Heartwishes Jude Deveraux, 2011-12-06 Determinedly pursuing a job cataloging the documents of the old and prestigious Frazier family, Gemma Ranford stumbles upon a reference to a legendary stone reputed to grant wishes to family members, and seeks the aid of eldest son Colin Frazier.

Scarlet Nights Jude Deveraux, 2010-08-03 The New York Times bestselling author of *Lavender Mornings* continues the Edilean saga with an exciting story about a woman who learns that her fiancé is not who he appears to be... Engaged to the charming and seductive Greg Anders, Sara Shaw is happily anticipating her wedding in Edilean, Virginia. The date has been set, the flowers ordered, even her heirloom dress is ready. But just three weeks before the wedding, Greg gets a telephone call during the night and leaves without explanation. Two days later, a man climbs up through a trapdoor in the floor of Sara's apartment, claiming that he is the brother of her best friend and that he's moving in. While Mike Newland is indeed telling the truth about his identity, his reason for being there reaches far deeper. He's an undercover detective, and his assignment is to use Sara to track down a woman who is one of the most notorious criminals in the United States—and also happens to be the mother of the man Sara plans to marry. Mike thinks the job will be easy—if he can figure out how to make a “good” girl like Sara trust him, that is. But Mike has no idea what this mission has in store for him. He's worked hard to keep private his connections to Edilean, which date back to his grandmother's time there in 1941. But as Mike and Sara get to know each other, he can't help but share secrets about himself that he's told no one else. And in return, Sara opens up to Mike about things she could never reveal to Greg. As the pair work together to solve two mysteries, their growing love begins to heal each of them in ways they never could have imagined.

Heartwishes Jude Deveraux, 2012-01-05 Gemma Ranford wants the job cataloging the documents of the Frazier family so much that she is ready to do battle to get it. Fascinated with history, and desperately trying to finish her dissertation, she's hoping against all hope that the papers will yield new information to invigorate her research. What she didn't expect to find is references to the Heartwishes Stone - believed by most to be pure legend - and said to grant wishes to anyone named Frazier. As Gemma learns more about the family -- and even begins falling in love with the eldest son, Colin -- it becomes increasingly clear that their wishes are actually coming true. Together, Gemma and Colin must work together to find the stone that's been missing for over one hundred years -- and with an international thief also on the hunt, the clock is ticking. Because in the wrong hands, no one named Frazier will ever be safe.
