Emilie Dufresne

Puck Drills & Quick Thrills Saxon James,Eden Finley,2021-09-25 WESTLY The fall from NHL superstar to domestic disaster was swift and painful. When I became the legal guardian of my five younger siblings, I had no idea what I was doing. One year later, I'm still lost. Coaching CU's hockey team might be the only thing I'm excelling at. But when our star forward is failing math, I have to do what it takes to keep him on the team. Even if it's going head-to-head with Jasper Eckstein. One minute I'm confronting the notorious hockey-hating professor, and the next I'm agreeing to be his date to his twenty-year high school reunion. I don't know how that happened. JASPER My rules are simple. I don't give extra credit. Ever. No matter how entitled jocks think they are, I refuse to give them special treatment. It's not because I hate them. It's not because a hockey player broke my nose in high school. It's fair. But when Westly Dalton bursts into my office like a hurricane, all my principles fly out the window. Suddenly I'm giving extra credit. And I have a date to my reunion. After one explosive night together, I want more, but his home life is a mess, and I don't want to get in the way. If all we can have is quick thrills, I'm okay with that. It's not like I could ever fall for a jock.

Goal Lines & First Times Saxon James,Eden Finley,2021-02-08 COHEN It turns out making out with my best friend in high school could be considered gay. Who knew? Apparently, everyone but me.Now that it's been pointed out, I can't help reliving it in my head. Repeatedly. Goodbye Denial Town, hello Confusionville.When my path leads me down the gay dating app route, I don't expect to meet anyone I like, but then I meet him.He can't be more opposite than me. He's smart, he hates hockey, and he identifies as demi-something I've never heard of.Yet I can't deny something's there. Something I want to explore in person. If only I could get him to agree. SETH All my life, I've felt broken.Sick of being asked if I could be gay by ex-girlfriends, friends, and even my parents, I join a gay dating app to prove a point.I don't expect to find what's always been missing. A real connection.The problem is, I'm too scared to meet him in person. He's a hockey player, and I fear when he finds out my twin plays for the NHL, I'll be overshadowed by my overachieving brother. Again.Worse yet, what happens if we meet and that connection isn't the same?When I tell him I'm not ready, he's disappointed but supportive. Fate, on the other hand, isn't as accepting.I had no idea the person I've been falling for is someone I already know.

Power Plays & Straight A's Saxon James,Eden Finley,2020-06-27 FOSTER: Look out for Zach and don't hit on him.My brother's request sounds easy enough. Keep an eye out for his best friend on campus and keep my hands to myself.Easy.Even

if Zach is a quintessential nerd, who I've always thought was cute, I don't have the time to think with my ... stick. There's only one stick I should be focused on this year, and that's my hockey stick. My goal once I graduate is to get an NHL contract. The last thing I need is a distraction. On or off the ice. Only, keeping to the rules is harder than I thought it would be. ZACH: People confuse me. And no one more than Foster Grant. I've barely spoken two words to him in the whole time I've known him, but the second I step foot on campus, he's impossible to shake. I can never anticipate his next move. And whenever we're together, my next move is a total mystery as well. I want to give in to him, but that might mean coming clean about something I've never been bothered about before. I'm still carrying my V-card. And I think it's time to turn it in.

Line Mates & Study Dates Saxon James, Eden Finley, 2021-06-21 ASHER Hockey, studying, and school runs. That's my life now. After a tragic accident that took our parents' lives, it's up to me and my big brother to take care of our five younger siblings. In between burning their meals and keeping them from killing each other, I'm supposed to get a college degree. It's hard when I don't have time to breathe let alone study, and if I don't get my grades up, I'm in danger of losing the one thing that makes me happy: my spot on the hockey team. Which is why when the new equipment manager offers to tutor me, I really can't afford to say no. Even though I should. He's Coach's son and way too tempting. KOLE As this year's equipment manager for Dad's hockey team, I'm expected to deal with sweaty jock straps and herding hockey players to their rooms at away games. The job is easy, but babysitting Asher Dalton is not supposed to be a part of it. So why, when his brother asks me to keep an eye on him, do I agree? Why, when he's struggling in classes, do I offer to help? And why, when we're studying, do I suggest a reward system that lands us squarely in bed? Asher's trouble, I know he is. But there's something about him that makes it impossible to stay away.

Face Offs & Cheap Shots Saxon James, Eden Finley, 2020-10-04 JACOBS: For the last three years, I've lived and breathed hockey with one goal: team captain. There's only one thing standing in my way. TJ Beckett. Beck is irresponsible and immature, and I've hated him since the moment we met freshman year. Yet, the coaches see something in him I obviously can't, and they refuse to choose between us. The captain spot is going to a team vote. And the team thinks that what we need are a bunch of challenges to prove our worth. Challenges that have nothing to do with hockey. Challenges that are throwing me and Beck together. And he's still as infuriating as ever. BECK: I have no idea why Christopher Jacobs hates me, and I can't say I care. I like pushing his buttons, but the guy needs to loosen up. I'm going to win these stupid challenges easily and spend my senior year as hockey king on this campus. Tormenting Jacobs at the same time will just be a bonus. Even if I'm getting confusing feelings toward him, I won't let it hold me back. When it comes to competing, I'm all in, and nothing will

get between me and the W.

In amore nessuna distrazione Eden Finley, Saxon James, 2024-09-17 Power Plays and Straight A's Foster Grant è un talentuoso giocatore di hockey. Passa la maggior parte del tempo ad allenarsi sul ghiaccio. Non ha tempo per distrazioni, quindi è parecchio scocciato quando il fratello gli chiede di tenere d'occhio Zach, il suo migliore amico. Zach è un nerd affascinante, con gli occhiali spessi e una passione sconfinata per la psicologia. Ha sempre osservato Foster da lontano, non ha mai avuto il coraggio di avvicinarsi. Quando i due hanno occasione di conoscersi meglio, scatta immediatamente la scintilla. Foster è ammaliato dalla mente brillante di Zach, mentre Zach è attratto dalla forza e dalla determinazione di Foster. Tra partite di hockey, lezioni universitarie e segreti nascosti, Foster e Zach cominciano a provare un sentimento pericolosamente simile all'amore. Ma le differenze tra loro appaiono spesso inconciliabili e difficili da superare. Troveranno il modo di stare insieme? Un nerd introverso. Una star dell'hockey che è il suo opposto. Le scintille sono assicurate... Un romanzo travolgente, che racconta di sport e d'amore. «Foster e Zach sono agli antipodi, ma anche anime gemelle.» Eden Finley È un'autrice bestseller australiana che scrive romanzi super piccanti. Non si prende troppo sul serio e adora creare mondi che le permettano di fuggire dalla realtà. Saxon James Scrive romanzi queer che ti strappano un sorriso. Scrive di romance in tutte le sue sfumature e per tutti i lettori. Insieme a Eden Finley ha pubblicato *In amore nessuna distrazione*

Headstrong Eden Finley, 2023-05-10 Cosa potrebbe mai andare storto, quando un barista etero fornisce consigli per rimorchiare a un ragazzo gay alle prime armi? La prima volta che ho incontrato Whit non sono riuscito a scappare da lui abbastanza in fretta. È un giocatore di hockey e io odio tutto ciò che riguarda lo sport che una volta mi ha spezzato il cuore. Ma non posso fare a meno di sentirmi dispiaciuto per lui. Ha appena fatto coming out e ha un disperato bisogno di conoscere qualcuno, ma il suo entusiasmo sembra spaventare le sue potenziali conquiste. Accettare di fargli da spalla avrebbe dovuto essere semplice. Guardarlo flirtare con altri ragazzi ha complicato le cose. Whit mi mette a dura prova in ogni aspetto della vita, dall'odio per l'hockey alle nuove domande che mi pongo. Ad esempio, perché un etero non riesce a smettere di pensare di baciare un uomo? Penso che la risposta si trovi da qualche parte sulle labbra di Whit...

Complete Hockey Player White Eustace E.,1901

The Complete Hockey Player Eustace E. White,2008-10 PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is dependent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of all flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Eden Finley Cu Hockey Introduction

In today's digital age, the availability of Eden Finley Cu Hockey books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Eden Finley Cu Hockey books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Eden Finley Cu Hockey books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Eden Finley Cu Hockey versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Eden Finley Cu Hockey books and manuals for download are incredibly

convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Eden Finley Cu Hockey books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Eden Finley Cu Hockey books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period,

similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Eden Finley Cu Hockey books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Eden Finley Cu Hockey books and manuals for download and embark on your journey of knowledge?
