rigorous exercises for two of the 44 sounds that make up the English language. The first three Units of the book set out the essential foundations of The Nutshell Way to learn to speak English fluently. Some of the six basic principles (introduced in Unit One) on which this is based may well surprise many Learners (and not a few Instructors). But our experiences as Instructor and Learner have shown us that this radical approach is not only workable but absolutely necessary if A Learner is to clear the hurdle and Learn to speak fluent English with confidence.

FAQs About Speak English With Tiffani Academy Pdf Books

What is a Speak English With Tiffani Academy Pdf PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a**

Speak English With Tiffani Academy Pdf PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Speak English With Tiffani Academy Pdf PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Speak English With Tiffani Academy Pdf PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or

other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Speak English With Tiffani Academy Pdf PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text

fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
