Learn The Art to Train Your Woman Tariq Khan,2024-11-20 It's a guide to understanding the often unspoken dynamics between men and women, a playful roadmap to finding common ground and mutual respect. Over the years, I've learned that relationships thrive when both partners can embrace each other's strengths, quirks, and, yes, even flaws. Learn The Art to Train Your Woman offers a fresh perspective on building a fulfilling, harmonious relationship. So, why train? Because relationships are about growth—learning to navigate each other's worlds, to dance around each other's egos, and to bridge differences with love and respect. The word train here is less about taming and more about learning to inspire the best in each other. As we train ourselves to become better partners, friends, and listeners, this book is an invitation to train your approach to relationships. By the time you finish, you'll be equipped with tools to create a partnership where you and your partner feel valued, seen, and respected. You'll learn how to turn potential arguments into laughter, misunderstandings into shared moments, and everyday interactions into meaningful connections.

How to Be Rich in God's Way George Kariuki,2017-08-13 From the talents parable, the most entrusted virtues to win in the game of life include these three elements:A. Time;B. Work; andC. Profit.Once we are born into this world, we are all slaves who are naturally guard to work in order to fulfil our earthly wishes and desires. To it, slaves who become good and faithful to their masters (like the first two - with five and two talents) reap the best share in life. Slaves who are lazy and evil (like the one with one talent) always beg, steal and kill to get simple and straight means to get rich quickly without working for it, and this (false wealth) has lifelong repercussions, sometimes going deep into generations, and some of its beneficiaries will never support themselves from such wealth, and instead will waste it all to nothing. In the real world, right from past, till

today, life itself has powerful lessons we can all learn from. Are there any lessons you know, see or hear about this life - natural - lessons?

How Unity Can Benefit Anthony Bright Atwam, 2013-04 The Importance of Unity This book is the product of my experience and research on the importance of unity. Years ago, my marriage was not working the way I wanted. Upon careful thought, I realized my wife and I were not SO HOW CAN WE ACHIEVE UNITY? Experience and research have shown that if six conditions can be met in any relationship, church, organization, or a nation, unity can be achieved and maintained. This book will show you all! If your relationship is not working well, don't give up, strive for unity. If your church is not growing or doing well don't give up, strive for unity. Even the almighty God is also working hard to unite all people to himself! This book would be good for couples, singles, Pastors and their church members, managers, Politicians and individuals. WHAT ELSE WILL THE READER TAKE AWAY FROM THIS BOOK? The reader will also learn that there are three main things to pursue in life in order to have a satisfactory, meaningful and complete life. Many people are not happy these days, some even end up committing suicide, this book can help! You will also learn some of the mistakes the man or the woman makes that can destroy unity in the relationship and how couples can set up financial and other guidelines in the family to bring about unity. The kind of leader a country gets depends on the lifestyle the people aspire? If the citizens want good life, they will get a good leader; if the citizens desire immoral bad lifestyle, they will get a bad leader! The book also enlists some of the mistakes church members, and Pastors make that hinder their blessings, growth, and unity in the church. How to know you have been called by God to be his servant, a pastor, a prophet, find out more! The reader will also discover that this world is heading toward a condition of harmony, peace, and unity, but science and many people have not been able to understand this process so far. Why? This is because science is limited although useful. Individuals, families and nations will benefit greatly if they turn to God for help than to live without the influence of God! The issue of same sex partnership & gun control can easily divide a society; these have been discussed objectively in this book! strongly united in heart and in purpose. Again when we were planting a church and a training college in 2004 and in 2012 respectively, I also realized during these periods that, it was not enough for me to have a dream or a good project, I also needed a united people to support me and the project. So I began to research on the subject of unity, and came to the conclusion that Unity is very important in every aspect of life.
