A God in the Shed J-F. Dubeau, 2017-06-13 -Barnes & Noble Best Horror Books of 2017 Pick -Runner-up for the American Library Association's Horror Book of 2017 One of the most enthralling novels I've read in the last ten years. Dubeau is a force to be reckoned with. —Jerry Smith, Fangoria Magazine and Blumhouse.com This is the page-turner you've been looking for. —Barnes & Noble The village of Saint-Ferdinand has all the trappings of a quiet life: farmhouses stretching from one main street, a small police precinct, a few diners and cafés, and a grocery store. Though if an out-of-towner stopped in, they would notice one unusual thing—a cemetery far too large and much too full for such a small town, lined with the victims of the Saint-Ferdinand Killer, who has eluded police for nearly two decades. It's not until after Inspector Stephen Crowley finally catches the killer that the town discovers even darker forces are at play. When a dark spirit reveals itself to Venus McKenzie, one of Saint-Ferdinand's teenage residents, she learns that this creature's power has a long history with her town—and that the serial murders merely scratch the surface of a past burdened by evil secrets.

The Dark Night of the Shed Nick Page, 2015-08-13 Men, the midlife crisis, spirituality - and sheds A new bike - running the marathon - splashing out on a sports car - having an affair - taking up triathlon - upping sticks and moving to the country - getting divorced - even going into the church... There's a point in a man's life where he looks around him and asks whether this is really where he wants to be - what he wanted to do with his life. And even if he's achieved all his childhood dreams, maybe that's not enough any more. Nick Page has been there, and he decided to build a shed. Not to answer the question, but so that he'd at least be able to get some peace to think about it properly. Join him on a journey of discovery, into what the midlife crisis really is, and whether there's a better way to go at it than frittering away time and money trying to pretend you're really younger than you are.

Truly & Falsely Jesus Saleh Ali, 2023-03-06 Jesus Christ is a unique being because of his miraculous birth, his ascension, and the Second Coming. Therefore, significant disputes have emerged regarding his reality and mission. The Bible itself contains two opposing images of Jesus, their parts have been scattered into the chapters of the books of the New Testament. Certainly, these two opposing images of Jesus cannot, of course, both be concurrently authentic at the same time. But one must be for Truly Jesus, and the other one is for Falsely Jesus. The two contradictory images of Jesus in the Bible, as well as the disputes regarding his reality and his interrelation to salvation as a savior, will remain until his Second Coming. Then

Truly Jesus is manifested to the man of that time, and the Falsely will be destroyed. But what about a person today? Is he aware of the two images of Jesus, the true image and the false one that are scattered in the Bible? Does he not feel the necessity of exploring Jesus who in his heart, whether he is the true one or the false? Certainly, whoever has based his faith in Jesus on clear and conclusive evidence is rightly guided, or else he is in plain error. This book is a new analytical study, where it assembles all the scattered parts of each of the two contradictory images of Jesus in the Bible, highlights them as two complete images, examines them, explores their differences and how did Falsely Jesus appear and why? Also, this book presents to those who believe in the Hereafter, the proofs of the only one true formula of salvation, and to those who do not believe, the proofs of the necessity of an afterlife. The hope with this book is to offer the clarity of intention and the ability to distinguish between the two readings of Jesus as presented in this book.

The Great Journey Bonnie M. Gulan, 2002-04-19 Think! In Mark 12:24 Jesus said, Are you not therefore deceived, not being acquainted with the Scriptures nor yet the Power of God? Be knowing, the Scriptures are the Word - the complete expression of God's Thought and contain the Power of God's Thought. The Bible on the other hand is but the letter, men's letters, men's interpretations of the Scriptures and contain not the Power of God's Word but contain only the force of men's reasoning, men's intellect. One could say that the Bible is but the survey for the Scripture Digs. The Great Journey in Pursuit of Jesus' Way, Truth & Life is my personal daily journal during the years of 1998 and 1999. Everything I write is hand written so great care was taken in transcribing my written journal into this format. By great care I mean transcribing word for word along with their misspellings and errors so that it would allow you the reader to travel with me every day. In this journal I share what I took notice of and took notes on during my journey. Some things I perceived during this journey gave me new questions to question as well as answers to questions that I have repeatedly asked myself over many years. Travel with me through my 1998-1999 journal as we embark on this Great Journey in pursuit of Jesus' Way, Truth and Life.

The Work of the Gods in Tikopia Raymond Firth, 2021-01-07 First published in 1939 and long out of print, this book remains unique as the only full and detailed account by a social anthropologist of a complete pagan Polynesian ritual cycle.

This new single-volume edition omits some of the Tikopia vernacular texts, but includes a new theoretical introduction; postscripts have also been supplied to some of the chapters comparing the performances of 1928-9 with those witnessed by Professor Firth on his second visit to Tikopia in 1952. There is a specially written Epilogue on the final eclipse of the traditional ritual, based on a third visit by the author during the summer of 1966.
