Movie and TV Theme Songs Joseph Caligiuri,2019-02 Movie & TV Theme Songs - Easy to Read Visual Sheet Music with Letters is a method of learning featuring unique color-coded illustrations of sheet music. The most remarkable feature about this method is that it modifies standard sheet music and uses letters instead of note symbols, so those who want to play the

piano can learn in a much easier and more visual way. This book contains 40 popular movie & TV theme songs in piano tablature; a color coded, easy interpretation of piano music that requires little training. The piano tabs display right and left-hand fingering numbers with red and blue note letters. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn a movie or TV theme song this book is for you. This method of tablature is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. PlayPianoByLetters.com is an interesting and fun way for musicians to play well-known songs on the piano.
