Music, Society, Agency Nancy November, 2024-02-20 Musicologists have increasingly taken a wide-angled lens on the study of music in society, to explore how it can be intertwined with issues of politics, gender, religion, race, psychology, memory, and space. Recent studies of music in connection with society take in a variety of musical phenomena from diverse periods and genres—medieval, classical, opera, rock, etc. This ten-chapter book not only asks how music and society are, and have been, intertwined and mutually influential, but it also examines the agents behind these connections: who determines musical cultures in society? Which social groups are represented in particular musical contexts? Which social groups are silenced or less well represented in music's histories, and why?

Thoroughly Modern Millie Milton Okun, 2003 (Vocal Selections). The winner of six 2002 Tony Awards, including Best Musical, Best Orchestrations and Best Actress (Sutton Foster), Thoroughly Modern Millie takes us back to the jazz and flappers of the Roaring '20s. Based on the 1967 movie of the same name, which starred Julie Andrews, Mary Tyler Moore and Carol Channing, the Broadway show features new songs, 1920s favorites and tunes written for the film all of which are featured in our 14-song piano/vocal highlights folio. Also includes a special section of fantastic color photos from the Broadway production, a plot synopsis, show credits, and bios of composer Jeanine Tesori and lyricist Dick Scanlan.
