The Book of James Derek A. Tong, 2024-04-18 Like a flash of lightning, their twenty-one-year-old son, James', life changed. Crumpled by a flat-bed truck, he barely survived. In spite of his brain injury, he was an overcomer. His children loved him dearly and did not notice his deficits. They adapted well. They were caring and loving. James' parents, also, exhibited so much love and devotion, helping in any way they could. Benny and Daphne Carson were the model family. They had two brilliant children: an attorney and mortgage broker. Both were succeeding in their lives and families.....until one was not. Benny and Daphne's ten grandchildren added to the vibrancy and happiness in their lives. Never had things been better. October 23, 2020. Hello, tragedy. Goodbye, James. Their son had left. Death had overtaken him. May you experience God's peace and comfort as you read this memoir, *The Book of James: The Brain Injury, Life, and Legacy of James Carson*. We hope your personal feelings and experiences with grief and loss will be lessened. This memoir showcases the love and power and comfort of Christ in the face of death. It highlights the opportunities that can unfold in your lives because of obedience, even in the midst of heart-wrenching pain. God is not finished with James' parents, nor is He you. May *The Book of James* point you to the cross and help you live a life of gratitude.

Canna John Lorne Campbell, 2017-07-05 This is the definitive history of Canna, one of the most beautiful of all the Scottish islands. Fertile and with a sheltered harbour, Canna has played an important part in the story of the Hebrides. After the Reformation the island was of considerable importance to the Irish Franciscan mission of the 1620s and also the Jacobite risings before it was swept up in the tragedies of depopulation and clearances of the nineteenth century. Gifted to the National Trust in 1981, the island is currently undergoing something of a revival, with the creation of the St Edward Centre on Sanday, and the proposed developments of Canna House. Recent archaeological surveys and historical research has uncovered much new evidence about the island. Hugh Cheape of the Royal Museum of Scotland, who has been intimately involved in the Canna project, has fully edited the book. New contributions both update and fill out the account of the island.

Journey Through God's Word Eric Shaban, 2021-02-15 Do you really know what the Bible is about? Are you making a decision that could affect you for eternity without even understanding what awaits you? Do you know the true meaning of life, and eventually death? Deep down, do you feel the love, mercy, and grace of Almighty God? If you haven't read and studied God's Word, you're missing out on the greatest book ever written. In its pages you will meet some of the greatest heroes of all time, such as Paul, John, James, and the most important person of all, the Son of God Himself, Jesus Christ. The wisdom recorded in God's Word will carry you through every encounter in life and give you strength to get through any day. Even though it was written thousands of years ago, it has applications for your life that are extremely relevant right now. You won't just learn how to come to a saving faith in the Lord Jesus Christ, but also how to live a fulfilled life that could only come from the Creator of the universe. This book will come alive before your very eyes! In more than thirty years of study, I've found practical answers to every encounter life has thrown my way. If you don't know Jesus as your Lord and Savior, my

hope is that this book will lead you in His direction. If you do believe, my prayer is that you'll come to see that Christianity is about more than attending church on Sunday?and that you'll find the joy that is made complete in the Word of God.

Anxiety Attacked John MacArthur,1993 SAY NO TO FEAR AND ANXIETY So many things to worry about and so little time to worry! Christians obviously are not immune to the troubles of life, and when troubles do come we're urged to rise above them and experience peace that passes understanding. But how, in day-to-day life, does that really happen? While numerous books have been written on overcoming anxiety, *Anxiety Attacked* goes beyond pop psychology's temporary cures by returning us to our only true source of comfort and victory—Scripture. John MacArthur compassionately demonstrates from such passages as Matthew 6:25-34, Philippians 4:6-9, and 1 Peter 5:5-7 God's concern about our anxious situations, and helps us appropriate His resources for dealing with them calmly, yet effectively. So when anxiety attacks, attack anxiety! The MacArthur Study Series is designed to help Christians better understand and apply the Bible by better understanding some of its key truths and doctrines.

The Rebels Vivian Stuart,2022-09-15 The sixth book in the dramatic and intriguing story about the colonisation of Australia: a country built on blood, passion, and dreams. Twenty thousand kilometres and four months of sailing are what stands between England and the colony of Australia. In his struggles to bring order in the colony, and to protect its settlers from abuse of power, and injustice, Governor Bligh is up against some powerful enemies and mischievous schemers. Three strong-minded governors have failed to complete the task before him ... And England seems to have had enough of the war against France. Rebels and outcasts, they fled halfway across the earth to settle the harsh Australian wastelands. Decades later — ennobled by love and strengthened by tragedy — they had transformed a wilderness into a fertile land. And themselves into The Australians.

John Hirst Chris Feik,2025-07-01 A historian like no other, John Hirst captured what is distinctive about Australia John Hirst was one of Australia's most original and substantial historians. Hirst changed views of many aspects of the nation's history, including the early days of the British colony, the advent of democracy and the forging of Federation. He had a sociological imagination of great power, and the historian's gift of synthesising vast amounts of material and seeing new patterns and meanings. This volume selects the cream of Hirst's historical essays, as well as key excerpts from his books. It contains three overviews of his work, by Frank Bongiorno, Robert Manne and Alex McDermott. It shows how his writing allows us to understand Australia's past, present and future in fresh ways.

This is not a general Australian history-it does not attempt to cover all aspects-and it is not a definitive or quantitative analysis. It is a work of art, a living and breathing account of the remaking of a primitive continent, history come alive.
