**The Alex Verus Novels, Books 1-4** Benedict Jacka, 2014-03-04 The first four books in the outstanding, provocative series (Publishers Weekly) featuring Alex Verus, who is part of a world hidden in plain sight, running a magic shop in London. And while Alex's own powers aren't as showy as some mages, he does have the advantage of foreseeing the possible future--allowing him to pull off operations that have a million-to-one-chance of success... Includes *Fated*, *Cursed*, *Taken*, and *Chosen*. I just added Benedict Jacka to my must-read list."—Jim Butcher, author of the Dresden Files novels

**Bound** Benedict Jacka, 2017-04-04 Mage Alex Verus is caught between a rock and a hard place in the eighth urban fantasy novel from the national bestselling author of *Burned*. Right now I wasn't seeing Richard as the teacher out of my nightmares; he was just another Dark mage, and I looked into the future to see what would happen if I turned that knife on him instead... Alex Verus is still haunted by his time apprenticed to Richard Drakh. He's been free of him for many years, but now the only way to keep his friends from being harmed is to again work for Richard and his deadly ally. Even worse, Alex is forced to bring the life mage Anne into this servitude as well. After weeks of being hunted and finally cornered into what he thought was his last stand, Alex never imagined his life would be spared—and never anticipated at what price. This time, the diviner can see no way out...

**Burned** Benedict Jacka, 2016-04-05 Mage Alex Verus is back in the seventh in the “gorgeously realized”\* urban fantasy series from the national bestselling author of *Veiled*. I'm used to people wanting me dead. But, this time, I'm not the only one on the hit list—and time is running out... Diviner Alex Verus finally made one too many enemies on the Council of Mages, and now one of them is angry enough to have him executed. Fighting for his life is nothing new, but this kill order also calls for the death of Alex's dependents—and there's no way that he'll let Luna, Anne, and Vari take the heat. With only a week before he's history, Alex will have to figure out how to disassociate himself from his friends, scrounge up allies on the Council, and hopefully keep his head attached to his body. But saving himself is going to bring him into direct opposition with his former master and the Dark mages surrounding him. And, this time, escaping with his life might mean losing his soul...

**Untitled Alex Verus 12** Benedict Jacka, 2021-11-30 Mage Alex Verus has gone from a Camden shopkeeper to one of the most powerful mages in Britain. Now his last and most dangerous battle lies before him. Alex's girlfriend, the life mage Anne, has fallen fully under the control of the deadly djinn she made a bargain with, and it is preparing to create an army of mages

subject to its every whim. Alex, the Council, and the Dark mage Richard Drakh agree to call a truce in their war, and plans are made for a joint attack. Alex knows that it's only a matter of time before Drakh and the Council turn on each other . . . and neither cares about keeping Anne alive. Can Alex figure out a way to stop Anne and to free her from possession before time runs out for the people he loves?

**Cursed** Benedict Jacka, 2012-05-29 Dark rituals drag London mage Alex Verus into the center of a conspiracy in this thrilling novel from the national bestselling author of *Marked*. Since his second sight made him infamous for defeating powerful dark mages, Alex Verus has been keeping his head down. But now he's discovered the resurgence of a forbidden ritual. Someone is harvesting the life-force of magical creatures—destroying them in the process. And draining humans is next on the agenda. Hired to investigate, Alex discovers not everyone on the Council wants him delving any deeper. Struggling to distinguish ally from enemy, he finds himself the target of those who would risk their own sanity for power. Alex still has the advantage of seeing the future—but he might not have a future for much longer.

***Fated*** Benedict Jacka, 2012-02-28 Enter a “gorgeously realized world”\* and meet a mage destined for greatness in the first novel in the national bestselling Alex Verus series. Alex is part of a world hidden in plain sight, running a magic shop in London that caters to clientele who can do much more than pull rabbits out of hats. And while Alex’s own powers aren’t as showy as some mages, he does have the advantage of foreseeing the possible future—allowing him to pull off operations that have a million to one chance of success. But when Alex is approached by multiple factions seeking his skills to crack open a relic from a long-ago mage war, he knows that whatever’s inside must be beyond powerful. And thanks to his abilities, Alex can predict that by taking the job, his odds of survival are about to go from slim to none....

**Risen** Benedict Jacka, 2021-12-07 Alex Verus must keep his friends close—and his enemies closer—in the epic conclusion to the bestselling urban fantasy series about a London-based mage. Mage Alex Verus has gone from a Camden shopkeeper to one of the most powerful mages in Britain. Now his last and most dangerous battle lies before him. His lover, the life mage Anne, has fallen fully under the control of the deadly creature she made a bargain with, and it is preparing to create an army of mages subject to its every whim. Alex, the Council, and the Dark mage Richard Drakh agree to call a truce in their war, and plans are made for a joint attack. Can Alex figure out a way to stop Anne and to free her from possession before time runs out?

**Chosen** Benedict Jacka, 2013-08-27 THE NEW ALEX VERUS NOVEL I don’t publicly advertise that I’m a mage, but I don’t exactly hide it either, and one of the odd things I’ve learnt over the years is just how much you can get away with if you’re blatant enough. Hide something behind smoke and mirrors and make people work to find it, and they’ll tear the place down looking for what’s there. Alex Verus is a diviner who can see probable futures—a talent that’s gotten him out of many a

tough scrape. But this time, he may be in over his head. Alex was once apprenticed to a Dark mage, and in his service he did a lot of things he isn't proud of. As rumors swirl that his old master is coming back, Alex comes face to face with his misdeeds in the form of a young adept whose only goal is to get revenge. Alex has changed his life for the better, but he's afraid of what his friends—including his apprentice, Luna—will think of his past. But if they're going to put themselves at risk, they need to know exactly what kind of man they're fighting for...

*Hidden* Benedict Jacka, 2014-09-02 With his talent for divining the future, Alex Verus should have foreseen his friends' reactions to the revelations about his previous life. Anne Walker no longer trusts him—and has also cut all ties with the mage community after getting kicked out of the apprentice program. As a favor to Luna, Alex's own apprentice and Anne's best friend, he checks in on her only to be told to leave her alone. Then Anne gets kidnapped. The Council Keepers of the Order of the Star believe Dark mages from her past may be involved. Working with the Keepers, Alex and Luna discover that Anne has been taken into the shadow realm of Sagash, her former Dark mage mentor, and they must find a way to rescue her. But another shadow from the past has resurfaced—Alex's former master may be back in London, and Alex has no idea what his agenda is...

**Fallen** Benedict Jacka, 2019-10 Everything is on the line for probability mage Alex Verus in the tenth urban fantasy novel from the bestselling author of *Fated*. Once Alex Verus was a diviner trying to live quietly under the radar. Now he's a member of the Light Council who's found success, friends . . . and love. But it's come with a price - the Council is investigating him, and if they find out the truth, he'll lose everything. Meanwhile, Alex's old master, Richard Drakh, is waging a war against the Council, and he's preparing a move that will bring Alex and the life mage, Anne, under his control. Caught between Richard and the Council, Alex's time is running out. To protect those he cares for, Alex will have to become something different. Something darker. . .

When Mage Alex Verus ends up with a position on the Light Council, no one is happy, least of all him. But Alex is starting to realize that if he wants to protect his friends, he'll need to become a power player himself. His first order of business is to track down dangerous magical items unleashed into the world by Dark Mages. But when the Council decides they need his help in negotiating with the perpetrators, Alex will have to use all his cunning and magic to strike a deal--and stop the rising tension between the Council, the Dark Mages, and the adept community from turning into a bloodbath.

Veiled Benedict Jacka, 2015-08-04 National bestselling author Benedict Jacka returns to the world of Alex Verus... I thought I'd escaped my past. But my old master is back and making a new play for power. And he's not the only one targeting me... Diviner Alex Verus and the Council that governs the magical community have never gotten along. But with his former teacher back in Britain, Alex is in desperate need of allies, and he'll do whatever it takes to get them—even if it means accepting a job with the Keepers, enforcing magical law. Alex forms an uneasy alliance with his new partner, Caldera, but his attempt at legitimacy quickly turns lethal when a mission puts him in possession of an item that factions both inside and outside of the Council would kill to get their hands on. Once again caught in the middle of a deadly conflict, Alex will need all his abilities to figure out who his friends are—especially when enemies are hiding on all sides...

*Taken* Benedict Jacka, 2012-08-28 This time last year, I could go weeks without seeing another mage. In mage society I was an unknown and, all in all, that was how I liked it. It's hard to say what changed. Whatever it was, I got involved in the magical world again and started getting myself a reputation. Alex Verus's insights into the future used to be the best-kept secret in London. Now, with the aid of his apprentice, Luna, his unique investigative talents are all the rage. He just has to be careful about picking his employers, because everyone—even the beautiful woman who practically begs him to run security for a prestigious tournament—has motives that can be hard to predict. And Alex doesn't do unpredictable. But his latest gig just might be impossible. Apprentices have been vanishing without a trace—and someone on the Council could be involved. Alex has no evidence, no witnesses, and no suspects. All he knows is that someone is keeping tabs on him. And after assassins target Luna's classmate, Alex sees that he doesn't know the half of it—and that he could be the next to disappear.

A Judgement of Powers Benedict Jacka, 2025-11-04 In a world where magic is controlled by wealthy families and vast corporations, one young man will need all the help he can get in this riveting contemporary fantasy from the author of the Alex Verus novels. Stephen Oakwood's ambitions used to be simple. Pay his bills, track down his father, and take care of his cat. Maybe study a little magic after work, if he had time. Now it's a year later and he's got everything he wanted. But it's

come with a price. The Winged, a mysterious group involved with his father, have noticed Stephen, and they want him to join them or else. His career as a corporate locator has hit a dead end. And his new job as bodyguard to Calhoun Ashford is proving a lot more lethal than expected due to assassination attempts from outside the House, and possibly also from within. To survive, Stephen's going to need allies of his own. And along the way, he's going to have to figure out the secret of his own gift, and what it means. The cults, Houses, and corporations of the magical world are locked in an endless battle for dominance, and Stephen is beginning to realize that he's going to have to pick a side . . . before someone else picks it for him.
