

The Nature Of Witches

Joan Sanders

The Nature of Witches Rachel Griffin, 2021-06-01 An Instant New York Times Bestseller In a world where witches control the climate and are losing control, only one witch can save earth from destruction. But as her power grows, it hurts those closest to her, and when she falls in love with her training partner she's forced to choose between her power, her love, and saving the earth. For centuries, witches have maintained the climate, but now their control is faltering as the atmosphere becomes more erratic; the storms, more destructive. All hope lies with Clara, a once-in-a-generation Everwitch whose magic is tied to every season. In Autumn, Clara wants nothing to do with her power. It's wild and volatile, and the price of her magic—losing the ones she loves—is too high, despite the need to control the increasingly dangerous weather. In Winter, the world is on the precipice of disaster. Fires burn, storms rage, and Clara accepts that she's the only one who can make a difference. In Spring, she falls for Sang, the witch training her. As her magic grows, so do her feelings, until she's terrified Sang will be the next one she loses. In Summer, Clara must choose between her power and her happiness, her duty and the people she loves...before she loses Sang, her magic, and thrusts the world into chaos. Perfect for fans of Shea Ernshaw and Taylor Swift's Folklore.—Rosie Thor, author of Tarnished Are the Stars A bright, fresh read from a glowing new voice, THE NATURE OF WITCHES is both timely and stirring. Griffin's emotional writing that cuts to the heart will make her a new YA favorite.—Adrienne Young, New York Times bestselling author of Fable The forces of nature and magic blend perfectly in this masterfully told story... I couldn't love this book more.—Shea Ernshaw, NYT bestselling author of The Wicked Deep and Winterwood

Wild is the Witch Rachel Griffin, 2022-08-02 From the New York Times bestselling author of The Nature of Witches comes an immersive, enemies-to-lovers contemporary fantasy standalone. After a night of magic turns deadly, Iris Gray vows to never let another person learn she's a witch. It doesn't matter that the Witches' Council found her innocent or that her magic was once viewed as a marvel—that night on the lake changed everything. Now settled in Washington, Iris hides who she really is and vents her frustrations by writing curses she never intends to cast. And while she loves working at the wildlife refuge she runs with her mother, she loathes Pike Alder, the witch-hating aspiring ornithologist who interns with them. When Pike makes a particularly hurtful comment, Iris concocts a cruel curse for him. But just as she's about to dispel it, an owl swoops down and steals the curse before flying far away from the refuge. The owl is a powerful amplifier, and if it dies, Iris's

dark spell will be unleashed not only on Pike but on everyone in the region. Forced to work together, Iris and Pike trek through the wilderness in search of the bird that could cost Pike his life. But Pike doesn't know the truth, and as more dangers arise in the woods, Iris must decide how far she's willing to go to keep her secrets safe.

The Nature-study Review Maurice Alpheus Bigelow, Fred Lemar Charles, Elliot Rowland Downing, Anna Botsford Comstock, 1922

A Candle in the Dark Thomas Ady, 2011-05-02 The Grand Errour of these latter Ages is ascribing power to Witches, and by foolish imagination of mens brains, without grounds in the Scriptures, wrongfull killing of the innocent under the name of Witches; unto which Idolatry and bloud-guiltiness (being as bad, or worse than the Idolatry of the ancient Heathen) men are led as violently by fond imagination, as were the Ephesians to the worshipping of Diana, and of the Image which (as they blindly thought) fell down from Jupiter, Acts 19. 35. It is reported by Travellers, that some People in America do worship, for a day, the first living Creature they see in the morning, be it but a Bird, or a Worm; this Idolatry is like the Idolatry of this part of the World, who when they are afflicted in Body, or Goods, by Gods hand, they have an eye to some Mouse, or Bugg, or Frog, or other living Creature, saying, It is some Witches Impe that is sent to afflict them, ascribing the Work of God, to a Witch, or any mean Creature rather than to God.
