

Your Task Is Not To Seek Love

William Shakespeare

A Course in Miracles ,2008-06 This volume contains the original Course in Miracles text, as well as the Course for Miracles for Teachers and The 360 Lessons.

The Message Of A Course In Miracles Elizabeth Cronkhite,2010-05-11 In the mid-1970s A Course in Miracles was published. It is a self-study course designed to help you undo your conscious and unconscious beliefs that you are separate from God so that you can return to your natural State of Boundless Love, Peace, and Joy. Since then it has become the Holy Book of over a million people worldwide who have experienced a loving transformation to a more peaceful life. But the Course, though beautifully written, is in dense and difficult figurative language that can be hard to understand. It can take many years to pierce through how it says what it says to understand its loving means for returning to an awareness of your Eternal Oneness with God. The Message of A Course in Miracles is a paragraph-by-paragraph translation of the Course into plain, everyday language which brings its loving message to the surface so that you can attain a deeper understanding of it faster. It is for anyone seeking a simple and clear means for attaining lasting inner peace.

I call it God René Bijloo,2023-12-07 Modern spirituality without the divine as center, origin and destination is a journey into no man's land; an ascent of the spirit into emptiness and loneliness. The great brotherhood called humanity is returning home, where a Father awaits us, who has illuminated the space for eons so that we are not lost for good. Calling God by name is part of this homecoming, because only by acknowledging the Father can we recognize each other as brothers in love. If you believe in something that is more than this life, which often seems meaningless, then look inside yourself and see how you feel. You will see that this feeling is that of a son or daughter who is looking for love, for the love of a family.
