Clive Barker's Dark Worlds Phil and Sarah Stokes, 2022-10-18 A deep dive into the creative world and personal archive of the master of horror Clive Barker, from Hellraiser and Candyman to today I've seen the future of horror . . . and his name is Clive Barker. In the mid-1980s, Stephen King inducted a young English novelist into the world of great genre writers, and since then, this genius creator has only continued to expand his field of activity. Created by his two most loyal collaborators, Phil and Sarah Stokes, Clive Barker's Dark Worlds is the first book to shed light on the massive scope of Barker's creative work. With the help of Barker himself, this book contains exclusive insight from those who have worked with him creatively and professionally, alongside analyses of his works and comments over four decades from industry contemporaries and friends such as Ramsey Campbell, Quentin Tarantino, Neil Gaiman, China Miéville, Peter Straub, Armistead Maupin, J.G. Ballard, Wes Craven, and many more. The book spans Barker's world, highlighting classics such as the character Pinhead, an icon in the pantheon of horror cinema; the Hellraiser series of ten films and a forthcoming HBO miniseries; and the cult films Nightbreed and Candyman, the latter of which was rebooted as a Jordan Peele production in 2021. In literature, Barker has written the horror anthology series Books of Blood, which was recently adapted by Hulu, as well as numerous fantasy sagas. Weaveworld and The Great and Secret Show have become instant genre classics, and Abarat is a beloved bestselling series

for young adults. In the world of comics, Barker has partnered with major publishers such as Marvel and BOOM! Studios. This tireless creator has also dipped his toes into the worlds of toys, video games, and art, and his incredible collection of paintings, drawings, and photographs have been exhibited in galleries over the world.

The Hellraiser Films and Their Legacy Paul Kane, 2015-05-07 Best-selling horror novelist Clive Barker's 1987 film Hellraiser has become an undisputed horror classic, spawning a movie franchise that to date includes eight films. Exploring not only the cinematic interpretations of the Hellraiser mythos but also its intrusion into other artistic and cultural forms, this volume begins by identifying the unconventional sources of Barker's inspiration and following Barker from his pre-Hellraiser cinematic experience through the filming of the horror classic. It examines various themes (such as the undermining of the traditional family unit and the malleability of the flesh) found throughout the film series and the ways in which the representation of these themes changes from film to film. The religious aspects of the films are also discussed. Characters central to the franchise--and the mythos--are examined in detail.

Stephen King and Clive Barker James Van Hise, 1990 Through an in-depth interview, this guide gives a first-hand look at King's and Barker's creative sensibilities, providing a listing of all the authors' titles, as well as every film based on their works.

Clive Barker's Short Stories Gary Hoppenstand, 1994 Unlike other horror fiction and fantasy writers, Clive Barker is true to the literary heritage of the genre. Though aware of the importance of entertainment in his writing, he embraces the traditional formulas of horror fiction and builds upon them, all the while alluding to the works of Dante, Poe, Mary Shelley, and others. The complexity of Barker's writing is best evidenced in the six volume Books of Blood. Many of these short stories are entertaining hair raisers; yet they do not revel in gratuitous violence, instead relying on style and a masterful sense of language to entertain. This detailed study analyzes the significant themes in Barker's writing, placing him in the British Gothic tradition of Marlowe, Saki and others.

The Inhuman Condition Clive Barker, 2001-03 These five tales by a winner of the British Fantasy Award include a bloody parable of the body in revolt, a conundrum centered in a piece of string, a fable of Hell on Earth, a story of an unholy coupling of the living and the dead, and a vision of ultimate depravity. Lord Gnome's Literary Companion Francis Wheen, 1994 His review has got to be 'in' by mid-day tomorrow ... at about 9 pm his mind will grow relatively clear, and until the small hours he will sit ... skipping expertly through one book after another and laying each one down with the comment, 'God, what tripe!' ... Then suddenly he will snap into it. All the stale old phrases--'a book that no one should miss', 'something memorable on every page'--jump into their places like iron filings obeying the magnet. Thus did George Orwell, writing forty years ago in *Confessions of a Book Reviewer*, describe the labours of a typical literary hack. Precious little has changed over the intervening decades; the servility of the satirical magazine *Private Eye*. Lord Gnome's Literary Companion assembles, in thematic order, the best of these columns to present an astringent, rude and funny survey of publishers and the published.
