A Space in the Heart Larry Carlat,2024-11-19 Foreword Reviews praises the book as a sensitive guidebook for grieving parents.... Intimate, warm, and conversational in tone yet searing in its honesty, and says it shows that while there is no ‘getting over’ the loss of a child, it is still possible, with time, to fill the heart’s emptiness with love and light.” A Space in the Heart is about the anguish that the death of a child brings and how to survive and thrive in its aftermath. It’s part memoir, part self-help, zero bullshit and 100 percent straight from the heart. It’s about our never-ending love for our lost children and how that love ultimately helps us transform and heal. In other words, it’s a roadmap for a road no one would ever choose to travel. Grief isn’t something that you overcome...but you can learn to live with it. It will take time. It will take work. It will take pain. It will take strength. It will take an open heart. It will take everything you have. It will take things that you didn’t know you had. That’s what this book is really about and what sets it apart. It’s about the specific heartache that the death of a child brings. It includes an honest retelling of the ups and downs of parenting an adopted son who struggled with addiction and mental illness. It’s a heartbreaking, at times surprisingly humorous, yet ultimately comforting guided tour through the hell of losing a child—a journey on which a parent can transform from ordinary to extraordinary. One of the many other things Larry Carlat learned is that grief lasts until the day we die. The question becomes—what do we want to do with it until then? How do we want to live our lives knowing that we’ve lost a vital piece of who we are? His greatest wish is that this book will help answer those existential questions and, above all, provide unwavering hope along the way.

Opening The Door Petrusia (Pat) Michie,2022-03-09 Abuse always gets worse . . . no matter how many times the abuser says he’ll change. Pat Michie has experienced all types of abuse, from physical to mental, sexual, and financial, while growing up, married, and, again, in two romantic relationships. From her abusers, she has lived a life of fear, a fear that changed who she was and a fear that forced her to make some decisions she regrets today. In *Opening the Door*, Pat shares her story of abuse to not only help her heal, but also in hope of helping others in abusive relationships and showing that the cycle of abuse can be broken. By revealing her truth, she hopes people will understand the different forms of abuse, how abuse can affect a victim, and what you can do, today, to overcome it. When she finally left her husband in 1987, after twenty-five years of severe abuse, some members of her family and community rejected her, not knowing what went on behind closed doors.

Pat finally wants to open her door—and let people know the real her. “I am stronger because of my weaknesses, alive because I am a fighter, compassionate because I suffered, and wise because I was foolish. I laugh because I cried and love because I’ve known loss. I have weathered many storms and can now dance in the rain.”

Quotes for Signboards, Marquees, Church Signs, Inspiration, and Reflection Stan H. McCarley,2024-02-02 Character is doing what is right when no one else is looking. Keep your fears to yourself, but share your courage with others. Never put the key to your happiness in someone else's pocket. Quantity is what you count; quality is what you count on. Very few burdens are heavy if everyone lifts. These are just a few of the quotations that I have included in this book. It is a culmination of over four decades of gathering quotes and sayings, noticing church and marquee signs and bumper stickers and, most recently, researching on the Internet. In the preface for this book, I went through and listed quotes that meant a lot to me, but as I look back, I realize that they all mean something to me. I hope that you can use them for motivation, reflection, and inspiration.
