Things Worth Dying For Charles J. Chaput, 2025-10-16 With a balance of wisdom, candor, and scholarly rigor the beloved archbishop emeritus of Philadelphia takes on life's central questions: why are we here, and how can we live and die meaningfully? In *Things Worth Dying For*, Chaput delves richly into our yearning for God, love, honor, beauty, truth, and immortality. He reflects on our modern appetite for consumption and individualism and offers a penetrating analysis of how we got here, and how we can look to our roots and our faith to find purpose each day amid the noise of competing desires. Chaput examines the chronic questions of the human heart; the idols and false flags we create; and the nature of a life of authentic faith. He points to our longing to live and die with meaning as the key to our search for God, our loyalty to nation and kin, our conduct in war, and our service to others. Ultimately, with compelling grace, he shows us that the things worth dying for reveal most powerfully the things worth living for.

Pouring Ketchup Dennis Cook, 2012-09 When hurt imposes its crabby will on our lives, many of us lock up the scars in our private journals. We write down stuff that is for our eyes only. It's a safe place to hide our fears, failures, and frustrations with ourself, our friends, and even God. Journals are never meant to be read to the world, because if we did, they would reveal who we really are. Nobody really wants to undress their soul in front of others, to be made fun of-me included. Somewhere behind the halleluiahs, praise the Lords, and God is good stuff, there is this real place that only our journals have enough grace to accept. It's a place where 1+1 doesn't equal 2. It's a place where you mix red and blue and get gray. It's a place where you are mad at God and feel He's mad at you. That's what journals hold, the stories of our lives-not the way we always want them but the way they really are. When God invited me to write a book exposing my journal to the world, I politely rejected Him. Okay, not really politely. I balked, There is no way I am ever going to reveal what I spent a lifetime concealing. God, I'm a pastor and these stories don't make me look good; as you know, some don't even make me look like a Christian. God, how about you and I make a deal? On my forty-seventh book, I will let the world snoop around in my journal, but not my first. I refused to hand over the key to my journal, knowing God would just blab it to the whole world. I will not write a book that makes me look way more human than holy. That all changed one day when five strangers walked into McDonald's and tried pouring ketchup ...

Werewolves of Montana Volume 2 Bonnie Vanak, 2017-02-09 The Mating Intent Twenty-five years ago, Gabriel

Sanders took Sienna Bennett's virginity in a night filled with fiery passion. For breaking her vow of celibacy, Sienna was severely punished by the Fae king. If she surrenders to Gabriel's sensual allure this time, Sienna faces banishment from her people forever. Gabriel burns for Sienna and has never forgotten the taste of her mouth, nor the exquisite pleasure they shared in his bed. Only Sienna can satisfy his intense need to mate. He desperately needs her dark Elven magick to fight a deadly curse that is killing shifters and destroying his territory. Gabriel must convince the pretty Elf to sexually bond with him to defeat the dark enchantment before it destroys the Everglades for good.

The Mating Challenge For a long time alpha werewolf and ranch owner Aiden Mitchell has desired the curvy, vivacious Nikita Blakemore, alpha female of the Blakemore pack. He will have her as his mate and no other. To force her hand, Aiden maneuvers her into hosting a Mating Challenge, the ultimate warrior competition for werewolves, where males fight for the right to mate and breed with a female alpha. Fiercely protective of his future mate, Aiden will do anything to make her his own, even fight to the death. Masquerading as her twin sister, Nia Blakemore knows she is the one Aiden wants in his bed. Nia has dreamed of the handsome cowboy sweeping her into his strong arms and consummating the passion consuming them both, even though he thinks she is Nikita, the true alpha female. Nia must try to keep Aiden from discovering the truth to protect her frailer, gentler twin. But Nia and the real Nikita hide a secret far more deadly than the charade they have pulled off for years, one that can kill Aiden and any healthy male who sets foot upon their land...

The Mating Season In the centuries since he became immortal, Tristan, the Silver Wizard, has awaited the return of his long lost love. Nikita was his life and his heart, and when he died as mortal fighting for the freedom of Lupines and dragons, it was with her name on his lips. Now he has found her again, and Tristan is determined to claim her and fulfill his legacy - by impregnating her with his child. He will take her to his heavenly home in Tir Na-nog to show her the passion they once shared in another life. Before they can reach there, he must protect Nikita from his enemies, and he will fight with all his power to keep her safe from all harm. The handsome, sensual wizard who saved her life from a lethal virus and swept her off her feet is no mere werewolf like herself. He is the Silver Wizard - the ruler of all werewolves, with the power to turn them into dust. Possessive and protective, he wants to recapture the love they had 900 years ago - a love Nikita cannot recall. All she knows are dreams of his passionate lovemaking and a burning desire for his touch. If she doesn't accompany Tristan to Tir Na-nog, her mortal body will die, for the potion that saved her life will not last. But the journey ahead is filled with danger, and it will take all their courage and everything they shared in the past to endure the darkness that awaits them both...

The Mating Destiny In all his 150 years as dragon, sexy, handsome Crown Prince Alexander d'Mateo de Drakon Tremaine has been treated with privilege and respect. And then he met a half-blood who turned his world upside down and made him see life in a new light. Alex would do anything for Emma, even fight to the last drop of his royal blood to keep her safe. But they can never be more than friends, for Alex is destined to marry and mate with a princess from a rival clan to unite their two kingdoms. Half-blood dragon Emma Kantris is servant to Alex's intended, and

she knows his marriage will mean much-needed change for both dragon clans. Through his union with Princess Sabrina, Alex can finally eradicate the hated caste system that suppresses Emma and other half-bloods. Secretly, her heart longs for Alex, the dashing prince who has been a friend when all others deserted her, even though Emma has been warned to stay away. But when Emma is abducted by her enemies, it's Alex who's off to rescue her, and in doing so he may pay a price that could endanger them both... **BONUS CONTENT! Lovestruck: A Dragon Story**

Mendell Station J.B. Hwang, 2025-07-22 A surprising and evocative debut. -Grace D. Li, New York Times bestselling author of *POURTRAIT OF A THIEF* A tender debut that follows a woman who, after her best friend's death, loses her faith and quits her job to join the postal service, quickly becoming an 'essential worker' as the city shuts down. It's January 2020, and Miriam is already getting a sense that the world might be ending. First, she learns that her best friend, Esther, has died. Then her faith in God-in everything, really-follows suit. Her job teaching Scripture at a private Christian school suddenly seems untenable, so she quits. Thankfully, the postal service is hiring. While Miriam finds comfort in her route, the mail truck can hardly outpace the memory of her lost friend and eroded faith. She finds herself composing letters to Esther that she will never deliver, reflecting on their shared childhoods and deep understanding of each other's difficult families. *Mendell Station* depicts one woman's deliverance through the peculiar rhythms of work, and the beauty found in small details and gestures, those quotidian labors of love.

Studies in the History of Tax Law, Volume 9 Peter Harris, Dominic de Cogan, 2019-09-19 These are the papers from the ninth Cambridge Tax Law History Conference, held in July 2018. In the usual manner, these papers have been selected from an oversupply of proposals for their interest and relevance, and scrutinised and edited to the highest standard for inclusion in this prestigious series. The papers fall within five basic themes. Four papers focus on tax theory: Bentham; social contract and tax governance; Schumpeter's 'thunder of history'; and the resurgence of the benefits theory. Three involve the history of UK specific interpretational issues: management expenses; anti-avoidance jurisprudence; and identification of professionals. A further three concern specific forms of UK tax on road travel, land and capital gains. One paper considers the formation of HMRC and another explains aspects of nineteenth-century taxation by reference to Jane Austen characters. Four consider aspects of international taxation: development of EU corporate tax policy; history of Dutch tax planning; the important 1942 Canada-US tax treaty; and the 1928 UN model tax treaties on tax evasion. Also included are papers on the effects of WWI on New Zealand income tax and development of anti-tax avoidance rules in China.
