Books of Bayern Series Bundle: Books 1 - 4 Shannon Hale, 2020-01-07 New York Times bestselling, Newbery Honor-winning Shannon Hale's beloved young adult fantasy series, The Books of Bayern, now together in an e-book bundle! Ani needs to embrace her gift before she can become queen. Enna learns how to control the flames before they consume her. Razo embarks on a special mission to save his kingdom. Rin leaves behind the forest she loves to find herself. Spun from a classic German fairy tale, master storyteller Shannon Hale weaves together a series that is equal parts fantastical and romantic, with unforgettable protagonists to root for at its center. Now all together in a single volume, readers will dive into a world of hidden magic, epic quests, and above all, friendship.

The Books of Bayern Box Set, Books 1-3 Shannon Hale, 2009-09-15 The first three books in the highly acclaimed Books of Bayern series are now available in a beautiful boxed set. It all began with the retelling of a Grimm's fairy tale in *The Goose Girl*, and now the world of Bayern is rich with fairy tales all its own. Fans will be delighted with this package that features their favorite Bayern characters as well as a sneak peek of the newest book: *Forest Born*.

*Forest Born* Shannon Hale, 2009-09-01 Unable to find comfort amongst the tall trees in the forest she calls home, Rin takes her secret and moves to the city to be with her brother in the hopes of getting answers to questions that have been plaguing her mind her entire life.

River Secrets Shannon Hale, 2017-08-29 In this beloved third book in the Books of Bayern, from New York Times bestselling author Shannon Hale, Razo must become the unlikely hero his country needs. Razo has never considered himself anything but ordinary--and certainly not a great soldier. So he's sure it's out of pity that his captain asks him to join an elite mission escorting the ambassador into Tira, Bayern's greatest enemy. But when the Bayern arrive in the strange southern country, it's Razo who discovers the first dead body. He is also the only Bayern able to befriend the right people--potential allies who can provide information about the ever-increasing murders--like the beautiful Lady Dasha. If Razo can embrace his talents, he might be the only one who can get the Bayern soldiers home alive. The third book in master storyteller Shannon Hale's beloved Books of Bayern series is equal parts fantastical and romantic, with an unforgettable protagonist to root for at its center.

**Classic Fairy Tales and Modern Retellings** Pauline Dewan,2025-09-04 Drawing on the popularity of fairy-tale literature and its retellings, this guide provides insightful annotations to all the major picture books and novels for children and teens. Although popular fairy tales such as Cinderella are familiar, the broader genre of fairy-tale literature is less well known. This genre includes traditional fairy tales (often compiled in book collections), picture-book retellings of single fairy tales, fractured fairy tales, and fairy-tale-inspired novels for both children and teens. Designed to help librarians, teachers, and reading partners feel more confident in selecting and suggesting fairy-tale books for children and teens, this comprehensive guide offers themes, read-alikes, reading levels, awards, and curricular tie-ins for each book. Readers will learn about the distinguishing characteristics of fairy tales, key authors (contemporary and historical), major trends, and significant changes in the genre. They will also discover the therapeutic power of fairy tales, their empowering impact on children and teens, and the reasons that fairy tales continue to attract young readers. Insightful and engaging annotations of each book will increase their knowledge of the riches of the genre.

**Children's Literature in Action** Sylvia M. Vardell,2019-06-14 This practitioner-oriented introduction to literature for children ages 5–12 covers the latest trends, titles, and tools for choosing the best books and materials as well as for planning fun and effective programs and activities. The third edition of *Children's Literature in Action* provides an activity-oriented survey of children's literature for undergraduate and graduate students seeking licensure and degrees that will lead to careers working with children in schools and public libraries. Author Sylvia M. Vardell draws on her 30 years of university teaching and extensive familiarity with the major textbooks in the area of children's literature to deliver something different: a book that focuses specifically on the perspective and needs of the librarian, with emphasis on practical action and library applications. Its contents address seven major genres: picture books, traditional tales, poetry, contemporary realistic fiction, historical fiction, fantasy, and informational books. Each chapter includes practical applications for the educator who shares books with children and who develops literature-based instruction. Chapters are enriched by author comments, collaborative activities, featured books, special topics, and activities including selected awards and celebrations, historical connections, recommended resources, issues for discussion, and assignment suggestions. This new edition incorporates the 2018 AASL National School Library Standards.

Learn practical strategies to make reading aloud an attainable family goal. The stories we read--and the conversations we have about them--help shape family traditions, create lifelong memories, and become part of our legacy. Many parents can't get their children to become book-lovers. Other parents lose touch with what their child is reading. Reading aloud with your children not only has the power to change a family--it can help your children grow into thoughtful, intelligent, empathetic adults. We all know that connecting deeply with our families can be difficult in our busy, technology-driven society. Reading aloud is one of the best ways to be fully present with our children, even after they can read themselves, but it isn't always easy to do. In this book, Sarah Mackenzie--author and host of the Read-Aloud Revival podcast--will teach you how to: Prepare your kids for academic success through reading to them Develop empathy and compassion in your kids through books Find time to read aloud in the midst of school, sports, and dinner dishes Choose books across a variety of sibling interests and ages Make reading aloud the best part of your family's day SPECIAL FEATURES INCLUDE: Index of family- and value-friendly books by title, author/illustrator. A separate index of appropriate books, separated by age group, from children's board books to teen chapter books. From a toddler's wonder to a teenager's resistance, you will find the inspiration you need to start a read-aloud movement in your own home that will bring your family closer together.
